

WE ARE ALL BENEFICIARIES OF DR. ERNEST HOLMES

We are the grateful beneficiaries of a transformative lifetime of work – the teachings of Dr. Ernest Holmes, the founder of Religious Science. As his students we have experienced the immense joy, vitality, success and deep personal fulfillment his teachings promise.

Now, we have an opportunity to complete the Circle of Good Dr. Holmes began. There could be no greater declaration of our gratitude or demonstration of our love of Dr. Holmes' teachings than ensuring their eternal preservation by a gift in our Will.

“As I give thanks for the good now flowing into my life, I gladly share that good with others. The more I give, the more I receive. I experience a deeper consciousness of peace and security, for I know that I am in the embrace of a warm, loving Presence forever seeking an outlet through me. My cup runneth over! I exist in limitless possibility.”

A Holmes Reader on Practical Wisdom

Our giving, and particularly our ultimate gifts by Will, are a powerful demonstration of what is important to us; a manifestation of our passion for life and a vitally important extension of our life's purpose.

NOW HIS TEACHINGS CAN BE YOUR BENEFICIARY!

As you consider how *your* life has been changed by these teachings, will you also consider creating the same opportunity for future generations?

The Mission of the **Science of Mind Archives and Library Foundation (the Archives)** is to preserve our sacred history, including irreplaceable artifacts, original handwritten manuscripts, rare books and much more, for generations of Science of Mind students. This important work can only be done with your support. You are laying the foundation for future transformation.

A cash gift today will be used to create digital copies of rare books and magazines, locate collections of important volumes and bring video and audio recordings of Dr. Holmes back to life.

A gift in your Will will be used in the future for similar programs and projects that best promote the Foundations' objectives and Mission.

THE ARCHIVES CURATORS SOCIETY

We want to sincerely thank you for your gift to the **Archives** in your Estate and Financial plans.

In gratitude, all Donors of legacy gifts will be honored as members of the **Curators Society** with a one-of-a-kind Archival gift and special recognition. We honor all requests for anonymity.

HOW DO I JOIN THE ARCHIVES CURATORS SOCIETY?

When you complete the attached commitment form indicating you have or plan in the near future to make a legacy gift, you are automatically enrolled in the Society. Legacy gifts are arranged now but realized in the future as part of your estate plans. The most common legacy gift is a Bequest of cash or property in your Will or Trust.

YOUR CHARITABLE BEQUEST

A Will is perhaps the most important document you can have. It is critical to making sure your wishes are carried out exactly as you desire. Your charitable bequest can either be Specific or Residual.

A Specific Bequest is a gift of a specific dollar amount or an asset such as personal property, real estate, a collection or an account.

Sample Specific Bequest language: "I give, devise, and bequeath to the Science of Mind Archives and Library Foundation, 573 Park Point Drive, Golden, Colorado 80401, Federal Tax ID number 56-2676731, the sum of (\$ _____) or (Specific asset such as "my personal residence located at _____"), to best promote the objectives and mission of the Foundation."

A Residual Bequest is distributed after all of your estate's expenses and specific bequests are honored. In this way you can be assured all your beneficiaries are treated fairly and your wishes are honored, no matter what the value of your estate may be.

Sample Residual Bequest language: "I give, devise, and bequeath to the Science of Mind Archives and Library Foundation, 573 Park Point Drive, Golden, Colorado 80401, Federal Tax ID number 56-2676731, (____ %) of the remainder of my estate, to best promote the objectives and mission of the Foundation."

BENEFICIARY DESIGNATIONS

The easiest legacy gift to arrange is a beneficiary designation. Simply contact your advisor or financial institution to designate the **Archives** as a beneficiary of a life insurance policy no longer needed for its original purpose, an investment, financial account or retirement fund.

If you or your attorney have any questions about arranging your Spiritual Legacy, please contact Kathy Mastroianni, Executive Director of the **Archives**, at 720-496-1361 or Kathy@scienceofmindarchives.org.
