Teen Counselors must have love for art, be energetic and friendly. Teen Counselors support the lead and art instructors by setting up/breaking down activity areas and ensure that campers are always safe and where they are supposed to be. If you love working with children and participating in all kinds of art activities, this is the perfect position for you!

ABOUT THE CAMP

Summer Art Camp is a three week, bilingual day camp for children, 6-12 years of age. This year, Summer Art Camp takes place Monday through Friday, from July 8th through July 26th with volunteer hours available between 8:00-4:30pm. Campers learn to speak Spanish in a creative, safe environment through art projects, creative experiments, Zumba & Capoeira (martial arts), storytelling, journaling, nature walks and other activities.

TEEN COUNSELOR JOB DESCRIPTION

All counselors participate in each segment of the camp and must be able to stand for long periods of time, run, jump, kneel, twist, crawl and complete all physical tasks during each segment of camp to the best of their ability. All of our counselors take on the responsibility of mentorship with campers.

Teen Counselors are efficient workers and team players. They are patient, high-energy and willing to go the extra mile to make the campers’ experience one to remember. Teen Counselors must be available a minimum of four ½ hours a day, and may work up to 40 hours per week. A commitment of two weeks is required. Teen Counselors must be able to explain concepts and procedures to children and must be able to lift and carry equipment up to 20 lbs.

Summer Art Camp Teen Counselors report to the Lead Instructor & Camp Manager.

All Summer Art Camp Teen Counselors must express:

- Desire and ability to work with children in a creative environment
- Ability to accept supervision and guidance
- Ability to assist in teaching and participate in all activities
- Good character, integrity, and adaptability
- Punctuality and dependability
- Enthusiasm, sense of humor, patience, and self-control
- Bilingual ability, or proficiency in basic, conversational Spanish
- Awareness of the impact their actions and attitudes have on campers

In addition, volunteers are expected to:

- Turn off and put away electronic devices while on duty
- Model the behavior they wish to see in the campers
