Fieldtrip FAQs

What is the rate for a tour and tour/workshop? Guided Tours: $6/visitor, Tour & Workshop: $8/visitor

How early do I need to register for a tour or workshop? We request at least a two week notice, though the best way to ensure that you will be able to visit on your preferred date/time is to book at least six weeks in advance. For Day of the Dead tours, 12-16 weeks in advance is recommended.

What does a typical field trip schedule look like? A tour only lasts approximately 60 minutes. A tour and workshop package lasts approximately 120 minutes. One hour is dedicated to a docent-led tour of the galleries, while the other hour is spent in the art studio. Groups under 30 participate in the tour for the first hour and the workshop the second hour. Groups over 30 are divided into two groups and take turns in each portion of the experience. They switch places after the first hour.

How many students can I bring on a visit? The museum can accommodate up to 60 students for a tour/workshop experience. The galleries can accommodate up to 45 students at a time for a tour alone.

How do I find out what exhibitions will be on view? Find exhibition schedules at www.molaa.org.

How many works of art will I see? Our docents practice an interactive way of talking about art, so you will probably see an average of 6 works of art while on your tour. If you would like to see more works please share this request with the docent prior to your tour.

What type of workshop will my students participate in? Art workshops are based on themes and processed found in the gallery exhibitions. Details can be found in the most current Visitor Guide.

How many chaperones are required per trip? You must bring one adult chaperone per 10 students.

What if I want to bring additional adults? You will be charged $6 per additional adult.

What do I do as a chaperone? Your role is to ensure that your group stays together and listens or participates in the activities. Simply model the behavior you would like to see in your group at all times.

Can my high school seniors act as chaperones? No, students on the trip cannot act as chaperones as this would not allow them to focus on the tour.

Will my group be able to visit the galleries on our own during our visit? A regular tour does not include a self-guided portion. If you would like to include a 10-15 minute self-guided tour within the 60 minute time frame, call our Education Department and let us know!

May my students visit the gift shop during their visit? You may visit the gift shop after your tour. The gift shop opens at 11AM. Students must be accompanied by a chaperone at all times.

What scholarships are available? Scholarships are grant based and change from year to year. To find out if your school qualifies for current scholarships, contact the Education Department.
