Partner with us to create an unforgettable NOMCON 2020!

Partner with us to create our annual gathering of the Nation of Makers at the Nation of Makers Conference (NOMCON), June 5-7, 2020 in Eugene, Oregon. In this two-day working conference we’re bringing together the breadth of the national maker community to:

- Build and nurture our strong and diverse Nation of Makers network - from grassroots maker organizations, for-profit and non-profit organizations, corporations and industries, government entities and more
- Generate robust, long-lasting collaborations, partnerships and projects that achieve more impact than any one organization could achieve on its own
- Maintain and encourage the growth of an inclusive Nation of Makers membership
- Maximize and quantify both the local and global impact of the maker movement, through the passion, creativity and diversity of the maker community

“Great things are not done by impulse, but by a series of small things brought together.”

– George Eliot
NOMCON 2020 Theme

Sustainability: Building and Supporting a Maker Ecosystem that Sustains us all

We invite your organization’s partnership in supporting our NOMCON 2020 theme, Sustainability: Building and Supporting a Maker Ecosystem that Sustains us all, as we work together to sustain and strengthen our inclusive network of maker organizations, engage our diverse maker network in deep and meaningful collaborative exchange, celebrate the continued positive impact of the maker movement, and expand the Maker network by welcoming new partnerships with extraordinary industries and organizations.

Together, we can sustain the maker movement by building an inclusive ecosystem that produces tangible projects and partnerships amongst maker organizations of all shapes and sizes, and has far reaching impacts throughout the United States and beyond. We welcome your organization to join us as we shape NOMCON 2020 - a conference geared towards leaders of maker organizations, filled with engaging dialogue, active workshops and working group sessions, and interactive exhibits.

Here’s how you can become a sponsoring partner to support NOMCON 2020, and strengthen the Nation of Makers network. We look forward to your participation.
Tier 1 Partners
Up to 2 at $50k each or 1 at $100k

You’ll receive

• Top level impact and recognition.
• Premium logo placement on print materials.
• Invitation for a representative of the organization to provide welcoming remarks, make public announcement/commitment, and/or introduce a keynote speaker during opening and/or closing plenary sessions.
• Prime selection of your Quad booth in the Exhibitors Hall.
• Twelve complimentary conference registrations.
• First pick for Conference Speaker Track Session.
• First pick for named break-out room or other gathering space, and
• First pick of named sponsor hosting official Friday or Saturday networking receptions.
Tier 2 Partners
Up to 4 at $25k

You’ll receive

• Significant impact and recognition.
• Logo placement on printed program and materials.
• Individual recognition with an invitation to make special announcement or commitment during opening and/or closing plenary.
• Second pick for Conference Speaker Track Session.
• Prime selection of your Double booth in the Exhibitors Hall.
• Six complimentary conference registrations.
• Second pick for named break-out room or other gathering space.

Tier 3 Partners
Up to 8 at $12.5k

You’ll receive

• Meaningful impact and recognition.
• Logo placement on printed program and materials.
• Group recognition during opening and/or closing plenary.
• Prime selection of your Single booth in the Exhibitors Hall.
• Three complimentary conference registrations.
• Third pick for named break-out room or other gathering space.
Conference Track Partner
6 at $10k

You will have the opportunity to
- Support track session relevance to the broader community
- Recruit talk submission (reviewed and selected by independent curators).
- Open each Ignite Talk session and introduce speakers
- Welcome attendees to the working session

You’ll receive
- Branding and recognition in printed/online program, conference notifications and announcements, and on-site in breakout room locations.
- Recognition during ongoing work facilitated by the seed-fund as well as during a Community Conference Call dedicated to sharing outcomes from the working groups.

Sustenance Partner

To enhance the overall conference experience, we want to provide attendees with breakfast, lunch and snacks. We will partner with local food and beverage makers to highlight the product diversity and farm to table focus of our community.

2 Breakfasts at $5k;
2 Breaks at $5k;
2 Lunch Partners at $10k

We invite you to support the connection between conference attendees and the local food and beverage makers as a tangible way of adding meaning to Sustainability: Creating an Ecosystem that supports us all.

You’ll receive branding and recognition in printed/online program, conference notifications and announcements, and at food locations.
Reception Partner
2 at $10k

Two evening receptions, Friday (June 5) and Saturday, (June 6), will welcome attendees and connect with community activities. These events are key social networking mixers and will have high visibility in planning and program. Each of the receptions will be hosted by a top-tier sponsor and co-hosted by a reception partner.

You’ll receive branding and recognition in printed/online program, conference notifications and announcements, and on-site at food location.

Travel and Housing Awards
3 at $6k

For those who require assistance with travel expenses or housing, we offer a number of travel awards to help defray the costs of attending NOMCON. The requesting person must submit a form. The total amount awarded depends on funds available.

You’ll receive branding and recognition in printed/online program, conference notifications and announcements, and on-site at food location.
