Alaska Zoo Mission

The Alaska Zoo is dedicated to promoting the conservation of Arctic, sub-Arctic and like climate species through education, research and community enrichment. Most animals residing at the Alaska Zoo came in need of care after being injured, abandoned or orphaned in Alaska. Others came from zoos and needed permanent homes.

Your zoo purchases, admissions, donations and memberships provide vital funding for the care of the Alaska Zoo’s animals. Your support is critical to our growth and mission. Please take a moment to visit www.alaskazoo.org to donate, shop and buy memberships online!
