Recipe for Church Inclusion:

3 Ingredients That Will Guarantee a Place
of Belonging with

Persons of Varied Abilities

Saturday, March 3, 2018, 9:00 a.m. - 3:00 p.m.

Hosted by Pointe North Church (Moncks Corner, SC)

Whether you've been in the inclusion kitchen for many years or are embarking on the journey, you are invited to taste the three ingredients that will help you include children and adults of all abilities within your congregation. During this training, you will discover how you can mix together these ingredients to create a *community of belonging* for each person within your church:

1. A biblical understanding of individuals and community;
2. A universal approach to including persons in worship and education;
3. A process to provide supports based on the gifts and needs of specific individuals.

Regardless of the role you play (whether paid or volunteer), you will discover these ingredients benefit everyone within your congregation!

Featuring Guest Speakers
