BOARD DELIBERATIONS

1. Mr. Cohen called the meeting to order at 6:45 pm. Mr. de Luna served as meeting secretary.

2. Following introductions for the first-time attendees, Mr. Cohen noted that the Nomination Committee was advancing work vetting three board member candidates, and one would be voted on this evening. To deliberate on that candidate, the board went into closed session at 6:55 pm. As a result of those discussions, and following a motion duly made and seconded, Ms. Valbrun was elected to the board by a unanimous vote. The board returned to open session.

3. After a motion duly made and seconded, the minutes of the August 26 board meeting were approved.
4. On behalf of the Admissions and Planning Committee, Mr. Ford provided an update on enrollment, noting that overall enrollment was a little below budget and that VOICE had experienced an unprecedented level of turnover. 4. New Business

BOARD DELIBERATIONS

1. Mr. Cohen called the meeting to order at 6:35 pm. Mr. de Luna served as meeting secretary. Mr. Cohen noted that the meeting via Zoom would be accepted by the State, given the COVID-19 pandemic, adding that it would be recorded and transcribed.

2. On behalf of the Admissions and Planning Committee, Mr. Ford reported that enrollment was frozen during the pandemic. The number of applications for next school year had been tracking the same as last year until the broad onset of the pandemic, at which point applications dropped off precipitously; the school ultimately received 1,103 unique applications, which reflects a decline of 27% from last year. The school's lottery took place on April 13, and enrollment and registration have begun on-line; parents can also schedule a meeting to enroll in person. Research has begun to determine which currently enrolled students may not be returning in the upcoming school year.
3. Mr. Ford led a discussion to determine the number of students to be admitted under next year's free-lunch preference. After a motion duly made and seconded, the board approved seven free-lunch preference slots.

4. On behalf of the Finance Committee, Mr. Grassey reported that VOICE and Cigna Health Care had agreed to renew the medical insurance contract, with a 10% increase. He added that VOICE had submitted an application to Citibank for a PPP small business loan and was awaiting a response. The committee was also working on the 403b plan for a handful of non-pedagogical employees. In addition, work is underway on a budget for the upcoming fiscal year that factors in the impact of the pandemic, including the possibility that the school could receive less funding from the state.

5. On behalf of the Human Resources Committee, Mr. Karp reported his committee would be meeting with the Finance Committee to discuss the impact on staff. Mr. Cohen added that ideas were welcome on how to better help students and improve the school.

6. In his Principal’s report, Mr. Headley reported on VOICE's transition to virtual education. He noted VOICE's work to provide food to students and their families in need. He reported that VOICE did not receive any help from the Charter Center in its efforts to make sure every student has a computer at home on which to do school work; VOICE nevertheless distributed as many computers as it has students. Efforts are being made to support staff, with something different every week, including exercise equipment for the home, face masks, and online streaming service. Mr. Headley added that budgetary decisions were very unsettled, and upcoming discussions by the City Council and a call with the state's three charter school authorizers would both be important to follow. He added that a return to campus was unlikely for the remainder of this school year, and planning was underway to think through preparedness for the different possible scenarios for the fall.

7. The meeting was adjourned at 7:47 pm.

4. On behalf of the Finance Committee:
Mr. Grasley presented Financial Policy and Procedure updates. Mr. McGarrigle presented May financial data and reported that expenses for the current fiscal year have run a couple hundred thousand over budget, due to COVID-19, and VOICE is applying to FEMA for reimbursement of some of those expenses. Regardless, the school will end the year with a smaller-than-budgeted surplus.

Discussion ensued on budgeting considerations and worst-case scenarios related to the COVID-19 pandemic, enrollment fluctuations, potential State budget cuts, and technological purchasing needs to support remote learning. After a motion duly made and seconded, the budget was approved.

Mr. Grasley then updated the board on expanded liability insurance coverage for the school and its directors and officers and an expanded retirement plan for school staff.

Mr. Guarini noted that the Nominating Committee strongly endorsed all four board members for new three-year terms: Mr. Doyle, Mr. Yarmick, Ms. Enlow, and Mr. Kurien. After a motion duly made and seconded, the board re-elected all four. Mr. Cohen also put forth the candidates for board officer positions: Mr. Cohen as Chair; Ms. Lamb as Vice Chair.
