WELL DONE, GOOD AND FAITHFUL SERVANT... this is what comes to my mind when I think about the Chambliss Center for Children providing services to children for over 145 years. I can't even imagine the thousands of lives that have been positively impacted by this organization since it began in 1872. The other part of that equation is the thousands of individuals and organizations that have financially supported this agency throughout those 145 years. When we first started, there was no government support, no United Way, and no foundations, just individual people (like you) with a heart to help and do good that were willing to come alongside us with financial support. You are the reason we have continued to enrich and empower thousands of children for over 145 years.

So, with 145 years of service on our record, can we relax and just continue to provide services to over 700 children/youth on a daily basis? No, the Chambliss Center for Children is continuing to grow and expand its services to serve more children and their families! In 2017, we opened three new Transitional Living duplexes, a second Thrift Store, and a new Early Learning Center in Red Bank. We received a grant from the W.K. Kellogg Foundation to help low income children and their families be more successful and to support home-based early education providers. Chambliss Center for Children is working to open another early education program, as well as expand our Transitional Living program. Our goal is to help as many children and youth as possible, but we can't do that without you!

Just as we have for the last 145 years, we look to you, our friends and supporters, to help us build strong futures for these children and their families. The holiday season is all about family. Family unity has been our mission for over 145 years, and that is our focus going forward.

Please consider being a Chambliss Center for Children partner today. May you and your family have a very Merry Christmas, a blessed holiday, and a happy and healthy New Year!
**18th Annual Tioga Golf Tournament**

Tioga continues to be a wonderful supporter of our agency. For the 18th year in a row, they hosted a very successful golf tournament benefiting our agency. The event, held at Windstone Golf Club, grossed more than $25,000, which will go to support our programs. We are grateful to our friends at Tioga, especially Don Gregory, Don Carver, and the Keiser family, for their ongoing support.

**We Have A New Website!**

We were recently selected by Make a Mark Chattanooga to receive a website re-design during their Make-a-Thon, a 12-hour design and development marathon benefiting local nonprofit and humanitarian causes. The event brought together student and professional designers, developers and other talented makers to create pro-bono work for deserving causes in an energetic 12-hour marathon. It was a fun process and we ended up with a fantastic new website. Please take a few minutes to look around at ChamblissCenter.org. Thank you to our volunteer designers (left to right) Casey Callis, Mario Ezra, Scotty Hoelsma and Crystal Henry.

**Did You Know?**

Parents in our Extended Childcare Program can only pay, on average, less than 25% of the cost of caring for their children. Therefore, we must raise the remainder of the funds needed to continue to provide affordable, high-quality care.

We are so grateful to our friends at Tioga for organizing this event every year. Pictured here presenting a check for $25,000 are, from left to right, Andy Keiser (Tioga), Harrison Keiser (Tioga), Don Gregory (Tioga), Katie Harbison (agency staff), Phil Acord (agency staff), and David Keiser (Tioga).

Above, from left to right, Billy McGinty, Ron Mudd, Mark Gan, and Scott Parrott, donated the gift cards they won back to the agency.
We commemorated our 145th Anniversary with a reception at the Chattanooga Golf & Country Club on September 7th. The event was in celebration of many milestones including the successful conclusion of a capital campaign, President & CEO Phil Acord’s 45 years of service, and the agency’s 145 years of caring for children in the community. The reception was sponsored by Board member Mark Hite and The Mark Hite Team at Keller Williams.

Current Board members, Sustaining Board members, and capital campaign donors were in attendance to hear former Board Chairman Betsy Caldwell review how the agency has built on its past, Phil Acord honor the present work of the organization, and current Board Chairman Paul Fitzgerald celebrate the projects shaping the future. Thank you to all who have supported our agency in the past. We hope for your continued support as we move forward!

Former Board Chairman Betsy Caldwell shared some of our history with attendees.

We were very happy to have so many of our friends attend this event. Pictured here, from left to right, are Marilyn Boxell, Betty Whaley, President & CEO Phil Acord, and his wife Paulette Acord.

Former Chairman Carolyn Guerry, and her husband John Guerry, were happy to celebrate the agency’s many milestones.

Volunteers & In-Kind Donations  

Our thanks to each one of you for your help in making Chambliss Center for Children the best place for children in our community! This list acknowledges those who donated time, talents, and services from July 1 - October 31, 2017. Thank you!

Volunteers  

Chris Palmer with TVA helped get the agency’s playgrounds in shape by removing weeds and spreading mulch.

TVA Day of Serving  

Thank goodness for the annual TVA Day of Serving! With a campus consisting of 17 acres and more than 90,000 square feet of building space, we depend on volunteers helping us with projects throughout the year. It was a beautiful day for the 150 highly-skilled volunteers to complete all 45 tasks on the agency’s wish list. They powered through exterior projects like cutting down trees, painting, mulching, construction projects, and striping a parking lot. Interior projects included cleaning, painting, tearing down walls, replacing ceiling tiles, installing shelving, and organizing files. They get a year’s worth of projects done in one day, and we are truly thankful!
One of our favorite days of the year is Pre-K Graduation Day. Our teachers spend their days making sure our preschoolers are Kindergarten-ready, and this special event provides them an opportunity to show off all they have worked so hard to learn. Dressed in red caps and gowns, our graduates marched in to the ceremony and stated their numbers, letters, colors, months and more. They each received a diploma to mark the occasion and their accomplishments. We were happy to have so many family members and friends, including City of Chattanooga Mayor Andy Berke join us for this very special day. We feel very privileged to play a part in the future success of our students!

We are excited to have completed Phase I of our capital campaign projects! The ribbon-cutting for the Transitional Living was held on June 27th, and our second thrift store opened in Red Bank on July 1st. On October 23rd, we opened a new early learning center in Red Bank, which will serve 60 children. We anticipate purchasing two more duplexes for Transitional Living, with plans to close by the end of the year. It will take several months to remodel, but that will bring our total Transitional Living units to 10!

Conversations are continuing with a partner to open an additional off-site child care center. This early learning center would accommodate approximately 100 more children. We are also working with an architect on drawings for the on-site expansion. It will likely take about 18 months to get plans drawn, approved, building built, and furnished, before we can begin caring for the anticipated 100 additional children, here on our main campus.

We Need Your Ride!

If you have a vehicle in working condition that you would like to see put to good use, we would love to have it. Dell Peoples (right), pictured here with agency staff Racie Hoffman, recently donated the car his daughter drove throughout school to one of the young adults in our Transitional Living program so they have reliable transportation for school and work. Please contact Racie Hoffman at 423-468-1139 or rmhoffman@chamblisscenter.org for more information.
The support and reinforcement by parents of the lessons taught by our teachers is essential in providing a solid foundation for learning. Every year, we host an Open House in an effort to keep our parents involved in their child’s education. The evening provides parents an opportunity to see their child’s classroom and visit with teachers. This year’s open house was held in October and included a chili supper prepared by our kitchen staff. It was a great night, and we appreciate the parents and staff who participated.

Kim McNabb with Stellar Therapy attended our Open House to let parents know about the services they can offer the children enrolled in our program.

All Treats, No Tricks!

For the 21st year in a row, more than 30 trick-or-treaters from Chambliss Center for Children visited TVA on Halloween to stock up on some special treats. Pre-K children, ages four and five, decked out in adorable Halloween costumes, circled through one floor of the TVA Chattanooga office complex where employees gave out candy. Following the trick-or-treating, TVA Nuclear hosted a pizza party for the children. That afternoon, a separate group of TVA employees came to our campus to give out candy to the younger children who did not go on the field trip. Each classroom paraded around to collect goodies from several costumed guests. We appreciate all that our TVA friends do for our young ones!

Teacher Allison Woodall is pictured here holding little sweet pea Jabarri.

Bryson happily accepted treats from TVA retiree Donald O’Connor (left) and TVA employee Melinda Hunter (right). Our adorable Runabouts came up to the administrative offices to Trick-or-Treat. Pictured here are, from left to right, front row, Easton, Keri and Robert. Second row, from left to right, are Eli, Avery, Aiden, Maxwell, London, Camryn, Taiyah and Ava.

Pictured here with Wonder Woman Melissa Smith are, from left to right, Shekinah, Mirah, Kendrick (back), Chloe and Ja’erick (front).

TVA employees Jennifer Affolder (left) and Barbara Suarez (right) came dressed for the occasion.

London (left) and Kyndall (right) enjoyed the pizza party TVA Nuclear hosted.
We pack the days with all kinds of fun for the children in our summer camp. And, every year Unum hosts a huge Back to School Bash to help us bring the summer program to a close, while welcoming the start of a new school year. The day includes inflatable slides, games, popcorn, face painting, pizza and more. They also stuffed more than 125 backpacks full of the required school supplies, which were given to some of the children in our program to help get them off to a great start in the new school year. It’s an exciting, fun day, and we appreciate Unum’s continued support of our agency and the children we serve.

We hosted a dessert reception for our staff in celebration of our 145th Anniversary and Mr. Phil’s 45th year with the agency. We had cupcakes, candy, cheesecake, and a chocolate fountain with all kinds of treats for dipping. Pictured here are from left to right, Telisa Jackson, President & CEO Phil Acord, Niquita Lester, Kisha Fifer (front), Chandra Crook and Stephanie Mosier. We’re so happy to have such a great group of people carrying us into the future. 145 years and still growing!

Our 3-year-olds had a nice visit recently from our friends at Summit View Senior Community. They stopped by to read some books and give some hugs. Thanks to them for spending time with our children.

Our Runabouts (below) had lots of fun learning about Wacky Weather recently with Beth Baker from the Creative Discovery Museum. They learned about fog and condensation, tested the temperature of water, measured rainfall, and experimented with a wind tunnel. This was a great hands-on learning experience!

We were very happy to have some 6th graders from Silverdale Baptist Academy visit us recently. They helped out in our Nursery, Tumbler, Runabout and Pre-K classrooms. Our kids always love when they have sweet friends like these to play with!

The youth in our Transitional Living Program came together to decorate their apartments and carve jack-o-lanterns for Halloween. Tre, pictured here, worked diligently on his creation. We love getting the young adults in this program together for socializing and support. If you want to help us do that, please sign up to contribute to Homemade Mondays. Visit the “Support” section of our website, www.chamblisscenter.org, to learn more.

We had a great visit from our friends with the W.K. Kellogg Foundation. Pictured here, from left to right, are Kinah Harrison (WKKF), Jon-Paul Bianchi (WKKF), Phil Acord (agency staff), Joelle Jede-Fontaine (WKKF), Jenefer O’Dell (WKKF), Gloria Miller (agency staff), Renee Blahuta (WKKF), Paul Fitzgerald (Board Chairman), Racie Hoffman (agency staff), and Katie Harbison (agency staff).
Financial Donations

This list of financial contributions is from July 1 - October 31, 2017. If we have omitted your name, please accept our apologies and let us know so that we may correct our records and acknowledge you in our spring newsletter.

Thanks to each of you for helping us continue our mission of working with our community's families and children.

Mr. Phil Speaks to the U.S. Chamber of Commerce Foundation

Because of his lifelong work in Early Childhood Education, and his leadership at an ever-evolving agency like ours, President & CEO Phil Acord was recently asked to serve on a panel at the U.S. Chamber of Commerce Foundation’s launch of their new initiative and report, “Workforce of Today, Workforce of Tomorrow: The Business Case for High-Quality Child Care.” He is pictured here with Jan Kruchoski, Managing Principal of CliftonLarsonAllen Search (center) and Katharine B. Stevens, Resident Scholar, Education Policy Studies, American Enterprise Institute. The purpose of the event was to examine the concept of high-quality child care as not just a necessity for working parents, but also as a critical component of America’s economy. We are so proud to be providing services that are recognized on a national level.

W.K. Kellogg Foundation Grant Update – Child Care Coaching

Do you know someone who might be interested in starting a home based childcare business? Do you know someone who is already taking care of children in their home and want to know what the next steps are to becoming licensed or would like some support? Then call our Childcare Coaches today! Thanks to a grant from the W. K. Kellogg Foundation, we have a new initiative that will recruit, mentor and support home-based childcare providers. The program will provide information, support and encouragement to help children develop optimally during the crucial early years of life. Our Childcare Coaches will provide appropriate child development information, help providers develop and hone their observation skills, and enhance the provider-child relationship. This home visitation program is free to the home-based provider, so call one of our Childcare Coaches today: Rachel Geiger at 423-682-0094 or Monica Rucker at 423-682-0107.

21 YEARS OF GOLF WITH TVA

For 21 years, the employees of TVA Nuclear have organized a successful tournament for our benefit. The two-day event took place in October at Council Fire Golf Club and Windstone Golf Club. TVA employees, especially Jennifer Affolder and Barbara Suarez, spent countless hours organizing the event and garnering the support of our wonderful sponsors. This tournament makes a tremendous difference in our ability to care for this community’s most at-risk children, and we can’t thank this dedicated group enough!

President & CEO Phil Acord (above, left) and Vice President of Special Projects Gloria Miller (right) expressed their appreciation to Mike Skaggs (second from left) and Board member and TVA employee Dan Pratt.

Elaine Steele and Chris Willingham have spent many years volunteering for this tournament.

TVA Chief Nuclear Officer Mike Balduzzi is pictured above with Jace (left) and Willow (right) from our Extended Childcare Program.

The team of Loren Monty, Joe Rastall, Russell Voigt and David Czufin were happy to take home 1st place in the tournament.
Each year the children in our Early Childhood Education Program and our Residential Program design holiday cards that are sure to bring cheer to your family and friends. This year, we have two designs to choose from, "Merry Christmas" and "Happy Holidays". If you would like us to mail these special greetings to your friends and family, simply send in a donation, along with a list of names and addresses, and we'll hand-address and post them. The wording inside the card can reflect that your donation was given in lieu of a gift or in honor of the recipient. To make us a part of your holiday, please contact Racie Hoffman (423-468-1139 or rmhoffman@chamblisscentr.org) or Katie Harbison (423-468-1122 or kcharbison@chamblisscenter.org).
