## SCHOLARSHIP PROGRAM & CONTEST

As the partners and founders of Embryos on Snow, we are proud to generate a program that recognizes leading young people who are a part of our industry. The primary goal of La Prix is to allow this sale to give back to an outstanding youth who has a dream and a goal of building a business or starting a project at the front of their young professional life. It is profound that the sharing of these genetics, that many do not have to sell, can go toward helping a program like La Prix. New this year, a total of \$20,000 in five scholarships, with the winner receiving \$10,000, first runner up \$5,000, second runner up \$3,000, and third and fourth runner-up each receiving \$1,000. This year's scholarship is made possible by the major Embryos on Snow sponsors and through the purchase of the donation lots in 2019. We appreciate the tremendous added support and help. All judging for the La Prix contest is done independently and anonymously.

# Sale Terms & Conditions

## HOW TO ACQUIRE YOUR PURCHASES

- After you, the BUYER, have made payment for your embryos or semen, the sale staff will notify the seller that your purchase has been paid in full.

- Once the embryos or semen have been paid for in full by the BUYER, they will be released in the BUYER'S name, by the SELLER, at the storage facility for the said purchase.

- It is the complete responsibility of the BUYER to call the SELLER and request shipping, or call the storage facility and extend the storage contract under your name.

- It is the complete responsibility of the SELLER to release the embryos and semen into the name of the BUYER, once they have been notified of full payment, and to arrange this understanding with the storage facility.

- The sale staff is not responsible for any semen or embryos not secured into the name of the new owner within one year of the sale.

- As a BUYER, we suggest that you make contact with the storage facility or the SELLER to make clear your intentions of shipping or leaving the embryos or semen in storage.

- **THE BUYER IS RESPONSIBLE FOR ALL SHIPPING COSTS** and/or **INSURANCE** on EMBRYOS and SEMEN.

### PLEASE NOTE

All transfer of embryos is between the buyer and the seller.

### GUARANTEE OF EMBRYO PURCHASES

The sale staff guarantees that each embryo package consists of Grade One and/or Grade Two embryos that have been frozen by a reputable source. All embryos selling are either ET or IVF direct thaw. We will guarantee Grade Two embryos just like Grade Ones and feel that the eggs we are representing are of the best quality. On behalf of the seller, we will not represent low grade embryos or embryos that are not collected through reputable facilities.

Sellers acknowledge that they understand they are responsible for guarantees made by the sale staff and that they will help take reasonable actions to insure that the buyers of their lots are satisfied with their purchases.

### SPECIAL GUARANTEE

Unless otherwise noted, sellers of embryo lots will guarantee the establishment of at least one 60-day pregnancy per three embryos transferred, if the following conditions are met:

A. The transfers must take place in the calendar year of the sale date.

B. Transfers are performed by a licensed embryologist.

C. Buyers of embryo packages that fail to establish at least one pregnancy will be given credit in next year's sale, or additional embryos from the seller from the same mating, or if the buyer chooses another of similar value.

### REFERENCES TO CLONED SEMEN

All embryos sired by semen from a clone will be referred to as sired by that sire's original name. For example, a mating listed as sired by Monopoly may be sired by original or clone semen.

- The first impression that one has when studying the shear quality, mass, and near perfect structural design that JBSF Berwick 41F possesses is simple—he is destined to be a sire of impact! The Embryos on Snow Sale has been noted for over a decade as a marketing event featuring the “best of the best.” Countless herd sires, donors, embryos, and genetic opportunities have been marketed in the ballroom of the Renaissance Denver Stapleton that have gone on to be national champions, high sellers, and individuals of true impact within their respective breed or segment of the industry. Berwick fits the bill, and we are excited to introduce one of the most dynamic Simmental AI sire prospects in recent years.
- Berwick is sired by Rocking P Legendary C918 and backed by JBSF 402B, a direct daughter of FBF Wheel Man 649W, a past National Western Stock Show Grand Champion Purebred Simmental Bull in 2012. The mating flexibility that Berwick offers is tremendous, with no Relentless, Broker, Profit, Lock N Load, or Loaded Up in his pedigree! His genuine width, squareness of build and shear athleticism position him in a league of his own.
- Berwick has the potential to make a substantial difference in the Simmental breed as a true impact sire for years to come. Two-thirds semen interest will be retained by the Bloomberg family. During the fall of 2019, 150 units of Berwick semen were merchandised privately for \$250 per unit! The initial offering of semen offered to the public will sell in Embryos on Snow. Here is your chance to get in on the ground floor of a bull that is destined to be a brand name for years to come. On January 17, 2020 after the 1/3 semen interest sells, 100 units of JBSF Berwick 41F conventional semen will sell. This may be the ONLY opportunity to acquire semen in 2020, so be sure to get in on the ground floor of a bull that will make a difference in the business! For more details, please contact Jim, Blake, or Jake Bloomberg.

Offered by: **David & Dede Ray; Jim Bloomberg 309-368-5868; Jake Bloomberg 309-368-8525; Blake Bloomberg 309-368-3648; Joe Porter**

W/C Bankroll 811D

**Dam of donor selling**  
Miss Werning KP 8543U — influential donor

**Simmental donor & dam of embryos selling** W/C RJ Miss 8543U 6102D

- **LIVE LOT B-A: Selling 50% Embryo Interest, with the option to double**
- **LOT B-B: 1 Package of 3 Embryos by SC Pay The Price unsexed**

- A special attraction to the 2020 Embryos on Snow Sale! Featuring the full sister to the \$205,000 W/C Bankroll 811D, one of the hottest purebred Simmental AI sires in the business. The dam of this powerful baldy purebred is the most predictable and highest dollar generating female in the Simmental breed, Miss Werning 8543U, who has been a repeat EOS donor dam. With nearly \$8 million in progeny sales, it only seems fitting that the predictability and generating power is in her blood. 6102D's first natural calf by BBR FX May We All 6D, a promotional sire for Brad Smith and Blind Badger Ranch, commanded \$15,000 in Smith's pasture sale.
- W/C RJ Miss 8543 6102D is a full sister to the \$205,000 W/C Bankroll 811D, who is now employed in the Double Bar D Farms program of Grenfell, Saskatchewan. The first calf crop by Bankroll included countless high sellers, led by the \$164,000 half-blood female that was bred and marketed by RJ Cattle Co. of Mitchell, SD. That Bankroll heifer was crowned Grand Champion Percentage Simmental Female at the AJSA Summer Classic, Grand Champion Percentage Simmental and Supreme Overall Female at the Simmental Breeders Sweepstakes, Grand Champion Percentage Simmental and Supreme Over All Breeds at the Iowa State Fair, and most recently Grand Champion Percentage Simmental and Supreme Grand Champion Breeding Heifer at the coveted NAILE Junior Breeding Heifer Show for Sara Sullivan.
- Maternal brothers to 6102D of influence include W/C Relentless 32C, W/C Bullseye 3046A, W/C Executive Order 8543B, W/C Executive 187B, and W/C Night Watch 84E. Maternal sisters to this tremendous female are working in top programs across North America, with the most notable being GCF Roller Girl Z24, the Yardley High Regard W242 daughter that was campaigned to countless titles by the Vickland Family of Colorado, as well as W/C Miss Angel 2870Z, a many-time champion for the Harrell Family of Illinois. Sisters are also employed in the donor pens at Rust Mountain View Ranch and Hicks Cattle Co.
- On Friday night, January 17, 2020, the opportunity will be yours to invest in the future of your program by acquiring a female that is a true difference maker and will write her own chapter in the history books!
- Sells safe in calf to PVF Blacklist 7077 (Angus 18944889), due March 22, 2020.

Offered by: **Brad Smith (712) 209-1500; John Sachau (712) 267-2200**

# IVF Cycle Selling

Embryos  
on  
Snow™

Donor: **RJ PF Rita 8288F**

W/C Bankroll 811D × EXAR Rita 5406 • Reg. 1/2 Simmental 3482861  
**2019 NAILE SUPREME CHAMPION JUNIOR HEIFER**

**Donor dam of IVF cycle selling** RJ PF Rita 8288F  
2019 NAILE Supreme Champion Junior Heifer

*A full sib pregnancy and embryos to Rita 8288F sell as Lots 2A and 2B.*

## ► LOT 1: 1 Reverse Sort Female IVF Cycle

- RJ PF Rita 8288F has been one of the most talked-about females in recent years. She was the high selling SimAngus female from the 2018 sale season and is quite possibly the highest valued half-blood of all time, commanding a record \$164,000! This is a rare opportunity to acquire genetics from one of the most successful and popular show heifers of 2019!
- Rita 8288F lived up to the expectations this fall and summer as she was selected the 2019 NAILE Supreme Champion Junior Heifer. She was also selected Supreme Champion Female at the 2019 Iowa State Fair. Rita endured a tremendous run earlier this summer in Louisville, KY, as she was named Grand Champion Percentage Simmental Heifer at the 2019 AJSA Summer Classic as well as Grand Champion Percentage Simmental at the 2019 Simmental Breeders Sweepstakes Junior and Open shows before being selected as the Knic Overpeck Supreme Champion Overall. During the fall of 2019, Rita was also selected as the 2019 American Royal Grand Champion Percentage Heifer in the Junior and Open shows.
- This powerful female is truly unique when you combine her added substance and muscle shape with structural correctness, and yet she maintains that smooth, maternal show ring design. Sullivan Farms is excited to now have Kevin Smith of KLS Farms in Chatham, LA, as a partner in this industry impacting female. We appreciate Sullivan Farms for their contributions to the Embryos on Snow Sale. A true revenue deriving opportunity here!
- **TERMS:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies. On all embryos produced above 10, buyer receives odd-numbered embryos, seller receives even-numbered embryos. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees, with all costs over 10 embryos being split odd/even between the buyer and seller. RJ PF Rita 8288F is due to calve March 2, 2020; she will be available for IVF 60 to 90 days after she calves. Buyer may choose to put embryos in their own recip cows or Trans Ova recip cows, at the buyer's expense. IVF cycle will take place at Trans Ova, Chillicothe, MO. Contact John Sullivan or Josh Elder for more details.

Offered by: **Sullivan Farms, John Sullivan; Josh Elder 402-650-1380; KLS Farms, Kevin Smith**

**Full/maternal sister to pregnancy & embryos selling**  
RJ PF Rita 8288F — 2019 NAILE Supreme Champion Junior Heifer

*Note Rita 8288F's many wins on the facing page.  
A full sib pregnancy and embryos to this many-time  
champion sell as Lots 2A and 2B.*

- **LOT 2A: Heifer Calf Pregnancy by W/C Bankroll 811D due 5/11/20**
- **LOT 2B: 1 Package of 3 Embryos sired by W/C Bankroll 811D sexed female**
- **LOT 2C: 1 Package of 3 Embryos sired by Colburn Primo 5153 sexed female**

- EXAR Rita 5406 has evolved as one of the premier Angus donors in the industry when it comes to generating not only elite Angus cattle, but composite SimAngus cattle as well. The most notable daughter of EXAR Rita 5406 is RJ PF Rita 8288F, the most talked-about SimAngus female of all time! Rita 8288F lived up to the hype and endured an extremely decorated run during the summer and fall of 2019.
- Rita 8288F was Grand Champion Percentage Simmental Heifer at the 2019 AJSA Summer Classic as well as Grand Champion Percentage Simmental at the 2019 Simmental Breeders Sweepstakes Junior and Open shows before being selected as the Knic Overpeck Supreme Champion Overall. During the fall of 2019, Rita was also selected as the 2019 American Royal Grand Champion Percentage Heifer in the Junior and Open shows. She ended the fall 2019 show season as the 2019 NAILE Supreme Champion Junior Heifer over all breeds!
- A maternal sister by W/C Relentless 32C was Division IV Reserve Champion at the 2019 NAILE and was a popular Division Champion at the AJSA Summer Classic this past summer. Rita 8288F was the high selling SimAngus female from the 2018 sale season and is quite possibly the highest valued half-blood of all time, commanding a record \$164,000!
- For the first time, RJ and Plamp Farms will offer the opportunity to purchase a full sister pregnancy due in May to the high profile Rita 8288F. Additionally, a set of full sib embryos to this popular champion will be offered along with a set of maternal sib embryos sired by Colburn Primo 5153. RJ has pulled out all the stops for the 2020 Embryos on Snow, and we greatly appreciate his willingness to open the doors on genetics of this magnitude and value. Opportunity is knocking!
- **NOTE:** Lot 2A recip cow tag number 54724 is housed at RJ Cattle Co./Plamp Farms in Mitchell, SD. Contact Ryan Johnson for details.

Offered by: **RJ Cattle Co., Ryan Johnson 605-999-5576; Plamp Farms, Chris Plamp 605-999-6014**

# Donor & 3 Embryos Selling

Donor: **Horn 6261**

In God We Trust x Horn Donor 620 (Charolais/Angus)

**FULL SISTER TO 2019 FWSS GRAND CHAMPION STEER**

**Donor selling & full sib to embryos selling** Horn 6261

**Full brother to donor & embryos selling** FWSS 2019 Grand Champion Steer

**Dam of donor & embryos selling** Horn Donor 620

- **LOT C-A: Selling 50% Interest, no option to double. Sells open and ready for embryo production. Possession will be discussed and decided by Horn Livestock and the new half interest partner.**
- **LOT C-B: 1 Package of 3 Full Sib Embryos to Live Lot C and the 2019 FWSS Grand Champion Steer**  
**NOTE: Embryo mating selling is In God We Trust x Horn Donor 620 (unsexed IVF)**

- We proudly present the full sister to the 2018 Grand Champion Steer at the Saddle & Sirloin, 2018 Grand Champion Steer at the West Texas State Fair, and the 2019 Fort Worth Stock Show Grand Champion Steer. This dynamic female is flawless phenotypically and backed by one of the most dominant females in the history of the Horn Livestock program. HL 6261 is a flush mate sister to Trust 620 and Trust Fund, the popular new herd bulls at Horn Livestock. Additionally, 620 produced the Champion Chi Steer at the 2018 Tulsa State Fair.
- Donor 620 has produced countless champions, high sellers, and individuals of impact within the Horn Livestock cow herd. The most notable accolades of 620 include the Grand Champion Market Steer at the Fort Worth Stock Show, Grand Champion Market Steer at the San Antonio Stock Show, and the Grand Champion at the San Angelo Stock Show. 620 has produced countless breed champions at every Texas major as well as breed champions in Tulsa. She has made a lasting impression as one of the dominant and consistent producing females in the business. Her daughters have been high sellers in past Horn Livestock bred heifer sales, bringing from \$15,000 to \$30,000 when offered to the general public. 620 not only produces champion caliber show steers and herd impacting bred heifers, she too has produced several herd sires that have generated at the highest level. Pump Daddy, Lovin' 620, Alley Cat, Trust 620, Red Iron, and Trust Fund would include the list of sons from the iconic 620 donor. Lovin' 620 has sired the grand steer at Dallas and several breed champions in San Antonio and Houston.
- Brandon Horn stated, "A book could be written with 10 pages of footnotes on how this cow has blessed our family, but I will not do that to you. I will just say that she has allowed us to live more comfortably in many ways!"
- 6261 is the ONLY daughter to be offered from this mating EVER. She weaned a standout May born Yellow Ben heifer calf that will follow suit. 6261 has been left open to flush and is ready for immediate ET production. Take advantage of a once-in-a-lifetime opportunity to jump on board with an astute cattleman like Brandon Horn on a female that has the capabilities, both phenotypically and genetically, to make a major impact on the business.
- The Lot B embryos selling are full sibs to the Live Lot C donor selling and to the 2019 Fort Worth Stock Show Grand Champion Steer. This embryo package is the elite of the elite in the show steer industry. We anticipate that the winning bidder will experience an efficient return on investment.

Offered by: **Horn Livestock; Brandon Horn 979-885-8188**

➤ **LOT D-A: Selling 50% Interest, with the option to double**

*If the buyer decides to double down and own 100%, Horn Livestock reserves the right to one successful flush with eight transferable embryos at the buyer's convenience and seller's expense.*

➤ **LOT D-B: 1 Package of 3 Full Sib Embryos to Live Lot D unsexed conventional**

**NOTE: Embryo mating selling is In God We Trust x Horn Donor 1419**

- We have brought you "the now"...well, here comes "the future" from Horn Livestock! Sired by In God We Trust, this female is backed by the influence of the legendary 419 donor in Anson, TX. 419 has a track record that is a mile long and includes some of the biggest wins in the business. 1419, the dam of the Live Lot and embryos selling, is a maternal sister to the 2012 FWSS Grand Champion Steer, the 2012 San Angelo Grand Champion Steer, and the 2011 Arizona National Grand Champion Steer in addition to other popular champions.
- Horn Sunshine 14 is a maternal sister to The General, a popular and proven AI sire. Horn 1419 is a Solid Gold x 419, and she is pictured above. The complete list of high sellers and champions from 419 would be too long to list on this page. 1419 is following in the footsteps of her dominant donor dam. Full sibs to this featured Live Lot and embryos have been Grand Champion Prospect Steer at the 2018 Cattle Crew Show, 2018 State Fair of Texas, and the 2018 West Texas State Fair. Another full brother to this female is the new Horn Livestock promotional AI sire, Keepin' The Faith.
- This powerful, good looking, sharp featured yellow beauty is one that has turned heads since day one with her proud presence. Her basic build is flawless with an abundance of shape and true dimension. After establishing the quality that she represents, it only seems fitting that the lineage backing her is a representation of the power and impact that 419 brings to the table. This female offers two shots of the powerful 419 matron on the top and bottom sides of her pedigree...she is bred for consistency.
- The powerful potential, consistency, and revenue generating power that this female offers are second to none. Tie hard to the opportunity to be on the ground floor of an opportunity this impactful. Females like this don't make annual payments, they make pay offs.
- The Lot B embryos selling are full sibs to the Live Lot D selling and maternal sibs to countless champions, high sellers, and promotional AI sires, such as The General. The proof is evident: 419 and her daughters are some of the most consistent and productive producing females we have ever been around. Gather these genetics up—who knows the next time Brandon will cut them loose?!

➤ **LOT 3B: 1 Package of 2 Embryos sired by NMR Maternal Made sexed female**

- Without a doubt, the most rare, exciting, and valuable opportunity that potentially has EVER sold in an Embryos on Snow sale! Reimann Ranches has been and continues to be a leader in the business, producing high caliber show steers and show heifers alike that have been high sellers, show ring champions, and individuals of major impact within the industry.
- Reimann 6/198 is undoubtedly one of the most impressive females ever to walk the pastures at Ree Heights, SD. 6/198 is sired by the \$255,000 half interest C&C McKinley 3000 Angus bull; her dam and granddam need no introduction. LDSC Miss Whiskey 30Z "2/75" was a dominant show heifer that was successfully campaigned and retired from her show career as the 2014 NWSS Grand Champion MaineTainer Female. Her granddam, JSUL Dreams Come True 846U "Kelli," was a dominant show heifer in her day, being the Supreme Champion Female at the 2009 NAILE Junior Heifer Show; now, her impact on the industry is simply unmatched within the business.
- 6/198 has done in a short amount of time what few accomplish in a lifetime. Before her untimely death, she produced the highest valued steer to ever sell in the Reimann Ranches annual pasture bid-off sale. Wade Rodgers selected and will promote a full brother to the Lot A embryos, Bear Mountain, sired by Here I Am as a new promotional bull for 2020. The only heifer born commanded \$31,000 in Reimann's pasture sale.
- This is the FIRST and LAST time that genetics will EVER be sold from the legendary 6/198 donor. Pay attention...these embryos have the potential to make a huge return on investment and have an impact on the business!

- **LOT 4B: 1 Package of 3 Embryos sired by CHOICE of Silveiras Style 9303 or NMR Maternal Made all sexed female**

- Reimann 3-020 was the resulting selection from the \$30,000 half interest Embryos on Snow “pick of the herd” from Reimann Ranches in 2018. Jesse Heimer selected this powerful daughter of I-80 that has emerged as one of the most consistent and dominant producing females on the ranch.
- 3-020 has produced countless steers and heifers that have sold from \$10,000 to \$50,000 during her short time in production. Most recently, she produced the Tag 9 steer calf that sold in the 2019 Reimann Ranches bid-off sale for over \$60,000.
- 3-020 is a massive centered, stout hipped, powerfully constructed female that has been productive, generating high caliber show steers as well as elite show heifer prospects. In 2018, one of her Monopoly steer calves made the high sellers list, selected by Dave Guyer. Her Style heifer calf was purchased by Tim Heckman as one of the high selling heifer calves.
- Her unparalleled look of quality, design, and genuine power makes 3-020 a versatile producer of both steer and heifer progeny that is capable of producing at the highest level. A special thanks to the Reimann family for their continued support and elite contributions to EOS. These are some of the most consistent and revenue deriving genetics in the business. Bid to own, you’ll be glad you did!

**DAM OF HERE I AM & OTHER TOP PROMOTIONAL AI SIRES**

**Full sib to embryos selling**

Here I Am — one of the club calf industry's most influential AI sires

► **LOT 5: 1 Package of 3 Embryos sired by Walks Alone sexed male**

- 805 is without question one of the most influential females in the club calf industry. She has stood the test of time and is a true producer who generates at the highest level. This lot comes directly from the heart of the renowned Tracy Goretska program. Not only have there been countless champions but many high sellers out of Donor 805.
- Here I Am is one of the many AI promotional sires that comes from the 805 matron. There is no denying the impact that he has had on the club calf industry. Here I Am sires major stock show champions consistently. Here I Am sired the 2018 American Royal Grand and Reserve Grand Champion Market Steers, the 2018 NAILE Grand Champion Market Steer, the 2019 NWSS Grand Champion and Reserve Grand Champion Market Steers, and the 2018 San Antonio Grand Champion. Countless state fair winners have been sired by Here I Am, including the 2018 Indiana State Fair, 2018 Ohio State Fair, and 2018 Iowa State Fair champions.
- High sellers by Here I Am include the \$165,000 steer calf sold by Mike Mimms that was a full brother to the 2019 NWSS Grand Champion Market Steer, shown by the Bland family of Texas. Here I Am consistently sires cattle that demand a premium, with progeny ranging from \$7,500 to \$75,000 from some of the top breeders in the country.
- Maternal brothers to Here I Am from the 805 donor include Fu 805, One In The Chamber, Loaded For Bear, Shoot To Thrill, Western Hauler, Honest Abe, and All in One, to name a few. 805 is also the dam of the 2013 Colorado State Fair Reserve Grand Champion Market Steer, 2014 Ak-Sar-Ben Grand Champion Market Heifer, 2014 TSA Spectacular Grand Champion Prospect Steer, and the 2016 Kansas Beef Expo Reserve Grand Champion Prospect Steer. 805 has averaged well over \$12,500 on 50-plus head. Here is your chance to invest in one of the most proven and influential matings in the club calf business!

## ► LOT 6: 1 Package of 3 Embryos sired by Made 2 Order *unsexed*

- 1OAK took the business by storm when debuted by Rodgers Cattle Co. in The Yards at the National Western Stock Show in 2018. Wade commented, "We feel this is the most unique clean bull we have ever come up with to date." His unbelievable look of quality and incredible body shape with enormous, flexible feet and unmatched hair coat make him truly One Of A Kind!
- TJLJ Emerson 720B is quickly surfacing as one of the premier donors in the business, being a versatile breeding piece that is capable of generating at the highest level. Another full sib to the embryos selling is the \$63,000 2019 Henry County Thanksgiving Classic Grand Champion, sold by Caldwell and Jones and shown by the Hendrickson family. A full sister sold this fall in the Mid-Continent Farms Top Cut Female Sale for \$11,000 for half interest. On seven head marketed, the Made 2 Order-sired calves from TJLJ Emerson 720B have averaged over \$18,000.
- Three Of A Kind is another full brother to the embryos selling and a popular promotional AI sire for Matt Lautner Cattle. A full sister was campaigned by Abi Henderson to countless victories across the country and finished her career as the 2019 Iowa State Fair Grand Champion Market Heifer.
- 720B is a new EOS donor from the Lueking family that has made a significant impact on the business. This is first time EVER that full sib embryos to 1OAK have been offered to the public!

- **LOT 7C: 1 Package of 3 Embryos sired by CHOICE of Monopoly or Here I Am all sexed male**

- "Kelli" has produced well over \$1 million in progeny sales to date and counting. She is arguably the current most decorated female in the composite business, and these will be her only embryos to sell this year! Kelli's track record is lined with many champions and high sellers.
- Kelli struck again in 2019 with a Maternal Made daughter that commanded \$60,000 in the Boyert-Core online female sale. In 2018, Kelli added to her list of success, producing two promotional AI sires. She also had a heifer calf that sold in the Reimann pasture sale for \$28,000. The Caldwell family showed a Loaded Up x Kelli during the summer of 2018 that claimed the Reserve Supreme Champion Heifer title at the Illinois State Fair.
- In 2016, a Loaded Up x Kelli heifer calf sold for \$90,500 and went on to be the Champion Percentage Simmental at the American Royal and then Grand Champion Chianina in Denver in 2017. In the fall of 2016, Reimanns had only one Monopoly calf born—a heifer that commanded \$28,500 in their September pasture sale. Reimanns had two Irish Whiskey heifer calves that averaged \$28,000 each for half interest. In the 2016 First Class Female Sale, an Irish Whiskey daughter sold for \$78,000, while a Monopoly bred heifer sold for \$43,000.
- Other champions on Kelli's list include: Reserve Grand Steer at the 2014 Ohio State Fair, 2014 Reserve Chi Steer at Tulsa, Grand Steer at the OSU AGR, 2014 NWSS Grand Champion MaineTainer Open and Junior, and Champion AOB Heifer at the 2013 NAILE, to name a few.
- We could write a book on this phenomenal donor who is unquestionably one of the most renowned cows in the business. The seller is willing to work with the buyer if they can utilize fresh IVF embryos and the transfer is convenient for both the buyer and the seller. Frozen embryos will be delivered if the transfer of fresh eggs cannot be coordinated.

- **LOT 8B: 1 Package of 3 Embryos sired by NMR Maternal Made sexed female**
- **LOT 8C: 1 Package of 3 Embryos sired by W/C Relentless 32C sexed female**

- The embryos selling are full sibs to the 2018 Kansas Beef Expo Grand Champion Steer, shown by the Vickland family, and the 2017 Reserve Grand Champion Steer at the American Royal, shown by Baylor Bonham. This is the first and only time these embryos will be for sale in 2020. The winning steer at the Expo commanded \$71,500 in the 2018 Reimann pasture sale and was noted as one of the highest selling steers of the 2018 season. Another son sold in the same pasture sale for \$30,000, and additionally many other steers were top sellers.
- Most recently, Jeff Paulsen marketed a daughter by W/C Relentless 32C in The Elite 2019 Collection of Divas & Donors. MCDK Barbara 57G commanded a \$22,000 hammer price and was mentioned as one of the most versatile females in the entire offering. A son by Monopoly was selected as the 2019 Oklahoma AGR Winter Bonanza Grand Champion Prospect Steer in Ring B.
- In 2016, Luke Doris sold a \$61,500 steer that was named Grand Champion Steer at the Sneak-A-Peek Preview and Grand Champion Steer at the Nebraska AGR, plus others. This successful calf was from 2/75's first crop of ET calves.
- 2/75 was purchased by the McLaughlin family from Nowatzke and Chad Holtkamp. Her own wins are simply too long to list, and she ended her illustrious career as Grand Champion MaineTainer Female in both the Open and Junior shows here in Denver. This female was awesome and caught the eye of Nick Reimann, who purchased half interest in her that day in Denver. These embryos are a true sale feature and will only be offered at this marketing venue. Bid with the utmost confidence with the future of your own program in mind!

Sold by Goretska Show Steers

► **LOT 9: 1 Package of 3 Embryos sired by Monopoly sexed male**

- The embryos selling are full sibs to the 2019 American Royal Grand Champion Market Steer, shown by Baylor Bonham. This will be the first time that genetics from the proven Scotten 561 donor have EVER been offered for sale to the public. The elite build, power, and high caliber look that Scotten 561 generates is simply second to none. This has been proven not once but twice, with two natural calves—both sired by Monopoly—that have created quite a stir.
- Scotten 561 is the dam of the popular yellow calf that was sold by Tracy Goretska during the fall of 2019. This young female has already endured a lustrous career, producing two steers that have averaged \$30,000. This mating to Monopoly flat works! Now in embryo transplant production, expect to see big things to come from 561 out of Nevada, MO.
- Only in Denver can embryos of this stature be available for purchase, and the Scotten family has offered up their very best to the industry!

➤ **LOT 10B: 1 Package of 3 Embryos sired by Here I Am sexed male**

- Without a doubt, this female is one of the great producing club calf cows in the industry. Proven, predictable, and profitable are the first things the come to mind when Hellbusch Yellow Jacket 180 becomes the topic of conversation. The impact that this \$100,000 valuation female has had is nothing short of impressive. During her tenure in production, her progeny have claimed these champion honors: Reserve Champion Prospect Steer, Denver 2018; Champion Prospect Steer, Sioux Empire 2018; Champion Steer, Blackout Jackpot 2018; Champion Progress Steer, 2018 Oklahoma Beef Expo; Champion Steer, 2018 Northern Exposure; Champion Market Heifer, 2016 Missouri State Fair; Champion Market Heifer, 2015 Ak-Sar-Ben; Champion Steer, Arizona State Fair 2015; and Fifth Overall Steer, 2016 Midwest Showdown.
- Other high sellers produced by 180 include high sellers at \$69,500, \$55,000, \$25,000 and many more. 180 is now approaching the half million dollar mark in sales and is one of the top club calf producing cows. In one night of online sales, 180 sold \$117,000 worth of progeny. Her progeny have sold to Goretska, Bonham, Guyer, May, Copus, Ward, Rodgers, Williams, Bradford, Grauer, and Ferguson, just to name a few.
- Here is the chance to invest in a proven mating that produced the 2018 American Royal Grand Champion Market Steer for Julia Frye. The winning bidder will have the opportunity to take either three or six embryos from this highly proven and successful mating!

**Full sib to embryos selling**  
\$77,000 high selling steer sold by Tracy Goretzka

➤ **LOT 11: 1 Package of 4\* Embryos sired by Fu Man Chu sexed male \*Guarantee 2 pregnancies**

- Thompson Show Steers is a leader in the club calf industry, consistently producing some of the most dominant show steers in the business. The embryos selling are full sibs to the \$77,000 high selling steer of the 2018 sale season, who started his career as the Third Overall Market Animal at the highly competitive Badger Kick-Off. That steer was successfully campaigned by Emma Sinclair of Iowa, as he was also selected as the 2019 Blackout Jackpot Reserve Grand Champion Steer and the 2019 Cyclone Classic Grand Champion Market Animal before capping off his show career as the 2019 American Royal Reserve Grand Champion Steer.
- X28 is one of the most consistent producing females in the entire Thompson Show Steers program. The \$77,000 steer was the natural calf of X28. In 2019, only two ET heifer calves were born, and both were retained in the herd to continue the legacy of X28. The basic build, shape, and presence that X28 offers is second to none and is what sets her apart as one of the cornerstone females at TSS.
- This mating is a prime example of power in the blood! The opportunities to purchase embryos from the Thompson program are far and few between. This is your chance to tap into the source of some of the nation's highest selling and most dominant show steers—do not miss out!

New promotional sire for Griswold Cattle — sired by Here I Am

➤ **LOT 12A: 1 Package of 3 Embryos sired by Getcha Some sexed male**

➤ **LOT 12B: 1 Package of 4\* Embryos sired by Here I Am sexed male \*Guarantee 2 pregnancies**

- Thompson 7/35 is a new and exciting female in the donor pen at Thompson Show Steers. She was the highlight and high selling female in the 2017 South Dakota pasture sales. 7/35 was IVF'd as a virgin heifer and produced three ET calves sired by Getcha Some and Here I Am. Those three calves resulted in two promotional AI sire prospects that were both purchased by Griswold Cattle to join their talented and diversified industry-leading AI sire battery. The third ET calf was a heifer sired by Getcha Some that was one of the most incredible individuals born at Thompson and Dieckmann's. The 7/35 matron had a natural heifer calf sired by Northern Improvement that will be joining the ET program for Thompson Show Steers and Dieckmann Cattle Co.
- The Lot A embryos are sired by Getcha Some, one of the most dominant young sires in the renowned Rodgers Cattle Co. sire directory. These are full sib embryos to the red hided stud that will be debuted by Griswold at the 2020 NWSS. Expect the resulting progeny from this mating to be flawless in their top shape, rib design, massive footed, big boned, and loaded with look and design. Quality counts every time, and this mating is PROVEN. This mating has resulted in a red-hided calf...red is in! The possibilities are endless.
- The Lot B embryos are sired by the tried-and-true Here I Am, the current renowned sire of major stock show champions and high sellers from coast to coast and border to border. The stout bull calf pictured is the black-hided stud that Griswold will promote. Expect consistent quality, unique stoutness, and undeniable presence in this powerful mating!
- Keep an eye open when in The Yards at the NWSS on herd bull alley for the red-hided stud at the Griswold display. This is an opportunity to acquire embryos from one of the new, rising stars in the business. There are big things to come from the 7/35 donor. Get in while you can!

➤ **LOT 13A: 1 Package of 3 Embryos sired by Man Among Boys unsexed**

➤ **LOT 13B: 1 Package of 3 Embryos sired by Monopoly unsexed**

- Consistency is key, and there is no question that the 107 Yellow Jacket donor is a true generator. What an exciting addition to the 2020 Embryos on Snow Sale from John Sachau!
- The Lot A embryos would be most widely recognized as full sibs to the 2019 Grand Champion Market Steer at the Tulsa State Fair for Kade Reininger and, most recently, to the Lot 1 bred heifer that led off the sale as one of the high sellers at \$25,000 in the historical Went Blacks Dispersion.
- The Lot B embryos offer tremendous consistency and potential as well. In 2015, a son by Monopoly was crowned Reserve Grand Champion Market Steer at the Illinois State Fair for the Guyer family. This mating also produced a \$22,000 Monopoly-sired bred heifer that was a featured lot in the Went Blacks Dispersion.
- 107 Yellow Jacket is no stranger to the bright lights. Three bred heifers from 107 averaged over \$18,000 in the recent Went Blacks Dispersion.
- If you're serious about raising high caliber show steers that will demand a premium and hang a banner at a major stock show, pay attention to these embryos. We couldn't be more excited to have 107 Yellow Jacket as a 2020 EOS donor!

- **LOT 14A: 1 Package of 3 Embryos sired by Man Among Boys unsexed**
- **LOT 14B: 1 Package of 3 Embryos sired by Made Right unsexed**

- The 2019 Oklahoma Youth Expo Reserve Grand Champion Market Steer was shown by Sadie Wynne, and many argued this calf to be one of the most impressive Hereford-marked show steers they had ever laid their eyes on! For the first time ever, frozen genetics from DEP 5081 will be made available to the public as a newly instated EOS donor.
- The Lot A embryos are full sibs to the 2019 OYE Reserve Grand Champion Steer, sired by Man Among Boys, while the Lot B embryos are maternal sib embryos sired by the undisputed sire of Hereford steer champions, bred heifers, donors, and AI promotional sire prospects, the legendary Made Right. Nearing two decades of dominance, Made Right continues to be the go-to Hereford show steer sire of choice, and no other sire comes close to producing as many Hereford champions and high sellers. The female mates to many major stock show champions are making phenomenal producers, generating the next generation of champions.
- What an exciting opportunity to acquire full and maternal sibs to one of the most impressive breed steers shown in recent times. Thank you to the Deppe family for allowing DEP 5081 to be an EOS donor!

The dam of the embryos selling, C75, is a full sister to Made to Order, Made 2 Order 2, and numerous champions and high sellers across the country. The dam of C75 is the legendary Reimann/Hurst donor "Kelli," who has produced countless high sellers, including several steers and heifers that have sold from \$40,000 to \$90,000!
- Here I Am is the sire of the Lot A embryos, making these embryos full sibs to the \$45,000 highest-valued market heifer in recent history, sold by Tracy Goretska. Her quality of build, body shape, squareness, and overall presence sets this heifer into a league of her own. At the 2019 Badger Kick-Off, she was first selected Reserve Grand Champion Market Heifer before being selected as the Fifth Overall Market Animal at one of the most prestigious winter jackpots in the country.
- The Lot B embryos are sired by In God We Trust, one of the industry's most consistent sires of quality, shape, and power. IGWT has assembled a tremendous list of high sellers and champions from operations around the country. The proof is real, and IGWT will continue to be a force in show and sale rings alike. In 2019, the Grand Champion Steer at Fort Worth was sired by IGWT and shown by the Horn family. A full brother to the embryos selling as Lot B is a yellow fall-born bull calf that is something special, to say the least. He will remain intact and will be promoted...stay tuned!
- BM C75 may be new to the EOS roster, but her dam and sisters owned by Reimann Ranches and partners are no stranger to the ballroom at the Renaissance Stapleton. The embryos selling represent the most elite genetic combinations in the industry. Embryos like these are difficult to part with and more difficult to acquire. We appreciate Brian Martin's contributions to the 2020 EOS. Only the best of the best will sell!

Offered by: **Brian Martin Show Cattle, Brian Martin 806-683-5092**

## Embryos by Here I Am & In God We Trust

Donor: **0160 "Queen"**

Milkman × The Witch Doctor × Book'em Dano  
**\$80,000 VALUATION DONOR**

**Dam of embryos selling** 0160 "Queen"

\$80,000 valuation donor and dam of high sellers

► **LOT 16: 1 Package of 3 Embryos sired by In God We Trust unsexed**

- Never before have frozen genetics from the great 0160 "Queen" donor been offered to the public. A new and exciting EOS donor from Newman Cattle Co. and Priest Genetics is the highest valued female to ever be sold in the renowned Share The Brand Sale in Eastland, TX.
- With a final hammer price of \$40,000 for half interest, 0160 has quickly proved her worth as a female that is capable of producing at the highest level. From her first year in embryo transplant production, 0160 produced three In God We Trust steers that commanded \$20,000, \$18,000, and \$10,000. She also raised a \$15,000 MAB steer to bring her average to \$15,750 on four head marketed.
- 0160 is without a doubt one of the most uniquely impressive TH-free and PHA-free females we have ever laid eyes on, and her power, build, and look have been transmitted into every calf she has produced. In 2020, Priest Genetics will feature two red-hided MAB steer calves and two red-hided Monopoly sons in their annual marketing events. A full sib bull to the embryos being offered will be left intact and will be promoted.
- Again, an exclusive opportunity to acquire genetics from two great outfits on a proven donor like this that can only be purchased in the Embryos on Snow Sale!

Offered by: **Newman Cattle Co., Kevin Newman (432) 967-3248; Priest Genetics, Laramie Priest (254) 855-2133**

**NOTE: The buyer of Lot A will have the option to double the bid and also take Lot B**

➤ **LOT 17B: 1 Package of 3 Embryos sired by NMR Maternal Made conventional embryos, unsexed**

- Meyer Fanny 267Z is a new edition to the 2020 Embryos on Snow donor lineup from Mark Ball of Missouri. The embryos being offered are full sibs to the highly popular Good As It Gets promotional AI sire for Rodgers Cattle Co. With an average of over \$11,000 on progeny born, Meyer Fanny 267Z has become a true generator!
- There is no denying the quality, uniqueness, and unparalleled potential that Good As it Gets exemplified when on display in The Yards at the 2019 National Western Stock Show. A striking baldy stud that comes from a proven and predictable cow family, he combines some of the most influential sires in the industry, with Maternal Made and Broker lining the top and bottom sides of his lineage. Good As It Gets is extremely unique in his design, as his neck comes out high at the top of his shoulder, complemented by tremendous rib shape, and offering a balanced look of quality.
- Both the male and female progeny from this mating offer tremendous value. Females from this mating have commanded \$11,000, \$9,250, \$7,500, and \$7,250.
- We thank Mark Ball for allowing us the opportunity to add Meyer Fanny 267Z to the EOS lineup, and we are confident that these embryos will make for a quick return on investment.

➤ **LOT 18B: 1 Package of 3 Embryos sired by CHOICE of Here I Am or Getcha Some all sexed male**

- ORG Donor 21Z has emerged as a truly consistent and predictable producer, producing show ring champions and averaging nearly \$7,000 on 11 head sold in 2018 and 2019.
- The embryos selling as Lot A are full sibs to the 2019 National Western Stock Show Grand Champion Prospect Steer that was shown by the Pratt family of Colorado. He was successfully shown and made the top five at several other jackpot shows, including a Fourth Overall finish at the highly competitive Blackout Jackpot in Colorado.
- In 2018, five steers out of 21Z hung banners at several shows across the country. The high selling steer in Ohio River Genetics' September 2019 sale brought \$14,000. 21Z has become a true matron that produces at the highest level. This will be the first time her genetics have been offered to the public. Thank you to Ohio River Genetics for allowing 21Z to become a member of the EOS donor lineup!

## Maternal sib to embryos selling

2018 Ak-Sar-Ben Division Champion Market Steer

## ► LOT 19: 1 Package of 3 Embryos sired by Getcha Some *unsexed*

- RL/Fair Brandi 409B is a leading donor for Blaine Rodgers and Todd Fair. This impressive donor dam is quickly building one of the most decorated and diversified resumes in the business. Progeny from 409B have been successful as prospect steers, market steers, and she has even produced a promotional AI sire, R Double Clean, a Fu Man Chu son that is now a member of the distinguished AI sire battery for Wade Rodgers.
- Brandi 409B is a flush mate sister to the Lautner promotional AI sire Dig Your Spurs In. Additionally, Brandi 409B is the dam of the highly competitive steer that was campaigned by the Vickland family to countless victories, including being named Division Champion at the 2018 Ak-Sar-Ben. Most recently, Brandi 409B produced the 2019 Badger Kick-Off Grand Champion Steer for the Runkel family. This popular prospect steer that was admired by many is sired by Getcha Some and is a full sib to the embryos selling. To date, Brandi 409B has averaged well over \$14,000 on progeny sold with calves at \$30,000, \$25,000, \$20,000, \$12,500, \$10,000, \$10,000 \$9,500, and countless sold between \$5,000 and \$7,500.
- This is a unique opportunity to acquire full sib frozen genetics to one of the most recognized prospect steers of the 2019–2020 winter show season. This is the first time that embryos from 409B have been available to the public, and it may very well be the last. Invest in proven matings and experience a quick return on your investment.

### **Daughter of BK Xceptional 001**

2017 Junior National Third Overall Maine-Anjou Heifer

## ► **LOT 20: 1 Reverse Sort IVF Cycle**

- BK Xceptional 001 has evolved as one of the Maine-Anjou breed's most decorated and important cows. Her ability to consistently generate the most elite progeny in the Morton and Buck programs year after year has become noted across the industry. In 2018, she produced the \$30,000 1/2 interest Bright Lights high selling Maine-Anjou bull, BKMT Equity. After selling to Dupree Cattle Co., Equity went on to become the 2018 NWSS Reserve Grand Champion Maine-Anjou Bull and 2018 FWSS Reserve Grand Champion Maine-Anjou Bull.
- BK Xceptional 001 has also produced several daughters that have gone on to find great success at the highest level. She is the dam of the 2018 Junior National Reserve Grand Champion Maine-Anjou Heifer and the 2017 Junior National Third Overall Maine-Anjou Heifer. 001 also produced the 2018 Tulsa State Fair Grand Champion Maine-Anjou Heifer and a \$24,000 bred heifer for Luke Doris in the 2018 First Class Female Sale that was sired by Makers Mark and purchased by Travis Otterstad. In the most recent Buck Cattle Co. Fall Premier Sale, a pair of heifer calves sired by Data Bank and from the Xceptional 001 matron commanded \$20,000 and \$10,500.
- BK Xceptional was the featured lot in the 2010 Buck Cattle Co. Fall Premier Sale, commanding \$50,000. She was successfully campaigned by Avry Wood to titles that included Grand Champion Heifer at the Fort Worth Stock Show and Grand Champion Heifer at the Oklahoma Youth Expo. The dam of Xceptional 001 is the legendary RSCC Roxbury 707L matron that has generated nearly a half million dollars in progeny sales. This is a unique genetic opportunity from the leaders in the Maine-Anjou business. The chance to produce your own high sellers and nationally competitive Maine-Anjou cattle awaits. Do not miss out!
- **Terms of IVF Cycle:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies with no cap. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees. Contact Brett Carter or Jirl Buck for more details.

Offered by: **Morton Farms; Brett Carter; Buck Cattle Co., Jirl Buck 580-795-4865**

Miss Hidden Gem 899F ET — 2019 American Royal Grand Champion  
 Maine-Anjou Heifer, Open and Junior Shows

### Maine-Anjou live lot selling

Miss Hidden Gem 899F ET

THF & PHAF

► **LOT E: Selling full interest and full possession following the 2020 Fort Worth Stock Show**

- Featuring a live lot directly from the Sullivan Farms show string! Miss Hidden Gem 899F is sired by the hottest AI sire in the Maine-Anjou registry, BOE Epic. Her unparalleled foot size, stoutness of bone work, bold body shape, and squareness of hip and pin set are what set her apart. Not only is this female feminine, balanced, and near flawless in her basic build, but her added stoutness and shape will certainly become beneficial from a generating standpoint to create the next generation of elite Maine-Anjou seedstock.
- Miss Hidden Gem has been a dominant force in the Maine-Anjou circle, as she was recently selected as the 2019 American Royal Grand Champion Maine-Anjou Heifer in both the Open and Junior shows. She was selected Third Overall Heifer at the Maine-Anjou Junior National this summer in Des Moines and was Reserve Grand Champion Female in the Junior and Open shows at the NAILE in Louisville.
- There is no denying the impact that her sire and both grandsires have made on the Maine-Anjou breed, and she is backed by a Sooner daughter on the bottom side of her pedigree. Her added dimension, presence, and maternal function give her the ability to work in multiple programs with the versatility to raise elite show heifers and show steers alike. She will be the kind of donor that will generate income year after year in large amounts.
- Miss Hidden Gem 899F sells safe in calf to 3ACES Sky Fall 9576, our Angus heifer bull, and is due to calve March 10, 2020. 3ACES Sky Fall 9576 has become the go-to sire at Sullivan Farms for calving ease on show heifers, and he is proving to have the ability to produce quality progeny that have show ring potential...he is not just another calving ease sire. It should be noted that this progeny will be eligible as a 3/8 Maine Angus, adding more value to Miss Hidden Gem's first calf to be born.
- **TERMS:** Sara Sullivan will retain show rights through the 2020 Fort Worth Stock Show. Seller retains the right to two successful flushes at the buyer's convenience and seller's expense.

Offered by: **Sara Sullivan; John Sullivan; Josh Elder 402-650-1380**

- **LOT 21B: 1 Package of 3 Embryos sired by BMW Onset unsexed**

- The Lot A embryos will offer choice of Simmental sires Broker, Relentless or Bankroll. These embryos are full or maternal sibs to the Boyert-Core \$136,000 heifer calf and another sister that sold for \$116,000 in the fall of 2018, both sired by Broker. The Relentless mating created the \$105,500 high selling female in RJ Cattle Co.'s fall 2019 online female sale. The Boyert-Core 2019 female sale featured a daughter by Onset that commanded \$45,000, a full sib to the Lot B embryos. Few embryo offerings have this much track record! Another daughter was sold in the fall of 2018 to the Effling family, sired by Pays To Believe, and was recently named Third Overall at the Down 4 the Cause Jackpot last month. In addition, another daughter, sired by Primo, was Reserve AOB in Kansas City and also Reserve Grand at the Ohio State Fair for the Lehman family.
- Tammy's dam is the famed Tamale, who has produced multiple champions and is one of the featured and most important dams in the Sullivan herd. Tammy is a full sister to multiple junior national champions and NAILE supreme champion females, plus others too numerous to mention.
- Other progeny produced by Tammy include Supreme Champion, Nebraska AGR; Fourth Overall, Hoosier Beef Congress; Reserve Overall, Kentucky Beef Expo; Fourth Overall, Illinois State Fair; Reserve Supreme, World Beef Expo; and Reserve Overall, Iowa State AGR Show, plus many others. We appreciate the inclusion of this power donor in EOS from the Boyert program!

- Red Thunder is an EOS exclusive donor who has continued her reign as one of the most dominant show heifer producing females of all time! Her most recent daughter commanded a \$65,000 hammer price in the 2019 Udell Cattle Co. The Advantage Production Sale and went on to be Calf Champion Chianina Female at the 2019 NAILE.
- The embryos selling are sibs to the highly decorated 2019 NWSS Grand Champion Prospect Heifer, 2018 Fourth Overall Heifer at the Winter Warm Up as well as Third Overall at the 2018 Badger Kick-Off, sired by Style. Another daughter, sired by Primo, was Grand at the Jordan Mack Memorial Show and sold for \$43,000 in Udell's sale during the fall of 2018.
- Other past champions produced by 9015W include: UDE Kate Spade 59D ET, sold to Whitney Walker for \$45,000 and named Champion Prospect Female, 2017 Denver; UDE Stylish Lady 9D ET, sold to Abbie Collins for \$90,000 and named Supreme Female, 2017 Scarlet and Gray, Reserve Chi, 2017 Fort Worth and Supreme Female, 2017 Ohio State Fair; UDE Moana 162E, sold to Sammi Schrag and named Champion Female, 2017 Jordan Mack Memorial; UDE She's Stylin, \$27,500 to Vada Vickland and named Fourth Overall Heifer, 2015 Denver Prospect Show, Champion Chi Female, 2015 NAILE Junior and Open shows, and Champion Chi Female, Denver 2016; UDE Chanel 39D ET, sold to the Skiles Family for \$55,000 and named Champion Female, 2016 Kansas Beef Expo; and UDE Vera 98D ET, sold to Elliston Morey and named Champion Chi, 2016 Badger Kick-Off Classic.
- If you know the Udell program, you know they have raised and sold some high dollar cattle that have gone on to win the biggest shows in the country. 9051W is a leading donor dam for Embryos On Snow, and we appreciate the Udell family and their crew for offering their very best.

2013 NWSS  
Grand Champion  
Percentage  
Simmental Female

- Hairietta is one of the most dominant producing females the industry has EVER seen. She has sold well over \$2 million in progeny sales, including bulls, females and steers. To make a complete list of her accomplishments would take an entire catalog in itself. Hairietta may be the most successful female ever in the club calf and composite producing business. The Hairietta x Broker mating sets the standard for SimSolutions and is the most consistent, high selling and winning mating of any breed.
- In 2018, her progeny included: 2018 NAILE SimSolution Champion Heifer, sired by Broker; 2018 World Beef Expo, Illinois State Fair, Kentucky State Fair and Michigan State Fair champion females, all sired by Broker; the \$140,000 high seller in Paulsen's Donors & Divas Sale; a \$50,000 female sold out of the pasture plus others sold for \$25,000 and \$19,000 in the Sullivan Maternal Legends Sale; and a \$10,000 daughter in the Tree Lane Sale. In 2017, a Broker daughter was slapped the Grand Champion SimSolution Heifer in the NAILE Junior Show. This heifer was also named Grand at Fort Worth and Houston. A sister to this champion was named the 2017 Supreme Grand Champion Heifer Over All Breeds at the Indiana State Fair.
- Hairietta has now produced the Grand SimAngus Female at Denver three times, NAILE three times and American Royal twice. She has produced champion heifers at most major beef expos and many jackpots and state fairs. High sellers produced would chart at \$190,000, \$150,000, \$140,000, \$100,000, \$86,000, \$60,000, along with several others between \$25,000 and \$45,000. We are not sure if any other cow can claim the titles that Hairietta has. We could list a lot more champions in 2017-2018. The Hairietta x Pay the Price, County O, and Bankroll matings are highly anticipated at Hara Farms this spring. Take advantage of these embryos if you want to hang a banner or be on the high seller list.
- **NOTE:** Recip cows are housed at Hara Farms in Brookville, OH. Broker recip tag 53560, Pay the Price recip tag 38550. Contact Mark or Jeff Hara for more details.

- **LOT 24B: 1 Package of 3 Embryos sired by Silveiras Style 9303 sexed female**

- Honey is a major Embryos on Snow donor dam and has racked up more wins and high sellers for her 2019 roster. Most recently, Honey raised the 2019 NAILE Reserve Grand Champion SimAngus Heifer. At the 2019 NAILE, Honey's progeny had an unbelievable show, as daughters were also Calf Champion and Reserve Fall Division Champion along with three other class winners. The Lot B embryos are sibs to the 2018 American Royal Grand Champion and NAILE Reserve Grand Champion SimAngus, sired by Style. Other siblings include the Third Overall SimSolution Heifer at the Junior National, sired by Classen, a division winner in Louisville and the impressive honor of Supreme Heifer at the Heart of It All, sired by Primo.
- In 2017, sibs to the embryos selling in this lot sold for \$65,000, \$40,000, \$21,000 and \$10,000, sired by Style, Broker and Classen. The Classen daughter was selected Reserve Grand Female in the 2017 NAILE Open SimSolution Show as a calf and was Reserve Supreme Female at the Heart Of It All in Lima, OH. To top those wins, a Style heifer was selected Calf Champion at the Keystone International. This cow continues to get it done, season after season.
- Other past successes of R007 include: Calf Champion SimSolution Heifer at the 2016 NAILE, sold for \$45,000; a \$45,000 Broker heifer was a division winner at the NWSS for Katie Mize and was champion or in the top five at 19 shows; a son, Sweet Dreams, sold in 2016 for \$100,000; and two heifers sired by I-80 both won their divisions in Louisville, one of which sold for \$60,000 to Sullivan, while the other sold for \$15,000 to Mains. All three heifer calves that Schaeffers took to Louisville out of this great donor cow in 2016 each won their respected division.
- Honey R007 has generated over \$2 million in progeny sales. Few donor dams can claim this kind of consistency.

- Bramlet Beautiful A317 needs no introduction as one of the most dominant producing Simmental donor cows in America. During the 2018–2019 season, she added a tremendous list of accomplishments to her existing resume. The most notable daughter of A317 is the E742 female, campaigned by Clint Main. Bramlets Beautiful E742 has evolved as one of the most dominant percentage Simmental females to be campaigned in recent years.
- As a heifer calf, E742 was division champion and 14th overall at the Simmental Junior National, Champion Percentage and Fourth Overall at the Indiana State Fair Junior Show, Reserve Champion Percentage Heifer at the KILE Open Show, Champion Percentage Heifer and Third Overall at the KILE Junior Show, Reserve Percentage Senior Heifer Calf Champion in the NAILE Junior Show, Champion Senior Heifer Calf in the NAILE Open Show, and Champion Percentage and Third Overall at Hoosier Beef Congress. In 2019, she created a stir in the "Mile High" city as the highly popular Grand Champion Percentage Female at the National Western. She continued her winning tradition as the 2019 Supreme Champion Overall at the Purdue AGR. E742 was the 2019 Indiana State Fair Supreme Champion Overall, along with a list of other victories. This mating to Primo works!
- The second mating offers choice to the buyer between two of the newest and most exciting Angus AI promotional sires at Schaeffer Show Cattle, SCC SCH 24 Karat and Conley No Limit. These are two highly anticipated matings to come in Hagerstown, IN, in the spring of 2020.
- Rarely do breeders let go of embryos from matings of this caliber that have enjoyed such success. We thank Tim and Emily Schaeffer and Bo Bramlet for the inclusion of this proven young donor in the 2020 EOS. Proven matings that generate champions!

# 8 Embryos Selling

Embryos  
on Snow

Donor: **JSUL Sultry 6640-2**

Heat Seeker x JSUL MA X AN 6651 • Reg. 8.78% Chianina 372785

**DAM OF TWO NAILE SUPREME CHAMPION OVERALL FEMALES**

## Maternal sib to embryos selling

JSUL Who Dat Raptor — 2017 NAILE Supreme Champion Junior Heifer

➤ **LOT 26A: 1 Package of 4\* Embryos sired by BMW Onset sexed female \*Guarantee 1 pregnancy**

➤ **LOT 26B: 1 Package of 4\* Embryos sired by BOE Epic sexed female \*Guarantee 1 pregnancy**

- The Lot A mating to Onset is a brand-new mating for the JSUL Sultry 6640 donor and her clones. Sullivan Farms had a select handful of females from this mating in their 2019 calf crop that sold very well when offered. The females from this mating that were retained by Sullivan Farms will serve as future donors for their program. The progeny from this mating have a lot of the same unique features that we have come to expect from the Who Da Man x 6640 mating. The Who Da Man x 6640 mating has had a huge impact in the industry, yielding some of the most dominant and productive donors in the country, not to mention some of the top show females to ever grace the green chips in Freedom Hall at the NAILE. JSUL Who Dat Raptor and JSUL Who Dat 1602Y were both NAILE Supreme Champion Overall Females along with being multiple State Fair Supreme Champions. Make sure to note that the Lot A embryos will be 13.26% Chianina. We know the ceiling will be extremely high and promising, with more to come from this fresh, new mating.
- The Lot B embryos are sired by BOE Epic. It should be noted that these embryos will register MaineTainer as well as 4.39% Low Chianina. This is another new mating that is showing a lot of promise for Sullivan Farms in their 2019 fall heifer calf crop. With just a handful of progeny from this elite mating on the ground, the future of these select few looks exceptional—stout featured and great structured with a cocky, cool show ring look. BOE Epic has quickly become the go-to sire in the Maine-Anjou breed, and mated to the great Sultry 6640-2, we anticipate this mating to become another great fit for these two industry leaders.
- Sullivan Farms is a leader in the seedstock and show cattle industries, and we appreciate their continuous support and participation in EOS.

Offered by: **Sullivan Farms, John Sullivan; Josh Elder 402-650-1380**

➤ **LOT 27B: 1 Package of 3 Embryos sired by CHOICE of Conley No Limit or SCC SCH 24 Karat**

- The embryos selling are full or maternal sibs to a long list of major show winners. Who Dat Lady is an EOS power cow and continues to rack up banners and high sellers. Impressively, Who Dat Lady sold right at \$600,000 worth of heifer calves in the fall of 2018 alone! One of those heifers was named Supreme at the 2018 Thanksgiving Classic and Champion Chi at the 2018 Keystone. In 2019, she produced the NWSS Grand Champion Chi for the Mize family, while a daughter by Style was selected Grand Champion Chi in Cowtown at the FWSS for Sara Sullivan.
- In the fall of 2018, Brad Smith purchased an embryo on this great donor and sold the resulting heifer calf for \$50,000 in his fall sale. Folks, embryo purchases work and can rake in the cash pretty quickly. The best donors year after year consistently produce the high sellers and champion females! As we go back even further to 2017, both the Grand and Reserve Grand heifers at the Chi Junior National were out of Who Dat 2037Z. The Grand Female, sired by Style, was shown by the Skiles family, and the Reserve Grand Female was shown by the Nikkel family. Another Style heifer was Calf Champion in Louisville in both the Open and Junior Chi shows. Additional Style daughters from this donor have sold for record-setting prices, with over three head exceeding the \$30,000 mark.
- This donor dam herself was the 2013 National Champion Chi Heifer in Louisville and also was Supreme at the Ohio AGR earlier that year. Tim has mentioned several times that he would love to see these calves and help with marketing when that time comes. You know the success of the Schaeffer program, and this is truly one of the best options they could offer.

Offered by: **Schaeffer Show Cattle, Tim & Emily Schaeffer 765-541-0738; Bo Teague 765-541-0738**

- **LOT 28B: 1 Package of 3 Embryos sired by Gateway Follow Me F163 sexed female**

- The embryos selling are sibs to the most decorated Maine Angus female of all time! MINN Styles Greatest 246E ET was the 2018 Junior National Champion Maine Angus Female, shown by Sara Sullivan. This female also won Grand Champion Heifer in the Open Show and Reserve Champion in the Junior Show at the American Royal. In addition, she was named Champion in the Junior Show and Reserve in the Open at the North American. This daughter of 9B hung a banner in every major show! She was crowned Grand Champion Maine Angus Heifer at the 2019 NWSS Junior and Open, Grand Champion Maintainer FWSS and Grand Champion Maine Angus Heifer at the 2019 Maine-Anjou Junior National with her standout baldy bull calf at side. In October 2019, she defended her title in Kansas City, where she was once again selected Grand Champion Maine Angus Heifer. Then to top it off, she finished 2019 undefeated, capturing the honors of Grand Champion MaineTainer at the North American.
- Katie 9B is a power donor at Minnaert Show Cattle. She consistently produces high sellers, and her list consists of individual females that have sold for \$37,000, \$31,000, \$20,000, \$16,000, and \$12,000. She is the dam of the promotional AI sire All on Black as well as a pair of Style sons that will be on display at the NWSS this year. She is the definition of a foundation female and has left a substantial impact on the industry.
- 9B comes from a powerful and productive line of donor dams. We appreciate the willingness Jason has to offer his very best genetics in the Embryos On Snow Sale. Pay attention to the generating power here, folks. Opportunity is knocking!

- **LOT 29B: 1 Package of 3 Embryos sired by Gateway Follow Me F163 sexed female**

- MINN Elanoar 1X is a member of the illustrious donor battery that calls Atkinson, IL, home. There is no denying the impact that her dam, the legendary JSC Katie 5S, has made on the industry. Countless daughters and granddaughters have been successful at the end of the leather lead and, more importantly, have become prominent producers.
- The Lot A embryos are full sibs in-blood to the most decorated Maine Angus female of all time, Styles Greatest 246E, who not only dominated as a bred heifer but returned to the Junior National to be crowned Grand Champion Maine Angus a second year in a row in 2019. Her other victories included Grand Champion Female at the National Western Stock Show, NAILE, and the American Royal. Styles Greatest 246E was led into the ring 11 times and remained undefeated on a national level. Elanoar 1X is a past Junior National Champion herself, being selected Grand Champion Maine-Anjou Female at the 2011 Junior National and 2011 AMAA She's A Lady Futurity. Her dam, Katie 5S, was a NWSS Reserve Grand Champion and is also the dam of promotional AI sires such as Hard Whiskey and Class on Class. Elanoar has put together an impressive resume, with progeny commanding \$38,000, \$25,000, \$20,000, \$18,000, and two at \$15,000.
- The Style x Elanoar mating produced the Supreme Champion Female at the WIU Hoof N Horn, while another heifer sired by Style was a 12-time supreme and 25-time breed champion female for the Emberson family of Oklahoma in 2019. This mating is hot and nearly impossible to beat in the show ring. Jason Minnaert has once again opened the vault, allowing us to offer the most elite genetics from his donor battery, and the Lot B Embryos by Follow Me are expected to be the best yet.

- **LOT 30B: 1 Package of 3 Embryos sired by CHOICE of W/C Relentless 32C or Profit all sexed female**

- S&S Selena 330A, affectionately known as "Emily," is the highly decorated two-time Supreme Grand Champion Heifer for Kennedy Core and family during the 2014 major show season. She was first selected Supreme in Kansas City at the American Royal and then shortly thereafter on the green chips in Freedom Hall at the NAILE.
- Emily has become a key donor and cornerstone type female for the progressive Core Farms program. She most recently produced the 2019 Illinois State Fair Reserve Supreme Champion Junior Heifer for Tyler Miller. That heifer was first named Grand Champion MaineTainer and is sired by Colburn Primo, making her a full sister to the Lot A embryos selling. Several daughters sired by BOE Epic were among the featured lots in the highly successful Boyert-Core online female sale during the fall of 2019.
- The Lot B embryos offer choice between two of the hottest purebred Simmental sires in the industry, W/C Relentless 32C and Profit. This mating will yield 3/4-blood show heifer prospects that will dual register as MaineTainers. Emily has rapidly become one of the most prominent donor cows in the industry and is one of the few females in history to have been selected Supreme Champion Female at both the American Royal and the NAILE. Elite genetics from a reputation program!

2019 Sneak-A-Peek Preview Grand Champion, Ring B & Reserve Grand Champion, Ring A

- **LOT 31A: 1 Package of 3 Embryos sired by CHOICE of Silveiras Style 9303 or Colburn Primo 5153 all sexed female**
- **LOT 31B: 1 Package of 3 Embryos sired by Made to Order unsexed**

- The embryos selling are full or maternal sibs to the 2018 Hoosier Beef Congress Supreme Champion Heifer, who was initially the high selling heifer calf in the Drew Miller program. This popular champion was sired by Style. At the 2019 Sneak-A-Peek Preview in Syracuse, NE, a daughter of SC Smilin Queen 15C was selected Grand Champion Heifer Overall in Ring B and Reserve Grand Champion Heifer Overall in Ring A.
- The Lot B embryos are sired by Made to Order and will be full sibs to the 2019 NAILE Reserve Calf Champion Chianina Heifer. This heifer calf sold for \$15,000 for half interest in the fall of 2019. Another proven mating that can produce elite show heifers or competitive steers!
- This cow family is a well noted one. The donor dam, 15C, was Reserve Grand Champion as a calf at the Indiana State Fair in 2012 and then returned in 2013 to be named Grand Champion Heifer. She was a popular champion that won many other shows and was well respected by many.
- 15C later sold for \$48,000, and the rest is history. 15C is proof that champions produce champions, time and time again. Once again, there is a lot of predictability in this lot. Buy into this donor dam with confidence. You won't go wrong here. This power cow produces champions annually!

### Full/maternal sib to embryos selling

2019 NWSS Grand Champion Percentage Simmental Junior Heifer

Steck NB Lucy 720E — sired by WS Revival

- **LOT 32A: 1 Package of 3 Embryos sired by CHOICE of WS Revival or W/C Relentless 32C all sexed female**
- **LOT 32B: 1 Package of 3 Embryos sired by Daddys Money sexed female**

- The embryos selling are full or maternal sibs to the 2018–2019 Triple Crown winning Percentage Simmental Heifer that was campaigned by Whitney Walker, Lucy 720E. 720E was the 2018 National Champion Percentage Simmental Heifer at the American Royal, the 2018 NAILE Grand Champion Percentage Simmental Heifer in the Junior Show, and the 2019 NWSS Grand Champion Percentage Simmental Heifer in the Junior Show. The WS Revival mating is proven and will result in 3/4 Simmental progeny. W/C Relentless 32C needs no introduction as one of the most dominant Simmental AI sires in history, these embryos will also result in 3/4 Simmental progeny.
- Dunk Lucy 351B is no stranger to the spotlight herself, being successfully campaigned by Jake Nikkel of Kansas. Her list of accolades is simply too long to include on a single page. The highlights of her show career include being named Supreme Champion Heifer at the 2015 Kansas Beef Expo, Fifth Overall Heifer at the 2015 Sneak-A-Peek Preview, Third Overall Heifer at the 2015 ISU AGR, and Supreme Champion Heifer at the 2015 Calkins Memorial Show. Her winning tradition has been passed down to the next generation, with Lucy 720E and Lucy 610D being her most well-known progeny to date.
- The second mating is sired by the late Daddys Money, a bull that needs no introduction for the impact he has made on the business. This mating is highly anticipated at Steck Cattle Co. and should make for a quick return on investment for the winning bidder.
- Genetics like these are hard to cut loose of when they are this consistent, this valuable, and have the potential to generate a tremendous premium. We thank Steck Cattle for allowing the public access to embryos from the great Lucy 351B.

➤ **LOT 33B: 1 Package of 3 Embryos sired by SC Pay The Price sexed female**

- The embryos are from the successfully shown 610D, daughter of the ever productive Dunk Lucy. 610D's list of champions includes Supreme Champion Female at the 2017 World Beef Expo Open and Junior shows, Champion AOB at the 2017 American Royal and Champion AOB at the 2017 North American. This cow family has a long history of winning success. 610D is a full sister to the Supreme Champion Female at the 2013 American Royal.
- Her first calf, WSCC Lucille 807F, sired by Bismarck, was Champion Commercial and Supreme Champion Female at the 2018 Down 4 the Cause and Champion AOB and Third Overall Female at the 2018 Kansas Beef Expo. One could say that this donor has a bright future, with her first natural calf winning top jackpots such as she has! The granddam of 610D, Dunk Lucy, has produced champions on all levels, including Supreme Champion at the American Royal in Kansas City a few years back.
- The Lot A embryos offer choice between the popular BMW Onset, the two-time national champion and popular son of the late Who Da Man, or the go-to sire from the Dunk and Winegardner programs, Dual Threat 305A. The Lot B embryos are sired by the purebred Simmental sensation and back-to-back National Western Stock Show Grand Champion, SC Pay The Price.
- We appreciate the inclusion of such a powerful donor dam and cow family in this lineup. A special thanks to these progressive programs!

2018 American Royal Grand Champion Percentage Simmental Heifer

- **LOT 34A: 1 Package of 3 Embryos sired by CHOICE of W/C Relentless 32C or JBSF Logic 5E all sexed female**
- **LOT 34B: 1 Package of 3 Embryos sired by W/C Bankroll 811D sexed female**

- For the first time EVER, we present genetics from the triple crown winning Steck NB Lucy 720E. There is no denying the dominance that Lucy 720E had during the fall 2018 and spring 2019 show season for the Walker family and Steck Cattle. Her captivating presence, overwhelming body dimension, and near flawless structural build are what set her apart time after time.
- Lucy 720E was the 2018 National Champion Percentage Simmental Heifer at the 2018 American Royal Open Show, the 2018 NAILE Grand Champion Percentage Simmental Heifer in the Junior Show, and the 2019 NWSS Grand Champion Percentage Simmental Heifer in the Junior Show. Her dam, 351B, needs no introduction as a proven matron that consistently raises champions, high sellers, and daughters of influence. The most notable sister to 720E is Lucy 610D, the Mamma's Boy daughter that was the 2017 NAILE and American Royal Grand Champion AOB Heifer for the Walker family.
- The matings represented in this lot are sired by W/C Relentless 32C or JBSF Logic 5E and W/C Bankroll 811D, three of the hottest purebred Simmental AI sires in the industry. Relentless has sired champions at every national show, state fair, and major jackpot in the country; his list of high sellers is simply too long to include. Bankroll is the \$205,000 stud that sired the \$164,000 half-blood heifer for RJ in his rookie calf crop that went on to be the 2019 NAILE Supreme Champion. Logic is the full brother to the 2019 AJSA Summer Classic Grand and Reserve Grand Champion Purebred Heifers. These matings will ALL result in purebred Simmental progeny for the lucky buyer. Bid with confidence, a quick ROI is to come.

- **LOT 35B: 1 Package of 3 Embryos sired by CHOICE of MINN Class on Class or Colburn Primo 5153 sexed female**

- SLIK Hera 210 has evolved as one of the new stars in the business. She is the dam of the 2019 AJCA Junior National Champion Chianina Heifer that was successfully campaigned by the Tlach family of Iowa throughout her show career. She was also selected Fourth Overall Breeding Heifer at the 2019 Cyclone Classic in Des Moines as well as Reserve Champion Chianina Heifer at the 2019 Iowa State Fair.
- 210 has been a staple in the donor pen for Rosebud Cattle Co. and continues to produce at the highest level, generating champions and high sellers. The Lot A embryos, sired by Fu Man Chu, are full sib embryos to the Tlach heifer that won the Junior National. This mating has successfully produced male and female progeny alike that have demanded a premium on the way to the backdrop.
- The second mating offers choice between the undisputed sire of champions and high sellers Colburn Primo 5153 or the TH- and PHA-free high Maine bull promoted by Jason Minnaert, Class on Class.
- Thank you to Zane Ward and the Sleichter family for allowing this powerful donor to be an EOS donor!

- The ChiAngus division at the national shows continues to grow not only in size but in popularity and quality. The young and exciting donor JHC Ms Cocky Fresh is without question a rising star in the breed. She was the 2018 NWSS Grand Champion ChiAngus Female for the Enyart family of Oklahoma.
- Lot A is sired by BMW Onset, a Who Da Man son and promotional sire bred in the Winegardner program that has taken the business by storm with use not only in the Chianina breed, but he is also experiencing tremendous use across the board on power cows of great significance. His dam is the popular Ms Rockn Ace 36U matron, who has over 80 head registered to her name and has produced countless champions and high sellers in the Winegardner program. The resulting heifer calves from this mating will be 12.46% Chianina.
- Lot B is sired by HIGG Clockwork 88C, another ChiAngus bull that is seeing extensive use. Sired by the popular Bushs Unbelievable, Clockwork was the 2016 NAILE Grand Champion ChiAngus Bull for Higgins Farms. This mating is one that is highly anticipated for the partners involved in this great female. The resulting heifer calves from this mating will be 9.94% Chianina and qualify for the ChiAngus division.

DAM OF NATIONAL CHAMPIONS

**Dam of embryos selling**

WLR Prada

► **LOT 37: 1 Package of 3 Embryos sired by Colburn Primo 5153  
sexed female**

- WLR Prada has evolved as one of the most dominant producing Limousin females in the history of the breed. Prada had an illustrious career herself as a 2012 NWSS Division Champion, 2012 Eastern Regional Junior Show Grand Champion, 2012 All-American Futurity Division Champion, 2012 NAILE Junior Show Grand Champion, 2012 NAILE Open Show Reserve Grand Champion, 2012 National Junior Heifer Show Reserve Grand Champion and 2013 FWSS Grand Champion Open Show as well as other accolades too long to list on a single page. Prada has done it all!
- Most recently, Prada produced the 2019 American Royal Grand Champion Heifer and 2019 NAILE Reserve Grand Champion Heifer for the Harris family. This dominant show heifer, SHSK Fergie 810F ET, is sired by Colburn Primo 5153. The embryos selling are full sibs to this decorated female.
- Maternal sisters to the embryos selling include the 2018 NAILE Reserve Grand Champion Heifer, 2019 NWSS Reserve Grand Champion Heifer, and 2019 FWSS Grand Champion Heifer, SHSK Elvera 710E ET, shown by the Kolterman family of Nebraska. During the 2015–2016 show season, Mason Walker campaigned a dominant daughter of Prada to countless victories. SHSK Barbara was the 2015 American Royal Grand Champion Heifer and 2015 NAILE, 2016 NWSS, and 2016 FWSS Reserve Grand Champion Limousin Heifer. In 2017, Kai Thomsen exhibited SHSK Debra Dawn ET, whose most noted win was as the 2017 FWSS Reserve Grand Champion Heifer.
- Many champions, high sellers, herd bull prospects, and breed impacting donor females have come from the famed WLR Prada female. This is the ONLY Lim-Flex mating in the entire sale. Only the ELITE sell January 17, 2020...bid with confidence!

Donor: **TR Ms Dottie 6703D ET**

M&M Outsider 4003 × TR Ms Montella 1572Y • Reg. PB Charolais EF1223178 • 2/18/2016  
2018 AMERICAN ROYAL CHAMPION CHAROLAIS FEMALE

**Donor selling & dam of embryos selling**  
TR Ms Dottie 6703D ET

- **LOT F-A: Selling 50% Embryo Interest, no option to double**
- **LOT F-B: 1 Package of 3 Embryos sired by CHOICE of TR CAG Carbon Copy 7630ET or RBM TR Rhinestone Z38 sexed female**
- **LOT F-C: 1 Package of 3 Embryos sired by CHOICE of TR Mr Diablo 2742Z ET or Sharodn Double Vision 1D sexed female**

- A true investment opportunity will sell in Lot A, as we proudly offer 50% embryo interest in the 50th Annual National Champion Charolais Female from the 2018 American Royal, TR Ms Dottie 6703D ET. Dottie continues the line of the powerful Montella family, owned by Maple Lane Farms. Montella sold in the 2019 Embryos on Snow and commanded \$39,000 for 50% embryo interest to Boyert Show Cattle.
- Montella boasts one of the most impressive records in recent history in the Charolais breed. Full sibs to Dottie have brought \$80,000, \$60,000, and multiple over \$20,000. Full sibs to the embryos selling include Sullivan's Reserve Champion Heifer at the 2017 Royal and Arthur's Reserve Champion Heifer at the 2017 NWSS. Montella 1572Y was the 44th Annual National Champion Charolais Female at the Fort Worth Stock Show.
- Dottie herself racked up plenty of banners, including 2017 Junior National class winner; 2017 Reserve Champion Charolais, South Dakota State Fair Junior Show; 2018 Champion Charolais, South Dakota State Fair Open Show; 2018 South Dakota State Fair Supreme Champion Female; and finally National Champion Female at the 2018 American Royal. This is a truly impressive female who with time will prove to be a force in the Charolais breed as a top producing donor. Thank you to the Bertsche and Hansen families for allowing Dottie to be an exclusive EOS donor! Pay attention to the earning potential that is offered in this special attraction to the 2020 Embryos on Snow. Contact Brandon Bertsche for more details.

- TR Ms Montella 1572Y was a featured Live Lot in the 2019 Embryos on Snow Sale, commanding \$39,000 for 1/2 embryo interest to the progressive Boyert Show Cattle program. Her success continues to pile up, and she's just getting started! Take a look through the long list of champions and high sellers too numerous to list in their entirety. Montella is the dam of TR Ms Dottie 6703D ET, the 2018 National Grand Champion Female who sells this year as Live Lot F and will follow in her mother's footsteps.
- Montella is the dam of TR Ms Fiona 8910 ET, 2018 Reserve National Calf Champion Female, sold to Grand Hills, Tony Jeffs and Arthur for \$30,000; Fiona 8910 ET was most recently the Reserve National Champion at the 2019 NAILE. Montella is also the dam of RR Stella ET, the \$60,000 heifer purchased by Kelton Arthur in the Reimann sale; BOY BSMT Montella 616ET, Reserve Grand Female at the American Royal, sold for \$80,000 and sired by Outsider; BRCH TR Bevins Bunny 6104, 2017 NAILE Division Champion and Reserve Division, 2017 Junior National; and the aforementioned TR Ms Dottie 6703D ET. Montella is also the dam of TR Ms Berkly 4711, the 2016 NWSS Grand Champion Charolais Heifer. The Lot 38B embryos by Turton are full sibs to the popular Denver Champion. Embryos from Berkly will also sell in the 2020 Embryos On Snow.
- Monte's first calf crop generated two heifer calves that sold for \$60,000 and \$28,000 and included the American Royal Calf Champion in 2014. Montella herself was one of the most decorated Charolais females of all time, including the National Champion Female in 2013. In 2015, Montella topped the Thomas Ranch Cow Herd Dispersion at \$105,000 to Maple Lane Farms in Indiana. This genetic contribution to EOS is your chance to invest and own a daughter of one of the breed's all-time greats!

2019 Kansas Beef Expo Third Overall Heifer

➤ **LOT 39A: 1 Reverse Sort Female IVF Cycle**

➤ **LOT 39B: 1 Package of 3 Embryos sired by M&M Outsider 4003 Pld sexed female**

- CC Carly Rae 2361 is a force in the Charolais breed as one of the most dominant and consistent producing young donors. She was the 2013 NAILE Grand Champion Charolais Heifer and 2013 South Dakota State Fair Grand Champion Charolais Heifer for Blake Sweeter and has passed down her winning ways to her progeny. In 2019, CC BS Call Me Maybe 8906 ET was arguably the most decorated Charolais heifer, shown by Jenna Tlach of Iowa. She was the 2019 AIJCA Junior National Grand Champion Charolais Heifer in Fort Worth and Grand Champion Charolais and Fifth Overall at what many acclaimed to be the most competitive state fair junior heifer show in recent years in Des Moines, IA. In the fall of 2019, she continued her winning ways by being selected Grand Champion Charolais Heifer at both the American Royal and the NAILE.
- The chance to purchase an IVF cycle on a female of this caliber does not come available very often. Not only has Carly Rae produced the three-time National Champion Call Me Maybe for the Tlach family, but she also raised the high selling Charolais heifer calf in the 2019 Boyert–Core online heifer sale, who commanded \$67,500 and was recently crowned Third Overall Heifer at the 2019 Kansas Beef Expo for Kelton Arthur. Call Me Maybe and the high selling heifer calf are full sisters to the Lot B embryos, sired by the legendary M&M Outsider.
- What an elite opportunity to invest in genetics from a proven producer of champions and high sellers! This female is a new EOS donor, and we can't thank the Sweeter and Schwecke families enough for the opportunity to add her powerful presence to the offering.
- **Terms of Lot A IVF cycle:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies. On all embryos produced above 10, buyer receives odd-numbered embryos, seller receives even-numbered embryos. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees, with all costs over 10 embryos being split odd/even between buyer and seller. For more details, contact Blake Sweeter or Kim Schwecke.

**NOTE: The buyer of Lot A will have the option to double the bid and also take Lot B**
- **LOT 40B: 1 Package of 3 Embryos sired by M&M Outsider 4003 Pld sexed female**

- These embryos are the current sweetheart of the Charolais breed, winning Supreme Heifer honors at the 2018 American Royal and Tulsa State Fair for the Arthur family. A chance to purchase embryos from this popular and proven mating is a one-of-a-kind opportunity, only found at Embryos on Snow. LJR Just A Staring 2376E ET capped off her career by being crowned Grand Champion Charolais Heifer at the 2019 National Western Stock Show.
- Not Finished Yet 1754 comes from a long line of champions and successful genetics. She is a full sib to great champions like Ivory Angel, Firegirl and Turton. The dam of 1754 is no less than the most decorated Charolais female of all time, Ms Impressive 0641.
- The success of the Outsider x Firewater x 0641 mating could possibly be the most popular and proven of any Charolais genetics. This mating is a surefire bet...the odds are pretty good here! The advertising value associated with selling full sibs to this heifer is of tremendous value as well. Don't let this opportunity get by you. Only the best from Jackson Cattle Co.!

*Note 807's many wins on the facing page.  
 Full sib embryos to this many-time champion  
 sell as Lot 41A.*

► **LOT G: Selling 50% Embryo Interest, no option to double**

- A unique opportunity to invest in the 51st National Champion Charolais Female! Produced in the progressive Boyert Show Cattle program, the dominant BOY Bree 807 Pld ET has emerged as one of the most decorated females to be campaigned during the 2019 show season.
- Her first victory was at the National Western Stock Show in 2019, where she first won the calf division and was later named Reserve Grand Champion Female in the Junior Show. She was Grand Champion Charolais Female at the 2019 Oklahoma Youth Expo shortly after her victory in Denver. At the 2019 AIJCA Junior National in Fort Worth, she continued her success by being named the 2019 Reserve Grand Champion Owned Female. In October at the Tulsa State Fair, she first won the highly competitive Charolais breed and was later crowned Supreme Grand Champion Female Overall. She capped off the 2019 fall show season by being selected as the 51st National Grand Champion Charolais Female on the green chips of Freedom Hall for Kelton Arthur.
- TR Ms Bree 4559B is the dam of the donor selling and has evolved as one of the premier matrons in the breed. She was successfully campaigned by Carter Hoge. Her granddam is the dam of the Fields heifer that was Reserve in Denver as a calf and also the dam of the heifer that the Mark Johnson family successfully showed. This female is rich in pedigree and quality. We believe she will follow in the footsteps of the prominent donors that line her pedigree. Her basic build, body shape, and elite balance set her apart. A true investment opportunity that can only be found in the Embryos on Snow Sale!
- Please contact Lance PfiEFF or Jerod Arthur for more details about this opportunity.

➤ **LOT 41B: 1 Package of 3 Embryos sired by BOY Outlier 812 ET sexed female**

- Boyert Show Cattle is one of the premier Charolais operations in the country and has experienced as much success in the last three years as any one program. BOY Bree 807 PLD ET was the 51st National Champion Charolais Heifer for Kelton Arthur and Grand Hills Cattle. Bree 807 was one of the most decorated females of the 2019 show season, and a 50% embryo interest sells as Lot G. Bree 807 was the 2019 NWSS Reserve Grand Champion heifer as a calf, 2019 OYE Grand Champion Charolais heifer, 2019 AIJCA Reserve Grand Champion Owned Heifer, 2019 Tulsa State Fair Supreme Grand Champion Heifer Overall and capped off the fall as the 2019 National Champion Charolais Female.
- TR Ms Bree 4559B was shown successfully by the Hoge family of Illinois and has evolved into one of the premier young females in the breed. The embryos selling are full or maternal sibs to the decorated BOY Bree 807 ET. This mating is absolutely one of the most proven and predictable matings that can be offered from Boyert Show Cattle.
- The Lot B embryos are sired by BOY Outlier, Reserve National Champion Charolais Bull in 2018 at the American Royal prior to being selected as the 2018 NAILE Grand Champion Charolais Bull. The dam of Outlier, TR Ms Berkly 4711B, was the 2016 NWSS Grand Champion Heifer. This mating is lined with National Champions top to bottom!
- This is a surefire opportunity to incorporate some of the most predictable genetics in the Charolais business. Expect a quick return on your investment!

Offered by: **Boyert Show Cattle, Jared 330-416-4105, Jake 330-635-6825, Clayton 330-410-4232**

2019 NAILE Grand Champion Bull

➤ **LOT 42A: 1 IVF Cycle**

➤ **LOT 42B: 1 Package of 4\* Embryos sired by CHOICE of CCC WC Redemption 7143 or TR Mr Rhinestone 4658B "Rhinestone Cowboy" all sexed female \*Guarantee 2 pregnancies**

- For the first time EVER, an IVF cycle is being offered on M&M Ms Carbine 1567! In December 2019, Carbine sold 50% embryo interest for \$43,000 in the CK Cattle Co. Proven Female Sale. She is the dam of both Outsider and Carbon Copy. Outsider is unquestionably the most dominant Charolais sire of his time and continues to compile an impressive list of champions. TR CAG Carbon Copy 7603E was the 51st National Champion Bull at the 2019 NAILE and has become one of the most talked-about bulls in the industry.
- Three of the four 2019 National Champions this year in Louisville were sired by Outsider, with Carbon Copy, another son of Carbine, being the fourth. A year ago, all four National Champions in Kansas City at the American Royal were sired by Outsider. A daughter of 1567 was named Reserve Calf Champion in the Bred-and-Owned Division of the NAILE Junior Show in 2017. Daughters of 1567 have sold for \$31,000, \$30,000, \$25,000, \$20,000 and \$14,500. The high sellers and champions sired by Outsider are becoming a list too long to print.
- Ms Carbine 1567 is an outcross donor that combines breed-leading maternal genetics in a calving-ease pedigree. She was a featured female in the Thomas Dispersion at \$67,500, where her embryos sold for \$3,000 each. Carbine is now owned by Polzin Cattle and Grand Hills Cattle. The opportunity to purchase an IVF cycle on one of the Charolais breed's most influential females is worth the trip to Denver in itself. Here is your chance to become a part of Charolais breed history!
- **Terms of Lot A IVF Cycle:** Buyer will receive a minimum of eight transferable embryos and two 60-day pregnancies with no cap. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees. Contact Chris Polzin or Lance Pfeiff for more details.

Offered by: **Polzin Cattle, Chris & Leslie Polzin 612-916-0105; Grand Hills Cattle, Lance Pfeiff 970-215-5281**

- **LOT 43A: 1 Package of 3 Embryos sired by CHOICE of TR CAG Carbon Copy 7603E or Sharodon Double Vision 1D all sexed female**
- **LOT 43B : 1 Package of 3 Embryos sired by CHOICE of M&M Outsider 4003 Pld or TR Mr Firewater 5792RET all sexed female**

- TR Ms Randi 0633X was one of the high selling lots in CK Cattle's Proven Female Sale in December 2019 when she brought a \$21,000 1/2 interest hammer price. Her flawless structural build, body dimension, and shear quality are transmitted to her progeny. In 2019, she produced the 2019 Junior National Grand Champion Bred-and-Owned Heifer and the 2019 Junior National Fourth Overall Bred-and-Owned Heifer for Cagney Effling.
- This donor dam was the talk of the Effling pasture sale for the last couple of years. Heifer calves sired by both Outsider and Firewater topped the 2017 sale, selling for \$25,000, another at \$25,000, \$17,000, \$16,000 and a steer calf for \$20,000. In 2018, additional high sellers included sale toppers at \$40,000, \$20,000 and \$15,000.
- The first set of embryos selling is a choice lot between the 51st National Grand Champion Bull at the 2019 NAILE, TR CAG Carbon Copy 7603E, the maternal brother to Outsider, or the other option is Sharodon Double Vision 1D, the 2016 Canadian Show Bull of the Year and complete outcross herd sire. The second set of embryos is a choice lot between M&M Outsider 4003 Pld, the most dominant Charolais sire of his time, or the legendary TR Mr Firewater 5792RET. Regardless of which mating you prefer, rest assured that the consistency and generating power of 0633X is simply second to none. Here is your chance to invest in some of the hottest and newest outcross genetics in the Charolais breed.

Offered by: **CK Cattle, Chris Effling 605-769-0142; Grand Hills Cattle, Lance Pfeiff 970-215-5281**

Promotional AI sire

**Full sib to embryos selling**  
2018 NAILE Calf Champion Charolais Heifer

- **LOT 44A: 1 Package of 3 Embryos sired by M&M Outsider 4003 Pld *sexed female***
- **LOT 44B: 1 Package of 3 Embryos sired by BOY Outlier 812 ET *unsexed***

- The embryos selling are full sibs to the 2018 NAILE Calf Champion and 2018 American Royal Reserve Calf Champion. Guardian 555C, the donor dam of the embryos selling, was herself the 2017 NWSS Grand Champion Charolais Female. She was a popular champion here in Denver and is proving her value with only a few calves born to date.
- The winning daughters of 555C also claimed Champion AOB in both rings at the Heart of It All and the high seller in the Effling pasture sale at \$32,000. A full brother to the Lot A mating is CAG GARW Keeping Guard 864, the 2019 AIJCA Reserve Grand Champion Charolais Bred-and-Owned Bull for Cagney Effling and Garwood Cattle; he was also a 2019 NAILE Reserve Division Champion at the 51st National Charolais Show. Keeping Guard sold in December 2019 for \$18,000.
- The Charolais genetics offered are second to none and are a part of an important, exclusive Embryos on Snow roster of donor dams. Thank you to the Effling and Garwood families for their elite contributions to EOS!

2018 NWSS Grand Champion Junior Charolais Heifer &  
Reserve Grand Champion in Open Show

► **LOT 45: 1 Package of 3 Embryos sired by RBM TR Rhinestone Z38 sexed female**

- Dory sold as a featured live lot in EOS in 2018 for \$49,000 for half interest to Grand Hills and Mike Kisner. Many have acclaimed that she is one of the most impressive Charolais females they have ever laid their eyes on. She was Grand in the Junior Show at the 2018 NWSS and Reserve Champion in the Open Show.
- In 2017, Dory 6501 won both the Junior and Open Charolais shows in Louisville, and many people will say that she was one of the best show heifers in the fall of 2017, regardless of breed!
- 5145, the maternal granddam of Dory, continually shows up in pedigrees of the best Charolais show heifers year in and year out. 5145 has been one of the most influential dams in Charolais history. The dam of Dory is also a full sister to the \$115,000 Ms Kay 30A. There is a lot of power in the blood in this pedigree!
- Embryos from donors like Dory are a rare and valuable commodity. We feel that the Charolais section of this catalog is extremely impressive, and this female ranks among the top. Thank you to the Effling family for allowing Dory to be a member of the EOS roster.

Offered by: **CK Cattle, Chris Effling 605-769-0142; Grand Hills Cattle, Lance Pfeiff; Mike Kisner**

TR PZC Mr Turton 0794 ET × TR Ms Montella 1572Y • Reg. PB Charolais EF1186561  
2016 NWSS GRAND CHAMPION CHAROLAIS HEIFER

**Dam of embryos selling** TR Ms Berkly 4711B ET  
2016 NWSS Grand Champion Charolais Female

➤ **LOT 46A: 1 Package of 3 Embryos sired by M&M Outsider 4003 Pld sexed female**

➤ **LOT 46B: 1 Package of 3 Embryos sired by TR CAG Carbon Copy 7630E ET unsexed**

- Berkly is assembling an impressive list of produce in her young productive life. She is a daughter of the famed Montella, who sold as a live lot in the 2019 EOS Sale and whose embryos sell in this year's sale. Few Charolais genetics have a past record like this cow family. These embryos are a safe bet...there is little room for error with these cattle.
- A son of Berkly sired by Outsider, named BOY Outlier 812 ET, was named Reserve Champion Bull at the 2018 American Royal 50th National Charolais Show and Champion Bull at the 2018 NAILE. Outlier was also the 2019 NWSS Grand Champion Charolais Bull. He was raised by Boyert from an embryo purchase, with interests being sold to Arthur and Henley. Berkly did it again in 2019, producing the Reserve Champion Bull at the 2019 NAILE 51st National Charolais Show. BOY Outlier 812ET Pld and BRCHE White Bear 8505 Pld ET are full brothers by M&M Outsider 4003 Pld. These back-to-back Reserve National Champion Charolais Bulls are full sibs to the Lot A embryos selling.
- A Berkly daughter sired by Outsider was named the Canadian National Champion Female in 2018, and a son was a member of the 2018 Champion Pen of Three bulls in Denver. The Lot B embryos are sired by the 2019 National Champion Charolais Bull, TR CAG Carbon Copy 7630E ET, the maternal brother to Outsider. The first calf out of Berkly was sired by 100 Proof and generated a great set of calves at Thomas Ranch. Last year she produced a heifer calf by Wrangle Up that commanded \$12,000 and was the second-high selling female in the Thomas Ranch Christmas Classic Sale.
- The Lot A mating by Outsider is one of the most proven and predictable Charolais matings in the industry, while the mating by Carbon Copy offers tremendous excitement and potential, being sired by the reigning 2019 National Champion Bull. Here is your chance to invest in genetics from one of the breed's most prolific young donors!

- **LOT 47B: 1 Package of 3 Embryos sired by Monopoly sexed male**

- This familiar face to the Embryos on Snow donor roster has stood the test of time. Mustang Sally sold as a live lot in the 2014 Embryos on Snow Sale for \$65,000 for half interest to Reimann and Brad Schnoor. She has been a sale highlight and proves herself year in and year out. Most recently, TR Ms Georgia 9933G ET, a daughter of Mustang Sally by Outsider, was selected as Calf Champion in the highly competitive National Show at the 2019 NAILE. Look for her on the Hill at the National Western Stock Show, as well as another impressive Mustang Sally daughter that will be a member of the Thomas Ranch pen in the yards.
- Mustang Sally produced the 2019 AIJCA Junior National Fourth Overall Heifer for the Hoge family of Illinois. This striking daughter by Outsider was also the Champion Charolais and Fourth Overall Heifer at the Illinois State Fair Junior Show.
- The embryos selling are sibs to the Grand Champion Steer at the 2017 South Dakota State Fair and the Grand Champion Composite Charolais at the 2016 South Dakota State Fair. There have been many other champions and high sellers out of this predictable donor. Mustang Sally is one of the most noted females of the breed and in the composite world.
- In 2018, a son sired by Monopoly sold for \$24,500 to Bonham on the Thomas pasture sale. The five Outsider x Mustang Sally heifer calves averaged over \$12,000 on the pasture sale, with the high seller going to Arthur and Lance Pfiess for \$23,500. Sally was a decorated champion herself, winning Reserve Grand Champion Charolais Female at Agribition, Reserve Grand at the Charolais Junior National and Grand Champion Charolais at the 2010 NWSS Junior Charolais Show.
- Other Sally success stories include a Monopoly heifer calf that was slapped Supreme Champion Female at the 2013 Ohio State Fair, a \$62,000 steer calf, and Champion Charolais in both the Junior and Open shows as well as Fourth Overall in the 4-H Breeding Heifer Show at the 2014 South Dakota State Fair. A son was Champion Charolais Bull at the Black Hills Stock Show and won his division at the National Show in Kansas City. Consistency is key, and this power cow continues to produce!

- **LOT 48B: 1 Package of 3 Embryos sired by BOY Outlier 812 ET sexed female**

- TR Ms Turton 3680A was purchased out of the Thomas Dispersal by the Buck and Boyert–Core programs. In her first year of production, she produced heifer calves selling for \$65,000, \$35,000, \$15,000 and \$11,500 for an average sale price on all heifers born in 2017 of \$31,625 per head! That calf crop ultimately produced the 2018 NAILE Grand Champion Charolais Female and the 2018 American Royal Reserve Grand Female in addition to many other champions. The champion female at the 2018 NAILE, full sib to the Lot A embryos selling, was admired by some of the best cattlemen of all breeds.
- 3680A is sired by the famed Turton and backed by solid Thomas Ranch genetics. Her mating to the outcross sire Outsider is a sure bet! Don't pass up an opportunity to secure this kind of mating for next year's calf crop. The second mating is sired by the 2018 Reserve National Champion at the American Royal, BOY Outlier 812 ET. Outlier was also the Grand Champion Bull at both the 2018 NAILE and the 2019 NWSS.
- Both of these matings represent the most proven and sought-after genetics in the Charolais breed. There are not many variables in genetic packages like these!

Offered by: **Buck Cattle Co., Jirl Buck 580-795-4865; Boyert Show Cattle, Jared 330-416-4105, Jake 330-635-6825, Clayton 330-410-4232**

- **LOT 51C: 1 Package of 3 Embryos sired by Here I Am *sexed male***

- TR Ms Blair 4602B is a true standout phenotypically and is one of the newest faces to the highly decorated donor battery at Polzin Cattle. Her combination of genuine mass, boldness of rib shape, and flawless feet and leg placement make 4602B such an intriguing breeding piece. She was bred at Thomas Ranch and was a leading matron in the McKay Cattle Co. Charolais division. 4602B produced the \$22,500 sale topping heifer calf sired by "Rhinestone Cowboy," making that heifer a full sister to the Lot B embryos selling.
- The Lot A embryos are sired by Outsider, the most influential Charolais sire in modern history. The Outsider x Turton mating has created several national champions in the United States and Canada over the last two years. The proof of potency is in the results that have been delivered.
- Blair 4602B's basic build, extension, and three-dimensional type make her mating to Here I Am super exciting when it comes to creating elite smoky and silver show steers. The Lot C embryos are sired by this undisputed sire of champions at every level and high selling progeny from across the continent.
- Genetics from Blair 4602B have been kept closed to the public to this point in her production. We are excited that Polzin Cattle and Caprock Charolais are willing to offer up the initial offering of frozen genetics from 4602. Thank you for allowing Blair 4602B to become an EOS donor in 2020!

➤ **LOT 52A: 1 Package of 3 Embryos sired by TR CAG Carbon Copy 7630E ET unsexed**

➤ **LOT 52B: 1 Package of 3 Embryos sired by M&M Outsider 4003 Pld sexed female**

- TR CC Ms Aubrey 3761A ET is the donor dam of the embryos selling and the dam of TR Mr Rhinestone 4658B, known as "Rhinestone Cowboy." This is the initial offering of genetics from 3761A, a past Grand Champion at the San Antonio Stock Show Junior Heifer Show. Maternal sibs to 3761A have been to the backdrop at Louisville, Kansas City, Denver, Iowa State Fair, Minnesota State Fair, and South Dakota State Fair.
- Sibs to 3761A have sold for \$38,000 and \$34,000 from Coudron Charolais. Another sister to 3761A sold for \$50,000 from the Boyert-Core online female sale a few years back to the Skiles family of Texas. She went on to be Calf Champion at the NAILE and was Fifth Overall at the Heart of It All Jackpot in Ohio.
- The Lot A embryos are sired by the 51st National Grand Champion Bull, Carbon Copy, the maternal brother to Outsider. The dam of Carbon Copy recently topped the CK Cattle Co. Proven Female Sale at \$43,000 for half interest. These genetics represent one of the first opportunities to purchase genetics sired by Carbon Copy.
- Lot B is sired by Outsider, the most influential Charolais sire in recent history. The track record of Outsider daughters in the show ring would simply be incomparable. Three of the four Charolais National Champions at the 2019 NAILE were sired by Outsider, and in 2018 all four champions at the National Show in Kansas City were sired by Outsider. There is no substitute for results—Outsider is PROVEN! Sibs to this mating have been successful at junior national shows and hold the title of Grand Champion Charolais at the Missouri State Fair. TR Ms Farrah 8917F ET was the 2019 Roll of Excellence Grand Champion for Austin Doerhoff.
- The most noted son of Aubrey 3761A is "Rhinestone Cowboy," a new and exciting promotional sire who will be featured in the 2020 EOS with his initial offering of semen to the public. Pay attention to the power in the blood here!

- **LOT 53B: 1 Package of 3 Embryos sired by KR Casino 6243 sexed female**

- FCF Proven Queen 419, "Vi," has been one of the most talked-about Angus heifers to ever show and one of the most decorated females in the Angus breed. Vi was named Grand Champion Heifer at the 2015 NAILE Open Show and claimed Grand Champion in both the Open and Junior shows at the National Western in 2016. This cow family is backed by some of the most proven genetics in the Angus breed. Some of the industry's most respected cattlemen have labeled Vi as the most impressive Angus female to ever enter the show ring.
- Most recently, FCF Proven Queen 419 produced MLA Proven Queen 803, the 2019 American Royal Reserve Grand Champion Angus Heifer for Paige Lemenager. 803 continued her success at the 2019 NAILE, where she was selected as a popular division champion.
- The embryos selling are sibs to the 2017 Heart of It All Supreme Heifer, produced from the first set of calves out of this decorated donor dam. In 2018, a heifer calf sired by Style was sold to the VanZee family for a \$70,000 valuation. The Lot B embryos are sired by the 2017 American Royal ROV Grand Champion and 2017 NAILE Reserve Grand Champion ROV Angus Bull, KR Casino 6243. Casino semen has become very difficult to acquire. The Casino x 419 mating has proven successful, producing the \$63,000 heifer calf that sold in the Boyert-Core online heifer sale in October 2019.
- The most notable son of FCF Proven Queen 419 is SCC SCH 24 Karat, the flawless Traditions of 24 stud. 24 Karat offers an incredible build, balance, and flawless structural integrity. With both his sire and his dam being named National Champions in Denver, 24 Karat is truly bred in the purple! His service is represented in several lots throughout the 2020 EOS offering.
- Vi's dam, 615, has produced countless other champions on the national, state and regional levels. The consistency behind this line of females is one for the record books. Some of the finest Angus genetics to sell in 2020!

- ELITE opportunity from Seldom Rest Farms—pay attention! The embryos selling are sibs to Seldom Rest Sandy 8018, Grand Champion Heifer at the 2019 National Junior Angus Show. Sandy 2354 is one of the most dominant producing Angus donors in the history of the Angus breed. In 2018, her daughters won Grand Champion Heifer at the 2018 National Junior Angus Show as well as Third Overall.
- In October 2019, Sandy 2354 produced the \$220,000 half interest Seldom Rest Sandy 9065, the \$170,000 half interest Seldom Rest Sandy 9010, the \$110,000 Seldom Rest Sandy 9080, the \$36,000 Seldom Rest Sandy 9050, and the \$35,000 Seldom Rest Sandy 9068, making over a half million dollars in progeny sales in 2019 alone! The embryos are also maternal sibs to the \$172,500 half interest female sold in the Seldom Rest Farms sale in Michigan to the Coleman family in 2018.
- Other maternal sisters to the embryos selling include S Sis Sandy 920, who sold half interest for \$60,000 to Sydney Schnoor. 920 was named Reserve Grand Champion Bred-and-Owned Heifer at the 2015 Junior National. Seldom Rest Sandy 7083, sold for \$60,000 for half interest to Ashley Cox, was named Intermediate Champion at the 2018 Western National Angus Futurity and NJAS. Seldom Rest Sandy 5086 sold for \$80,000 for half interest to Sydney Schnoor and was named Reserve Grand Champion Bred-and-Owned at the 2016 NJAS, Grand Champion at the North American Open Angus Show and Grand Champion Cow/Calf, 2017 NJAS. Seldom Rest Sandy 7038 sold for \$100,000 for half interest to Kathryn Coleman; this daughter was Grand Champion at the 2018 Eastern Regional Junior Angus Show and Grand Champion at the 2018 National Junior Angus Show.
- The donor dam, Sandy 2354, was herself Grand Champion Bred-and-Owned at the 2013 NJAS. Year in and year out, we try our hardest to offer the very best show heifer genetics, and here they are! Thanks to the Foster family for their contribution to the 2020 Embryos on Snow Sale and offering their very best. This will be your only chance in 2020 to buy these embryos. The sky is the limit here!

**Full/maternal sib to embryos & pregnancy selling**

BCII Wrigley 0516 2017 \$100,000 EOS feature

**Full/maternal sib to embryos & pregnancy selling**

\$50,000 Style x Sandy 905 from 2019 sale season

➤ **LOT 55A: 1 Package of 3 Embryos sired by Silveiras Style 9303 sexed female**

➤ **LOT 55B: 1 Heifer Pregnancy by CHOICE of Silveiras Style 9303 or EXAR Classen 1422B due February 2020**

- Only three Style x Sandy 905 embryos will be offered in 2020 because of the extremely low inventory on hand. BCII Show Cattle, the Cunningham family, will also offer a heifer calf pregnancy by choice of either Style or Classen. This is a HUGE money making opportunity here!
- The embryos and pregnancy selling are full sibs to the Reserve Grand Heifer in the 2017 National Western Junior Angus Show plus many other winners and high sellers for BCII Show Cattle. Additional champions out of Sandy 905 include Reserve Division I Angus at the Hoosier Beef Congress; Reserve Grand, 2018 Indiana Preview Open Show; division champion at the NJAS; and Third Overall heifer at the 2018 Indiana State Fair, sired by Style. 905 produced the overall high point heifer on the IJBCA show circuit as well. The daughters of Style out of Sandy 905 are now in production and racking up their own records. The proof of the success in these daughters makes this cow one of the most productive in the breed when it comes to dollars sold. The most recent Style x 905 daughter, pictured, commanded a \$50,000 hammer price in the fall 2019 sale season.
- In the fall of 2017, Sandy sold seven heifer calves by Style for \$57,750, \$53,500, \$49,000, \$43,500, \$16,000, \$8,000 and \$7,500, to average an astonishing \$33,000. Two heifer calves by Classen were also sold for \$23,000 and \$16,500 to average \$19,750. In the fall of 2017, this great donor dam generated \$287,500 on 10 calves. In Sandy's first ET crop, she produced the Supreme Champion Heifer at the 2015 Hoosier Beef Congress and Purdue AGR. Amazingly, the Reserve Supreme at the Purdue AGR was also a full sib to the Supreme. Another sister to the embryos selling was named Division III Champion at the National Junior Angus Show in 2016, she went on to be slapped Supreme Champion Heifer at the 2016 Wisconsin State Fair. 905 produced five heifers in 2016 that grossed over \$200,000, all five were shown successfully. In the fall of 2016, her heifer calves averaged \$27,000, with the top heifer selling for \$41,500.
- Sandy 905 is a full sister to the famous Schnoor Sandy 804. Special thanks to the BCII crew for making Sandy an annual EOS exclusive donor!
- **NOTE:** Recip cows are housed at BCII Show Cattle in Sheridan, IN. Contact Jake Cunningham for more details. Tag 128 – Style; Tag 137 – Classen.

► **LOT 56: 1 Heifer Calf Pregnancy by Colburn Primo 5153 due 2/6/2020**

- It is without hesitation that we believe this may be one of the most elite genetic opportunities to ever be offered in an Embryos on Snow Sale. The resulting heifer calf will be a full sister to the \$100,000 half interest promotional AI sire that sold in the 2019 sale, SSF On Point. Another notable full sib to the pregnancy selling is Colburn Annie Lu 8079, the \$140,000 heifer calf that was the 2018 Hoosier Beef Congress Reserve Supreme Heifer. Every person who has purchased frozen genetics from this matron has reaped the rewards of her genetic potency!
- Full sib promotional AI sires to Plum Creek Annie Lu 4472 include the renowned Plum Creek Paradox, the \$125,000 Plum Creek Refresh, and the \$100,000 Plum Creek Hara's Bold Leader. Annie Lu 4472 endured a decorated show career for the Core family of Iowa prior to becoming a leading donor within the Angus industry. Her most notable win would be her Third Overall finish at the 2015 Iowa State Fair.
- Annie Lu 4472 has produced in excess of \$500,000 in progeny sales and continues to produce the great ones! She has averaged over \$40,000 on progeny sold to date. This is a HUGE opportunity to invest in one of the absolute most consistent producing Angus females of her time. There is no refuting the predictability of this legendary cow family. A special thank you to Dr. Matt Anderson for offering this rare genetic opportunity to the buying public.
- **NOTE:** Recip cow tag number 740880, housed at Plum Creek Angus, just north of Algona, IA. Contact Matt Anderson for more details.

promotional AI sire

- **LOT 57A: 1 Package of 3 Embryos sired by Gambles Hot Rod sexed female**
- **LOT 57B: 1 Package of 3 Embryos sired by Colburn Primo 5153 sexed female**

- Annie Lu 6087 is one of the greatest Angus show cattle donors the breed has known. These sexed heifer embryos will produce full sisters to proven leaders and champion sires, like the widely popular Plum Creek Paradox, the \$125,000 Plum Creek Refresh, and the \$100,000-valued Hara's Bold Leader. Her most notable daughters include Annie Lu 4472, Annie Lu 361C, and the \$40,000 daughter that sold in the Sullivan Farms Maternal Legends Sale.
- Full sisters to these embryos include Boyert-Core's amazing Annie Lu 4472 "Josie" donor that was a dominant show ring winner before producing calves like Sunrise Sunset Farm's \$200,000-valued son, On Point, and his \$140,000 full sister raised at Colburn Cattle—both from embryo purchases. Another full sister to these embryos was Supreme Champion Female at the 2014 Minnesota State Fair and Reserve Grand at the 2014 NAILE ROV Angus Show for Luke Nord.
- Paradox has sired a string of dominant winners recently, including the Hara Farms Angus heifer that sold for \$72,500 to Kathy Lehman, as well as Sara Sullivan's Paradox daughter that was Grand Champion MaineTainer at the 2018 National Western Open Show and Chi Junior Show, the 2017 NAILE Open and Junior MaineTainer Shows, and Reserve Supreme Female at the 2017 Iowa State Fair. Another Paradox daughter, shown by the Curtain family in Iowa, was the Reserve Supreme Champion Female at the 2016 Iowa State Fair, while the previously mentioned "Josie" was Third Overall Female of the 2015 Iowa State Fair for the Core family.
- Annie Lu 6087 is a household name across the industry for obvious reasons. Pay close attention to the revenue deriving potential that can be gained from this embryo offering. A quick return on investment will be in your near future!

- **LOT 58B: 1 Package of 3 Embryos sired by S&R Roundtable J238 sexed female**

- The tradition of Embryos On Snow shines through in this lot! In 2019, a full brother in-blood, SSF On Point, commanded a \$100,000 half interest hammer price. A full sister was the \$140,000 sale topping female for Colburn Cattle and went on to be the 2018 Hoosier Beef Congress Reserve Supreme Champion Heifer. These embryos are sibs to the 2019 high selling open Angus heifer in the renowned Flash & Function Sale, where she brought an impressive \$55,000! A daughter by First Class sold for \$51,000, and a daughter by Insight sold for \$47,000.
- Annie Lu 361C is no stranger to the spotlight...she was the 2014 Minnesota State Fair Supreme Champion Heifer in the Junior and Open shows as well as the 2014 NAILE Reserve Champion Angus Heifer in the Junior Show. Her list of accomplishments in the show ring is simply too long to print. Annie Lu 361C is a member of the famed Annie Lu 6087 tribe, one of the most dominant producers in the breed.
- Full sibs to Annie Lu 361C include the widely popular Plum Creek Paradox, the \$125,000 Plum Creek Refresh, and the \$100,000-valued Hara's Bold Leader. Her most notable sister would be the Boyert/Core and Plum Creek Annie Lu 4472, the dam of the \$100,000 SSF On Point.
- There is no denying the potency and predictability of this legendary cow family. Thank you to the progressive breeders behind the great Annie Lu 361C for allowing her to join the Embryos on Snow roster in Denver!

2017 NWSS Reserve Grand Champion Junior Angus Heifer

► **LOT 59: 1 Package of 3 Embryos sired by Kramers Enforce 5006 sexed female**

- BCII Sandy 0215, affectionately known as "Roxi," is one of the most impressive young Angus donors in the country. She is the widely popular Style x Sandy 905 daughter that is a member of one of the most successful flushes in the history of the Angus breed. Roxi produced the 2019 NJAS Third Overall Bred-and-Owned Heifer for Evan Henning. She also raised two division champions in the owned show that are maternal sibs to the embryos selling.
- In the fall of 2017, Sandy sold seven heifer calves by Style for \$57,750, \$53,500, \$49,000, \$43,500, \$16,000, \$8,000 and \$7,500 to average an astonishing \$33,000. 905 produced five heifers in 2016 that grossed over \$200,000, and all five were shown successfully. In the fall of 2016, her heifer calves averaged \$27,000, with the top heifer selling for \$41,500. Roxi is a full sister to the \$100,000 half interest EOS promotional sire "Wrigley."
- Roxi assembled an incredible list of accolades to include Reserve Grand Champion Heifer, 2017 NWSS Junior Show; Reserve Late Junior Champion Heifer Open and Junior shows, 2016 NAILE; Champion Junior Yearling Division II, 2016 NJAS; Supreme Champion Heifer, 2016 Wisconsin State Fair Junior and Open shows; Reserve Supreme Heifer, 2016 WLBA Junior Show; Champion Owned Heifer, 2016 Wisconsin Junior Angus Show; Reserve Champion Heifer, 2016 Wisconsin State Show; Champion Late Junior Yearling Division, 2016 SW Angus Show; and class winner, 2016 NWSS and 2016 Eastern Regional.
- In the fall of 2019, Roxi put together an impressive resume, as she produced a \$40,000 heifer calf sired by Kramers Enforce 5006. Additionally, a Broker daughter sold in Paulsen's Divas and Donors Sale for a \$50,000 hammer price.
- We couldn't be more excited to have this powerful Angus donor on the 2020 EOS roster from an operation that consistently raises the great ones.

➤ **LOT 60B: 1 Package of 3 Embryos sired by SCC SCH 24 Karat sexed female**

- The embryos selling are sibs to one of the most decorated Angus females of the 2018–2019 show season, FCF Phyllis 770, successfully campaigned by Tucker Bayer. Phyllis 770 was the Fourth Overall and Senior Division Champion at the 2019 NJAS, 2018 Supreme Female at the World Beef Expo ROV Open Show and Minnesota Beef Expo, Supreme Grand Champion 2019 All-American Angus Breeders' Futurity, 2018 Division Champion at the National Junior Angus Show and Reserve Division at the NAILE ROV Open Show. Also in 2019, another daughter of 051 endured a successful run for Lauren Wolter.
- FCF Phyllis 840 was the Third Overall and Champion Angus at the 2019 Illinois State Fair Junior Heifer Show, Division Champion at the 2019 NAILE Junior Show, Division Champion at the 2019 American Royal Open and Junior shows, Reserve Division Champion at the 2019 NWSS Junior Show, Reserve Division Champion at the 2019 All-American Futurity ROV Open Show, and countless other victories too long to list!
- Two additional daughters of 051 were Reserve Grand at the Atlantic National in 2015; one went on to be Reserve Grand in the NAILE Junior Show for the Grimes family. Also in 2015, another full sister was Reserve in her division in Kansas City and is the famous 423 Donor for Stertzbach and Scheetz and the mother of Sullivan's Fifth Overall Heifer at the NJAS this summer—her embryos are highlighted in this catalog as well.
- In 2017, 051 produced another daughter that was Reserve Supreme at the WIU Hoof & Horn. 051 herself was Division Champion at the NWSS ROV Open Show and the NWSS Junior Show. This cow family is well noted for the champions and high sellers that have been produced. In fact, a daughter of 051, FCF Phyllis 532, by First-N-Goal, raised a Style heifer for Udell Cattle Co. that sold for \$115,000 in their annual sale to Kinnick Paulsen. She was Supreme Champion Female at the Sneak-A-Peek Preview in Nebraska. Several other members of the Phyllis cow family were division and reserve division champions at the 2019 NJAS in Louisville, KY. Consistent Angus genetics are hard to come by, and this cow offers tremendous quality in spades. Another EOS exclusive donor dam!

2018 National Junior Angus Show Fifth Overall Owned Heifer

**Granddam of embryos selling**  
SCC SCH Phyllis 423 — sired by Dameron First Class

► **LOT 61: 1 Package of 4\* Embryos sired by Colburn Primo 5153 sexed female**  
*\*Guarantee 1 pregnancy*

- SCC SCH Phyllis 741 was the 2018 NJAS Fifth Overall Owned Heifer for Sara Sullivan. The legacy that Phyllis 741, her dam, Phyllis 423, and her granddam, Phyllis 051, will leave on the Angus breed is monumental. The dam of 741, Phyllis 423, has had a strong showing at the Angus Junior National the last two years.
- SCC SCH Phyllis 890, a full sister to the dam of the embryos selling, was recently selected as Champion Division IV Heifer at the 2019 NAILE and was a division champion at the NJAS this past summer, while another full sister, SCC SCH Phyllis 750, was Division V Champion at the 2018 American Royal.
- Granddam 423, affectionally known as "Charli," is the young and productive female that has proven she is a big league producer. In 2018, she produced six heifer calves that topped the sales list for Stertzbach Cattle Co. Those heifer calves sold for a total valuation of \$60,000 to \$100,000.
- The dam of SCC SCH Phyllis 741 is nearing the \$1 million mark for progeny sales. We expect 741 to follow in the footsteps of the Phyllis tribe when it comes to producing elite Angus show heifers and sale topping individuals within the industry. This is the first time EVER that Sullivan Farms has offered genetics from this rising star to the public!

## **Dam of IVF cycle selling** Nords Lucy 8022

2019 American Royal Champion Angus & Supreme Champion Junior Heifer; 2019 National Junior Angus Show Reserve Grand Champion Owned Heifer

### ► **LOT 62: 1 Reverse Sort Female IVF Cycle**

- Nords Lucy 8022 is one of the most talked-about Angus females in the industry! She has been successfully campaigned by the Stagemeyer family of Nebraska to countless victories during her decorated show career. Her most noted accomplishments would include being named the 2019 American Royal Grand Champion Angus and Supreme Champion Female Overall in October 2019. This past summer, Nords Lucy 8022 was selected as the 2019 NJAS Reserve Grand Champion Owned Female in Louisville, KY.
- A full sister to Nords Lucy 8022 was Supreme Champion Female at the 2018 Wisconsin State, Division Champion at the Eastern Regional, and Reserve Division Champion at the Atlantic National for the Henning family. The dam of 8022, PVF Lucy 1125, was a dominant show heifer and has become a powerful donor for Luke Nord and his family.
- Nords Lucy 8022 is a truly unique female phenotypically that was admired by all during her many trips to the backdrop. This will be the **FIRST** time that genetics from this highly decorated National Champion Angus female are offered to the public. The right to purchase a reverse sort female IVF cycle on the reigning American Royal Supreme Champion will sell exclusively in the 2020 Embryos on Snow Sale! This genetic opportunity will put any program on the fast track to success—get on board!
- **Terms:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies. On all embryos produced above 10, buyer receives odd-numbered embryos, seller receives even-numbered embryos. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees, with all costs over 10 embryos being split odd/even between the buyer and seller. For more details, please contact Brent or Miles Stagemeyer.

- **LOT 63B: 1 Package of 3 Embryos sired by CHOICE of Conley Express 7211 or 5T Power Chip 4790 all unsexed**

- PVF Lucy 1125 is the dam of the 2019 NJAS Reserve Champion Owned Heifer and the 2019 American Royal Champion Angus and Supreme Champion Overall! For the first time, embryos from this powerful Nord donor will be offered in the Embryos on Snow Sale. Nords Lucy 8022 is a dominant show heifer for the Stagemeyer family in Nebraska. The Lot A embryos are sired by Colburn Primo 5153, making them full sib embryos to the dominant Lucy 8022.
- The Lot B embryos are sired by your choice of the popular Conley Express 7211, a new and exciting sire that averaged \$29,500 on over 30 head sold at public auction in the fall of 2019, or the second option for the Lot B embryos is another popular Conley herd sire, 5T Power Chip 4790.
- Lucy 1125 also produced the 2018 Wisconsin State Angus Show Grand Champion Heifer as well as a division champion at the Eastern Regional and a reserve division champion at the Atlantic National for the Henning family. Thank you to Luke Nord and his family for allowing this exciting genetic opportunity to be offered in the 2020 Embryos on Snow Sale. This is a dominant mating that will yield BIG results!

\$140,000 Big  
Event second  
high selling  
heifer calf

► **LOT 64: 1 Heifer Calf Pregnancy sired by  
Conley Express 7211 due 2/14/2020**

- The pregnancy selling is a full sib to many champions and high sellers. We are pleased to represent the leading donor dam Frontier Gal and the Express program in Embryos on Snow. This pregnancy is a full sister to the \$100,000 EXAR Frontier Gal 1179 that was purchased in the 2019 Express Ranches Big Event. Other maternal sisters that sold in 2019 include EXAR Fronter Gal 1299, sold for \$40,000 to Sydney Johnson of Oklahoma. Granddaughters of 1405 have been among the high sellers list, led by EXAR Frontier Gal 1309, who topped the open show heifer division to Sara Sullivan in 2019 for \$140,000. At the 2019 NJAS, EXAR Frontier Gal 2057 was named Fifth Overall Owned Heifer for Alexis Koelling.
- Other progeny of 1405 include the \$150,000 high selling heifer from the EXAR Big Event that was the 2017 NAILE Calf Champion for the Walker family; the \$140,000 high seller from the Big Event that was the 2017 NAILE Reserve Calf Champion for the Sullivan family; a \$130,000 heifer sold to the West family in Texas; the Division II Champion Owned Heifer at the NJAS; EXAR Rock Star 7844B, who sold half interest for \$105,000 in the 2018 Express Sale; the 2018 Iowa Beef Expo Champion Angus Female and Top 5; the 2018 Iowa State Fair Champion Angus Female and Top 5; and a \$86,000 heifer calf sold in the fall 2018 Express Big Event.
- 1405 was an elite show heifer herself, claiming titles at the biggest ROV Angus shows in her time. She has been a phenomenal producer, selling 10 heifer calves for an average of \$63,000 per head. This pregnancy is sired by the sensational Conley Express 7211, who is featured in the 2020 Embryos on Snow as a semen sire. His rookie calf crop averaged \$29,500 on over 30 head sold at public auction, with high sellers bringing \$170,000, \$160,000, \$150,000, \$100,000, \$80,000 and countless between \$10,000 and \$30,000. What a great and valuable opportunity here!
- **NOTE:** Recip cow tag number 622D, housed at Express Ranches, Yukon, OK. Contact Express Ranches for more details.

► **LOT 65: 1 Package of 3 Embryos sired by Silveira Hara The Show 5000 sexed female**

- THE END OF AN ERA! Ladies and gentlemen, the last embryos from the legendary Angus matriarch Sara's Dream S609 will be offered in the 2020 Embryos on Snow Sale—do not miss out! This beloved donor female has passed, leaving behind a monumental legacy within the Angus breed who has generated in excess of \$3 million in actual progeny sales. Her daughters have continued the tradition, producing progeny that have sold for an average of over \$45,000 per head...the proof is real!
- Direct daughters have sold for as high as \$137,500 and \$75,000 for half interest, with countless daughters selling from \$10,000 to \$50,000. S609's most noted daughters include Silveiras Saras Dream 1339, the legendary dam of CCC Saras Dream 5116, the 2017 NWSS Grand Champion Angus Heifer, 2016 American Royal Supreme Champion Overall Heifer, 2016 NJAS Grand Champion Owned Heifer and 2016 Indiana State Fair Supreme Champion Overall Heifer, to name her major accolades. 1339 is also the dam of the highly popular Angus AI sire of champions and high sellers Colburn Primo 5153. Other winners include Colburn Saras Dream 5082, another full blood sister to this pick who was Supreme Champion Female at the 2016 Illinois State Fair, Reserve Champion Female at the 2016 All-American Breeders' Futurity, Supreme Champion at the 2016 Illinois Spring Showdown and Division Champion at the 2016 NJAS as well as a plethora of other wins.
- Silveiras Saras Dream 2335 is another prolific daughter of S609, the 2013 American Royal ROV Grand Champion Angus Heifer. 2335 has produced countless champions and high sellers for the Silveiras Bros. program. The other daughter of S609 that is pictured is Silveiras Saras Dream 3345, the 2015 NWSS Reserve Grand Champion Angus Heifer for Shayne Myers of California. 3345 sold for \$75,000 for half interest to Churchill after her victory in Denver and has become a leading donor, producing countless high sellers for Hoffman Ranch and Churchill Cattle Co.
- These last embryos from S609 are sired by the \$150,000 Silveira Hara The Show 5000, a top Style son, making these embryos 3/4 sibs to the countless high sellers and champions noted above, including Primo's dam. Tie hard to an elite opportunity from the reputation Silveiras Bros. program!

Offered by: **Silveira Bros., Darrell Silveira, Rick Blanchard 559-217-1502, Garrett Blanchard 559-978-2778**

Donor: **KDJ Queen Ruth 502**

PVF Insight 0129 × KDJ Queen Ruth • Reg. Angus 18300155

**PAST NAILE CHAMPION & DAM OF HIGH SELLERS**

**Dam of embryos selling** KDJ Queen Ruth 502  
2016 NAILE Reserve Grand Champion Junior Angus Heifer

**Maternal sib to embryos selling**  
2018 NJAS Reserve Grand Champion  
Owned Heifer

- **LOT 66A: 1 Package of 3 Embryos sired by EXAR Blue Chip 1877B sexed female**
- **LOT 66B: 1 Package of 3 Embryos sired by KR Casino 6243 sexed female**

- KDJ Queen Ruth 502 is the leading matron at Udell Cattle Co. when it comes to consistently putting the good ones on the ground. Queen Ruth 502 was a dominant show heifer for Maddy Udell in 2016. She was the 2016 NAILE Reserve Grand Champion Angus Heifer. Shortly after her show career came to a close, her time to shine was now in production. In October 2017, a heifer calf by SMA Watchout 482 topped the Angus division at \$50,000. That heifer went on to be successfully campaigned by Shayne Myers of California to the title of Reserve Grand Champion Angus Heifer at the 2018 NJAS in Madison, WI.
- The 2019 high selling lots from KDJ Queen Ruth 502 include Lot 1 by EXAR Blue Chip 1877B, commanding \$135,000, the Lot 2 female by Conley Express 7211 at \$16,500, and the KR Casino 6243 at \$13,000. On eight heifer calves sold in 2019, Queen Ruth averaged an impressive \$24,000!
- The Lot A embryos selling are sired by Blue Chip, making them full sibs to the \$135,000 sale topping female that is absolutely incredible...be sure to look her up in Denver at the Udell Cattle Co. stalls. The second embryo lot is sired by the 2017 American Royal Grand Champion and 2017 NAILE Reserve Grand Champion Bull, KR Casino 6243. These embryos are full sibs to the \$13,000 heifer that was purchased by Willie Weis of Iowa.
- The Udell family and their crew always offer up their very best. Here is your shot to select a set of embryos from one of the premier Angus show heifer producing females in the business. Raise your next show ring champion, donor dam, or six-figure sale prospect. These matings work!

Offered by: **Udell Cattle Co., Bret, Becky & Maddy Udell 712-251-2527;**  
**Mitchell, Hannah & Brecken Udell 712-899-7485**

- **LOT 67A: 1 Package of 3 Embryos sired by Silveiras Style 9303 sexed female**
- **LOT 67B: 1 Package of 3 Embryos sired by S&R Roundtable J328 sexed female**
- **LOT 67C: 1 Package of 3 Embryos sired by KR Casino 6243 sexed female**

- The embryos selling are out of Dameron Primrose 659, the 2018 National Western and American Royal Reserve Grand Champion Angus Female. In addition, 659 was reserve in her division at the 2018 NJAS for Jack Dameron. In the fall of 2019, 659 had a \$35,000 1/2 interest heifer sired by Silveiras Style 9303, while her S&R Roundtable J328 daughter brought \$28,000.
- 659 is sired by the Triple Crown winner Dameron First Class. Her dam is EXAR Primrose 0731, a daughter of SAV Bismarck. 0731 has become a lead donor at Dameron Angus and recently generated \$85,000 and \$31,000 maternal sisters to 659 in their Fall 2018 Production Sale. Full sisters to Dameron Primrose 659 include the \$40,000 half interest Dameron Primrose 7179 as well as Dameron Primrose 5154, the 2016 NJAS Intermediate Division III Champion Female.
- The Lot A and Lot B embryos are from the most proven genetics offered at Dameron Angus that have generated high sellers, while the Lot C embryos are sired by the 2017 American Royal and 2017 NAILE ROV Grand Champion Angus Bull, KR Casino 6243. Regardless of which mating best suits your program, rest assured that cow power and predictability are bred into this genetic offering.
- The proof is in the progeny, and Dameron Primrose 659 has proven that she is a dominant producer, just as she was a dominant show heifer. Bid with confidence—these are elite Angus genetics!

Embryos  
on Snow™

Donor: **SLL Ellie 2201**

Plainview Lutton E102 × O G L Ellie 634-446 • Reg. Angus 17364660

**DAM OF THE 2018 NAILE JUNIOR CHAMPION & HIGH SELLERS**

**Full/maternal sib to embryos selling**

2018 NAILE Junior Show Grand Champion Angus Heifer — sired by Primo

**Full/maternal sib to embryos selling**

2019 Kansas Beef Expo Reserve Supreme Champion Heifer (B) — sired by Blue Chip

**Full/maternal sib to embryos selling**

\$100,000 UDE Ellie 9230 — sired by Blue Chip

➤ **LOT 68A: 1 Package of 3 Embryos sired by EXAR Blue Chip 1877B sexed female**

➤ **LOT 68B: 1 Package of 3 Embryos sired by Colburn Primo 5153 sexed female**

- SLL Ellie 2201 has become one of the cornerstone females in the dynamic and talented donor pen at Udell Cattle Co. in Sioux City, IA. The first package of embryos is sired by EXAR Blue Chip 1877B, making them full sibs to two of the most popular Angus heifer calves to sell in 2019! UDE Ellie 9230 is the \$100,000 sister that is a true outlier for stoutness, look, and shear presence—a truly unique individual that will make a substantial impact. UDE Ellie 9197 was the \$32,000 full sister that sold to Dusty Rose Cattle Co. and Double Bar D Farms in Canada; she was recently the Reserve Supreme Champion Heifer Overall (Ring B) at the 2019 Kansas Beef Expo.
- The Lot B embryos are also highly proven and predictable, being full sibs to the 2018 NAILE Grand Champion Heifer in the Junior Show for the Steenhoek family. This female was a favorite of many on the 2018 show circuit and is destined to prove her worth as a donor.
- SLL Ellie 2201 was bred in the Steele program and is becoming a force in the Udell program. The Udell family has produced a lot of champion females the last few years, and this donor ranks in the top of the program. 2201 has had a lot of interest, with some of the best cattlemen around trying to buy her for their own donor battery.
- Folks, these two matings are the real deal. From a reputation program that breeds cattle with a defining factor, these embryos will make for a fast return, regardless of the hammer price. Bid right up!

on  
Snow 

Donor: **UDE Ellie 153E**

Colburn Primo 5153 × SLL Ellie 2201 • Reg. Angus 18894011

**2018 NAILE GRAND CHAMPION JUNIOR ANGUS HEIFER**

**Dam of embryos selling** UDE Ellie 153E  
2018 NAILE Junior Show Grand Champion Angus Heifer

- **LOT 69A: 1 Package of 3 Embryos sired by PVF Blacklist 7077 sexed female**
- **LOT 69B: 1 Package of 3 Embryos sired by Gateway Follow Me F163 sexed female**

- The embryos selling are from the 2018 NAILE Grand Champion Junior Angus Heifer, UDE Ellie 153E. A popular champion on the green chips for Chesney Steenhoek, Ellie has become the leading Angus donor for the Steenhoek family. Her genuine mass, volume of rib shape, correctness of build, and unsurpassed look of quality continue to shine through as she is a member of the accredited donor battery at JS Simmentals.
- The dam of UDE Ellie 153E is the famed SLL Ellie 2201, talented donor at Udell Cattle Co. in Sioux City, IA. This year, maternal sisters to Ellie 153E commanded \$100,000 and \$32,000 in Udell's annual production sale. One maternal sister was recently selected Reserve Supreme Champion Heifer Overall in Ring B at the 2019 Kansas Beef Expo.
- The first mating is sired by the popular PVF Blacklist 7077, one of the most talked-about young sires in the Angus breed. His look of balance, extension and flawless structural build make this mating to the NAILE Champion very intriguing.
- The second mating is to the JS Simmentals and Minnaert Show Cattle resident promotional sire, Gateway Follow Me F163. Follow Me has been admired by all for his unparalleled presence.
- For the first time, genetics from the decorated UDE Ellie 153E will become available to the public...only in Embryos on Snow. Angus show heifer enthusiasts, gather round!

- **LOT 70B: 1 Package of 3 Embryos sired by CHOICE of PVF The Natural 7042 or WB Pendleton 708 PVF SWSN sexed female**

- The embryos selling are sibs to PVF Blacklist 7077, the lead off bull of the 2018 NWSS Pen owned with Schaeffer Show Cattle. Blacklist was purchased in Denver in 2018 by Tim Schaeffer and was a hit! Blacklist has emerged as one of the most heavily used young Angus promotional sires in the business.
- The donor dam, PVF Blackbird 3070, is a maternal sib to the 2017 Junior National Grand Champion Female, shown by Maddie Udell, and a flush sister to PVF Blackbird 3071, Grand Champion Angus Female at the 2014 NAILE in Louisville and 2015 Fort Worth Stock Show.
- This cow family is one of the most prevalent at Prairie View Farms. 3070 is a daughter of the famous ALL PVF Blackbird 645, dam of the 2017 NJAS Grand Champion Heifer, which was the result of an embryo purchase sold right here through Embryos On Snow! Once again, this cow family is one of the most successful in the business. Don't miss out on a chance to gather up a part of this productive line of Angus genetics.

Offered by: **Prairie View Farms, Alan & Theresa Miller 217-840-6935; Brandon & Cathy Jones 309-370-1081**

VAR Power Play 7018

- **LOT 71A: 1 Package of 3 Embryos sired by Conley Express 7211 sexed female**
- **LOT 71B: 1 Package of 3 Embryos sired by VAR Power Play 7018 sexed female**

- Brooking Beauty 6051 is the incredible dam of the embryos selling. Her shear dimension and mass are second to none, with a captivating presence of maternal quality. Justin Morrison of Brooking Angus Ranch stated that 6051 is "our absolute favorite female we own." This is a bold statement, considering the track record, accolades, and individuals of influence that Brooking Angus Ranch has had. 6051 is now deceased, and these may be the last embryos to EVER be offered from this powerful matriarch. 6051's first bull calf sold for \$25,000, and her second bull calf has been retained in herd for heavy use at Brooking Angus.
- The first mating is sired by the extremely popular Conley Express 7211 stud that set records with his rookie calf crop during the fall of 2019, with over 30 head marketed commanding an impressive average of over \$29,500. There is no substitute for results!
- The second mating is sired by VAR Power Play 7018, the \$735,000 stud that topped the 2018 sale season as one of the premier Angus sires. He is a true breed changer in terms of adding tremendous rib shape to his progeny. During the fall 2019 sale season, 18 daughters averaged \$38,500. The progeny reports continue to exceed expectations, with one of the best sire groups ever at Vintage Angus Ranch.
- The impact that the late Brooking Beauty 6051 will make on the industry is truly monumental. We thank Justin Morrison for offering an elite set of embryos from the heart of the Brooking Angus Ranch program. A true sale feature!

➤ **LOT 72A: 1 Package of 3 Embryos sired by CHOICE of Conley Express 7211 or S&R Roundtable J328 unsexed**

➤ **LOT 72B: 1 Package of 3 Embryos sired by W/C Bankroll 811D unsexed**

- Dameron Northern Miss 9000 is a leading Angus donor for Doris Show Cattle and is derived from one of the most noted and respected Angus cow families in the history of the breed. Northern Miss 9000 is a full sister to the late Dameron First Class, without question the most influential Angus AI sire in the industry when it comes to creating show ring champions, high sellers, and females that generate at the highest level. First Class semen continues to bring \$10,000-plus per unit!
- The embryos selling are sired by the hottest and most consistent sires in the business. Northern Miss 9000 has proven to be a cornerstone producer. She has raised a \$25,000 heifer sired by S&R Roundtable J328, full sibs to the Lot A embryos. Dameron Northern Miss 9143 is a full sister in-blood to the Lot A embryos selling. Backed by the full sister to 9000 known as 0109, 9143 was the second high selling female in the Dameron Angus production sale, commanding \$73,000 for 1/2 interest to the Brooks family of Illinois.
- Not only does she work well to Angus sires, but 9000 also clicks extremely well to Simmental sires, producing SimAngus heifers by W/C Loaded Up 1119Y that have brought \$25,000, \$12,500, and \$10,000. The Lot B Embryos are sired by the \$205,000 W/C Bankroll 811B stud that sired the \$164,000 NAILE Supreme Champion Heifer from his rookie calf crop. This mating to Bankroll is highly anticipated at Doris Show Cattle.
- Regardless of the breed makeup that you prefer, rest assured that the cow family and consistency from these matings are unparalleled. First Class will go down in history as a true icon, and here is the chance to purchase genetics from his impressive full sister. We appreciate the opportunity to add this powerful female to the EOS lineup from Doris Show Cattle and Conley Cattle. Bid with the utmost confidence—these genetics are surefire!

Sired by Profit

- **LOT 73A: 1 Package of 3 Embryos sired by Mr HOC Broker sexed female**
- **LOT 73B: 1 Package of 3 Embryos sired by PVF Blacklist 7077 sexed female**

- New to the EOS offering is T T A Precision 056 of 124, a staple donor in the Kinna Cattle Co. program of Maryland. 056 has evolved as not only a premier Angus matron but is also proven as a composite show heifer producer when mated to leading Simmental and Maine-Anjou AI sires. Her outcross pedigree to the popular show ring pedigrees of today has allowed for extreme mating flexibility and has been very successful.
- Daughters of 056 have sold for \$50,000, \$35,000, \$25,500, and \$20,000 recently. She offers an astonishing average of \$19,000 on 11 head! Most impressive is that these females have been sired by different bulls from different breeds with tremendous success. The most noted daughter of 056 is "Revenge," the Famous daughter that has produced two heifer calves that have commanded \$51,000 and \$25,000. The \$51,000 heifer went on to be crowned Reserve Grand Champion SimAngus Heifer at the 2017 NAILE for the Udell family of Iowa.
- 056 has worked with great success to bulls such as Profit, Broker, Maternal Made, and Hot Rod, to name a few. The Lot B mating by PVF Blacklist 7077 is highly anticipated at Kinna Cattle Co. This new EOS donor is no stranger to the high sellers list, and her daughters are proving tremendously successful in the show ring and pasture. Bid with confidence!

2019 American Royal ROV Grand Champion Angus Heifer

**Dam of IVF cycle selling**  
2019 Nebraska State Fair Supreme Champion Heifer

## ► LOT 74: 1 Reverse Sort Female IVF Cycle

- RTZ Belle F2067 is the 2019 American Royal ROV Open Show Grand Champion Heifer for Brenna Benes and her family. Her captivating presence, quality of structural build, and three-dimensional body shape set her apart from the competition. Belle was campaigned a limited number of times by the Benes family, but the results never changed...RTZ Belle F2067 consistently found the backdrop. Her first major victory came at the 2019 Nebraska State Fair, where she was first selected Grand Champion Angus and later was crowned Supreme Champion Junior Breeding Heifer.
- Belle is a member of the distinguished Silveiras Elba cow family, best known as the cow family behind the legendary Silveiras Style 9303, one of the most dominant AI sires in the history of the breed. Her sire is the great Colburn Primo 5153, the stud that traces to the late EXG Saras Dream S609.
- This powerful female has the elite phenotype and pedigree to contribute as a big time Angus donor for the Benes family, and here is your opportunity to acquire the first genetic offering from the reigning American Royal ROV Grand Champion Heifer!
- **Terms of IVF Cycle:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies with no cap on the number of embryos produced. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees. RTZ Belle F2067 will be available to IVF as early as April 1, 2020. For more details, please contact Kevin Benes.

**Full sib to embryos selling** Gateway Follow Me F163  
Angus promotional AI sire

► **LOT 75: 1 Package of 3 Embryos sired by C&C McKinley 3000 EXAR unsexed**

- The embryos selling are full sibs to the popular promotional AI sire Gateway Follow Me F163. Follow Me was bred in the Gateway Genetics program at Pierce, NE, and was promoted at the 2019 National Western Stock Show in The Yards, where Jason Minnaert and Jay Steenhoek found him in the Gateway Genetics pen and purchased this rising star before the day was over. Follow Me was one of the most talked-about bulls in Denver 2019, period!
- Follow Me is sired by C&C McKinley 3000 EXAR and from the prolific Dunk-W Maxine 505C donor for Gateway Genetics. His basic build, flawless structural base, stoutness of bone, boldness of his rib design, and unparalleled look of quality are what have made Follow Me so popular among not only Angus breeders focused on generating elite show heifers but also those in the business of producing high caliber composite show heifers. The added hair quality on top of the functionality and productiveness that this mating has generated is absolutely unbelievable!
- For the first time, genetics from Dunk-W Maxine HR 505C will be offered as an exclusive opportunity to invest in a proven mating that has created the next generation in Angus and composite show heifer production. Follow Me!

Offered by: **Gateway Genetics, Kevin, Laura, Brenna & Brylie Benes 402-741-1419; Craig Gana 402-430-2526**

### ► LOT 76: 1 Package of 3 Embryos sired by **CHOICE** of **CRR 719 Catapult 109** or **R Leader 6964 unsexed**

- RW Mindy 3078 6096 needs no introduction as one of the most dominant Hereford donors in the history of the breed! Mindy is now deceased, and these are the LAST time embryos will be offered on this iconic female. Mindy was a dominant show heifer for Kirby Day and was the 2007 JNHE and 2008 Fort Worth Stock Show Reserve Grand Champion Polled Heifer, among countless other victories across the country and state of Texas.
- Although Mindy was a highly decorated show heifer during her time on the tan bark, little did anyone know that the impact she would make over the next decade would be simply unparalleled. Mindy has now produced 15 National Grand Champions and Reserve Grand Champions! She has generated well over a million dollars in progeny sales, and now daughters and granddaughters are stepping into the role that she once had as proven and predictable producers.
- In the last year alone, Mindy has made major additions to her resume. She is the dam of the 2019 NAILE Reserve Grand Champion Hereford Bull, a full sib to the Catapult embryos selling. Mindy is also the dam of the 2019 American Royal Grand Champion Hereford Heifer and the Reserve Grand Champion Bull. At the 2019 Hereford Heritage Showcase, she produced the Grand Champion Polled Hereford Heifer, a full sib to the embryos selling by Leader. Other noteworthy wins include the 2014 NWSS Grand Champion Horned Heifer and the 2019 Western States National Hereford Show Grand Champion Horned Heifer. Kirby Day exhibited a direct daughter to the title of Grand Champion Horned Heifer at the 2011 JNHE. Countless females have been successfully campaigned by the Day, Colyer, Allan, and Kelley families across the country, securing division wins along the way.
- This is truly a once-in-a-lifetime opportunity to secure embryos from a donor dam like Mindy. We greatly appreciate Kevin Warnken and his family at Rockin' W Polled Herefords for allowing the legendary Mindy to be a member of the 2020 EOS roster. Only in Denver!

Offered by: **Rockin' W Polled Herefords, Kevin Warnken 979-743-0619**

- **LOT 77C: 1 Package of 3 Embryos sired by H Montgomery 7437E ET sexed female**

- Hereford enthusiasts, pay attention to the investment opportunity here! For the first time EVER, genetics from the powerful Vin-Mar Mallory 850 will be offered to the public! Lot A will feature the opportunity to choose between two of the most impressive females in the distinguished donor pen at JB Show Cattle. The buyer will have the opportunity to select either Vin-Mar Mallory 850 or her daughter, H VM Mallory 7441E ET, to flush to the sire of their choice. H VM Mallory 7441E ET was a featured lot in the Hoffman Ranch Female Sale, commanding \$44,000, and went on to be selected as the 2018 JNHE Grand Champion Polled Hereford Heifer for the Braman family. She continued to add to her resume in 2019 when she was selected Grand Champion Polled Hereford at the Houston Livestock Show and later named Reserve Grand Champion British Female for Madeline Braman.
- **Terms of Lot A IVF Cycle:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies. On all embryos produced above 10, buyer receives odd-numbered embryos, seller receives even-numbered embryos. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees, with all costs over 10 embryos being split odd/even between the buyer and seller. Contact Luke Doris or Graham Blagg for details.
- Lot B will feature full sib embryos to the 2018 JNHE Grand Champion Hereford Female, H VM Mallory 7441E ET. Lot C will feature 3/4 sibs to the Junior National and Houston Champion that are sired by the \$130,000 H Montgomery 7437E ET. Special thanks to the Braman family for allowing such an elite opportunity to be offered in the 2020 EOS from two exclusive Hereford donors!

► **LOT 78: 1 Package of 3 Embryos sired by NJW 76S 27A Long Range 203D ET unsexed**

- The embryos selling are from the most dominant producing Hereford female of modern time! 54B has produced the Grand Champion Hereford Bull at the 2019 NWSS, Grand Champion Hereford Bull at the 2019 FWSS, Grand Champion Hereford Bull at the 2019 American Royal, and Grand Champion Hereford Bull at the 2019 NAILE. Prior to these victories, her sons were selected Reserve Grand Champion Bull at both the 2018 NWSS and FWSS as calves before being named Grand and Reserve Grand Champion Bull at the 2019 Western States National Hereford Show in Reno, NV. Three sons, five Bronze bulls and eight National Champion banners during the 2018–2019 show season. This is a feat that has NEVER been done before and may never be repeated by a single cow in any breed.
- 54B hails from the 5139 cow family. 5139 is the record-setting donor dam in the Hoffman program. 5139 set a breed record of \$175,000, only to be broken by a daughter the following year at \$180,000. This prolific female has had seven sons in Denver between the Hill and the Yards for Hoffman Ranch. 54B is well on her way to producing over \$1 million in progeny sales.
- 54B produced high selling bulls at Hoffman's for \$150K and \$130K in 2018 as well as sons selling for \$50K, \$37K, \$27K, \$26K, and \$15K in 2019. This is a new mating from this most noted Hereford female and one that EOS is extremely proud to represent from the renowned Hoffman Ranch program. Here is your chance to get in on the ground floor and have your name in the history books!

8426 ET

2019 NAILE Grand Champion  
Polled Hereford Bull

► **LOT 79: 1 Package of 3 Embryos sired by H The Profit 8426 ET unsexed**

- RG 551 Pixie 707E ET has become one of the most talked-about horned Hereford females in North America. Not only was she selected as Grand Champion Female at the 2017 Canadian Western Agribition as a calf, but she went on to be the 2018 Western National Hereford Show Grand Champion Horned Heifer as a bred. Her mass, volume, and shear quality are what set her apart as a truly elite Hereford female. Aside from her phenotype, the generating power that this female has is simply unmatched! Pixie was flushed as a virgin heifer to H Montgomery 7437 ET, the \$130,000 multiple-time National Champion bull. This mating created the \$85,000 high selling heifer calf in the 2019 Hoffman Ranch Female Sale.
- The embryos selling are sired by the maternal brother to Montgomery and DeBerard, the \$50,000 H The Profit 8426 ET stud that was most recently selected as the 2019 NAILE Grand Champion Hereford Bull. The embryos selling will be 3/4 sibs to the \$85,000 sale topping heifer from Hoffman Ranch.
- This is an elite opportunity to invest in embryos that combine the influence of 54B and Pixie 707E, two of the most exciting young cows in the breed. We appreciate the caliber of embryos that Hoffman Ranch and the Kemp family have agreed to offer to the public in the 2020 EOS.

Offered by: **Hoffman Ranch, Jason Hoffman 530-604-5096; Kemp Family Livestock**

Roll The Dice

- **LOT 80A: 1 Package of 3 Embryos sired by TFR KU Roll The Dice 1326 *sexed female***
- **LOT 80B: 1 Package of 3 Embryos sired by CRR 719 Catapult 109 *unsexed***

- The embryos selling are from the immortal LCC Two Timin 438 ET "Harley," one of the Hereford breed's most influential and dominant donor dams. Her impact has been noted for over a decade, and her legacy continues through daughters, granddaughters, and great granddaughters that continue to generate much like Harley did. She commanded \$80,000 as a 12-year-old and has continued to contribute by producing high sellers and National Champions. In December 2019, a daughter by Miles McKee commanded \$30,000 in the Vegas All Breeds Sale.
- This will be the LAST time to EVER purchase embryos out of the great Harley, as she is now deceased. The Lot A embryos are full sibs to the 2018 Western National Hereford Show and 2019 FWSS Reserve Grand Champion Polled Hereford Heifer. That same female was a division champion in 2018 for Hardy Edwards of Georgia.
- The Lot B embryos have the opportunity to create the next great promotable sire prospect, show ring champion, or power donor within the breed. Catapult has evolved as one of the most dominant sires in the industry, and this mating has yielded high sellers and many females that have sold for five-figure prices.
- Madeline and Carlisle Braman have campaigned countless champions and have built their program around individuals of significance within the Hereford breed. Here's a unique genetic opportunity from a legendary Hereford female.

Offered by: **MC Show Cattle, Madeline & Carlisle Braman; Luke Doris 620-353-4114; Graham Blagg 530-913-6418**

- **LOT 81B: 1 Package of 3 Embryos sired by ECR Who Maker 210 ET unsexed**
- **LOT 81C: 1 Package of 3 Embryos sired by CHOICE of H Montgomery 7437 ET or CH High Roller 756 ET**

- The embryos selling are sibs to a long list of champions. Diana is one of the most recognized cows in the Hereford breed. She was the \$150,000 high selling female in the Sullivan Hereford dispersal, and her record of success is known by many. She is easily one of the most decorated females in the breed, and her success continues. Most recently, a daughter by the \$600,000 Miles McKee commanded \$45,000 in the Vegas All Breeds Sale in Las Vegas in December 2019. A May heifer calf sired by H Montgomery 7437 ET sold for \$35,000 at Hoffman Ranch. She is a daughter TCC Ms Diana 01 and a full sib to the Lot C embryos selling.
- In 2018, a daughter of Diana 01 was named Grand Champion at the 2018 North American Junior Show and Reserve Champion at the American Royal, shown by Lauren May and Hansen Polled Herefords. Diana also produced the back-to-back Denver Champion in 2015 and 2016, SULL TC Diana 4064B ET. Another daughter, shown by the Collins family of Illinois, was Reserve Supreme Heifer at the 2016 Illinois State Fair. In Fort Worth in 2017, a daughter claimed the Reserve Champion Horned title for the Colyer family of Idaho.
- Diana herself had an impressive show career, being a two-time NWSS Grand champion—Grand in the Junior Show in 2011 and Grand in the Open Show in 2012 among many other titles in 2011 and 2012. Diana's dam, Shelby, and granddam, "Harley," were both NWSS Grand Champion title winners. There is a long list of Denver Champions in this cow family!
- **NOTE:** Recip cow tag number 64790 is housed at Suttles Cattle Genetics in Hanna City, IL. Contact Nate Suttles for more details.

- Allow us to introduce to you the rising star of the Hereford breed from the Larsen family of Nebraska, H Annsley 5282 ET. The embryos selling are full and maternal sibs to one of the most decorated females to be campaigned during the 2018–2019 show season by Vada Vickland and family. LAR Annsley 843F was a featured lot in the 2018 Hoffman Ranch Female Sale. Shortly after, she was crowned Grand Champion Hereford Heifer in the Junior Show at the 2018 Western National Hereford Show in Reno. 843F repeated her victory at the 2019 Junior National Hereford Expo in Denver last summer as the Grand Champion Owned Polled Hereford Heifer.
- In the fall of 2019, LAR Annsley 843F was a dominant force on the green chips of Freedom Hall, as she was selected Grand Champion Hereford Heifer in both the Open and Junior Shows. The Lot A embryos are full sibs to this three-time National Champion.
- The Lot B embryos are sired by the \$50,000 H The Profit 8426 ET stud that was named Grand Champion Hereford Bull at the 2019 NAILE.
- These embryos represent the hottest, most relevant Hereford genetics in the business!

2017 & 2019 NWSS Champion Horned Bull & Supreme Champion Hereford

- **LOT 83A: 1 Package of 3 Embryos sired by Loewen Genesis G16 ET unsexed**
- **LOT 83B: 1 Package of 3 Embryos sired by BR Belle Air 6011 unsexed**

- This lot combines the most elite pedigrees from the famed Barber Ranch program at Channing, TX. Never before have embryos from BR Anastasia E109 ET been offered to the public. E109 is the reigning 2019 Junior National Hereford Expo Grand Champion Bred-and-Owned Heifer for Rylee, Bryden, and Aidyn Barber. The powerful dam of the embryos selling is sired by CRR 719 Catapult 109 and is a direct daughter of the 2015 NWSS Grand Champion Polled Hereford Heifer, BR Anastasia 3023 ET, who sold for \$120,000 for 1/2 embryo interest in 2014. The dam of E109 was a Triple Crown winning female and has left her mark on the industry, much like her dam and granddam. In fact, this mating traces to the iconic BR Gabrielle 5082, one of the premier cows in the breed.
- The Lot A embryos are sired by the hottest new bull in the Hereford breed, Loewen Genesis G16 ET. Genesis was purchased by Barber Ranch, Bill King Ranch, Colyer Herefords, Dry Creek Farms, and Express Ranches in November 2019 for \$100,000. This mating to BR Anastasia E109 ET may very well create the next great herd sire or donor cow...the possibilities are endless!
- BR Belle Air 6011 is the sire of the Lot B embryos and will go down in history as a two-time NWSS Supreme Champion Hereford. This six-figure valued, dark red champion has become the most widely used Hereford AI sire in the breed. Progeny of Belle Air sold for \$92,500, \$82,000, \$50,000, \$37,000, \$30,000, and \$15,500 in 2019 alone! Once again, this mating provides the opportunity to tie together the most elite cow families and individuals at Barber Ranch. We couldn't be more excited to have Barber Ranch involved with the Embryos on Snow Sale!

➤ **LOT 84B: 1 Package of 3 Embryos sired by UPS Sensation 2296 sexed female**

- OCC Lady Cash 512 ET comes to us as a member of one of the most decorated donor pens in North America. 512 is a full sister to countless high sellers and National Champions. The most recognized full sib to 512 is the exclusively used ECR Who Maker, who was the 2013 American Royal and the 2014 NWSS Grand Champion Polled Hereford Bull for Sullivan Farms, Fawcett's Elm Creek Ranch, and their partners. Who Maker semen has only been sold once up until this point through the 2019 Embryos on Snow Sale and commanded in excess of \$2,000 per unit! A full sister was also campaigned by the Effling family of South Dakota, ECR/CHEZ/KRCK Dandy 6892 ET. She was the 2018 NWSS Grand Champion Horned Heifer in the Junior Show.
- Lady Cash was dominantly exhibited by the Braman family of Texas. She was the 2016 JNHE Grand Champion Polled Hereford Heifer in Madison, WI, and completed her show career in San Antonio, where she was the Supreme Grand Champion Female Over All Breeds in the junior heifer show. She is now a member of the dynamic donor lineup at JB Show Cattle.
- The Lot A embryos are sired by H Montgomery 7437 ET, the \$130,000 2019 Fort Worth and American Royal Grand Champion Hereford Bull that has become one of the great young sires in the business. The Lot B embryos are sired by UPS Sensation 2296, arguably one of the most dominant Hereford sires of modern history. He has sired more high sellers, show ring champions, donors, and AI promotional sires than can be recorded. A top-shelf Hereford genetic opportunity to invest in embryos to raise your next high selling show heifer or show ring champion!

2016 JNHE GRAND CHAMPION HORNED HEIFER

**Maternal sib to embryos selling**  
2018 Houston Grand Champion Horned Heifer

## Dam of IVF cycle & embryos selling

ECR Candi 5451 ET

2016 JNHE Grand Champion Horned Heifer &  
2016 NWSS Reserve Grand Champion Horned Heifer

- **LOT 85A: 1 Reverse Sort Female IVF Cycle**
- **LOT 85B: 1 Package of 3 Embryos sired by LCX Perfecto 11B ET unsexed**
- **LOT 85C: 1 Package of 3 Embryos sired by CHOICE of BR Sooner On Sooner or BR Copper 124Y unsexed**

- An exciting opportunity to tap into the elite ECR Candi 5451! Offering an IVF cycle to the sire of the buyer's choice from the popular 2016 Champion Hereford Female at the Junior National Hereford Expo. Candi was popular during her time as a show heifer. She also claimed Reserve Grand Champion at the 2016 National Western as a calf. Other wins include the Supreme Female at the competitive South Dakota State Fair in the Open and 4-H shows, plus many other banners for Chesney Effling.
- Candi has produced heifer calves that have sold for \$50,000, \$47,500, \$45,000, and \$19,000. Daughters have found great success across the country, including the Grand Champion Heifer at the Iowa Beef Expo and Iowa State Fair. Another daughter was campaigned by the Braman family of Texas and was Grand Champion Horned Heifer at Fort Worth and Houston in 2018. Another daughter was Reserve Supreme Heifer at the Jordan Mack Memorial Jackpot during the fall of 2018. That female went on to be reserve in her division at the 2018 JNHE.
- The mating to Copper 124Y has proven to be a great success, with several sons that will highlight the 2020 Fawcett's Elm Creek Ranch offering. A full sister in-blood to ECR Candi 5451 was the featured \$37,500 Lot 1 heifer calf in the 2019 ECR Fall Female Sale. The genetics behind this powerful female run deep in quality and consistency. These are the money-making kind of embryo opportunities!
- **Terms of Lot A IVF Cycle:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies with no cap on the number of embryos produced. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees. For more details, please contact Chris Effling.

Offered by: **CK Cattle, Chris Effling 605-769-0142; Cally Kindred 605-222-1515**

CRR 109 On Point 559 ET

► **LOT 86: 1 Package of 3 Embryos sired by CHOICE of T/R BPF American Classic 561CET or CRR 109 On Point 559 ET all sexed female**

- An elite and NEVER before offered opportunity from Bar A Cattle Co. sells January 17th in the Embryos On Snow Sale! BACC 286W Georgia Kay 629 ET is one of the most decorated females that the Allan family has ever campaigned. From start to finish, Georgia Kay, affectionately known as "Frosty," was a dominant force at the end of the leather lead. A division winner as a fall heifer calf at the JNHE in 2017, a division champion at the NWSS in 2018, Grand Champion Hereford Heifer at the 2018 San Antonio Junior Heifer Show, and finally she capped off her career as the 2018 JNHE Reserve Grand Champion Polled Owned Heifer. A highly successful show heifer for Mason and now a dominant producer in the donor pen.
- Offering choice between two sets of embryos, both sired by resident herd sires at Bar A Cattle Co. and popular AI studs within the Hereford breed. The buyer will have the chance to choose between sexed female embryos sired by either TR/BPF American Classic or CRR 109 On Point 559 ET.
- The cow family that supports Georgia Kay is none other than a past NWSS Grand Champion herself, STAR KKH SSF Mirror Image 286W. Bar A Cattle Co. has utilized the influence of Mirror Image with great success, producing several other females that have been breed champions at major shows in Texas, national division winners, and overall champions at the larger jackpot shows in the South.
- Georgia Kay is a new, young, and exciting face to the Embryos On Snow Sale, and we couldn't be more excited to include her in this elite Hereford division. We appreciate the Allan family's willingness to part with embryos from a female of this caliber!

Offered by: **Bar A Cattle Co., Dave, Becky, Tyler, Mason & Landry Allan 979-561-7115;**

Donor: **DeLHawk Sapphire 102A ET**

CRR About Time 743 × MCR PPF Miss Gold Dom 206 ET • Reg. Hereford P43393154  
**\$110,000 VALUATION DONOR & DAM OF CHAMPIONS**

**Full/maternal sib to embryos selling**  
2019 JNHE Reserve Division Champion — sired by Authority

**Full/maternal sib to embryos selling**  
2019 NAILE Reserve Division Champion — sired by Authority

**Full/maternal sib to embryos selling**  
2019 KILE Grand Champion Junior Hereford Heifer — sired by Authority

**Dam of embryos selling** DeLHawk Sapphire 102A ET  
2014 NAILE Grand Champion Hereford Female

- ▶ **LOT 87A: 1 Package of 3 Embryos sired by H FHF Authority 6026 ET sexed female**
- ▶ **LOT 87B: 1 Package of 3 Embryos sired by CHOICE of H Montgomery 7437 ET or H DeBerard 7454 ET all sexed female**

- DeLHawk Sapphire 102A ET is a past Louisville Grand Champion and during the fall of 2019 commanded a \$55,000 half interest hammer price in the Hawk Livestock online sale. Valued at over \$100,000, this donor has quickly evolved as one of the hottest Hereford donors in the breed. Sapphire 102A has followed in the footsteps of her iconic dam, Miss Gold Dom 206, the matron that has generated over \$3 million in progeny sales!
- The Lot A mating is sired by H FHF Authority 6026 ET, a promotional sire for Hoffman and Buck from the famed Rita cow family. This mating is proven and produced a 2019 JNHE reserve division champion for Lindsey Pugh as well as the 2019 Keystone Grand Champion Hereford Heifer. Daughters of Sapphire 102A sold for \$22,000, \$13,000, \$7,750, \$7,500 and \$7,000.
- H Montgomery 7437 ET and H DeBerard 7454 ET are two of the hottest young sires in the breed who, combined with their younger brother, The Profit, won four National Shows in 2019! Denver, Fort Worth, Kansas City, and Louisville can all be accredited to the influence of their dam, 54B. This choice mating is sure to make for a quick return on your investment when considering the combined influence of 102A, 206, and 54B... three power cows! 54B produced high selling bulls at Hoffman's for \$150,000 and \$130,000 in 2018 as well as sons selling for \$50,000, \$37,000, \$27,000, \$26,000, and \$15,000 in 2019.
- We appreciate Hawk Livestock and Pugh Central Station, LLC for their contributions of established and predictable matings to the 2020 EOS. Only the best will sell!

Offered by: **Hawk Livestock, Tom Hawk 815-739-3171; Pugh Central Station, LLC, Todd Pugh 330-353-1001**

2019 FWSS Reserve Grand Champion Polled Hereford Bull

- **LOT 88A: 1 Heifer Calf Pregnancy sired by TFR KU Roll The Dice 1326 due 2/15/2020**
- **LOT 88B: 1 Package of 3 Embryos sired by CH High Roller 756 ET sexed female**

- The pregnancy and embryos selling are full or maternal sibs to many winners and high sellers produced from Tater Tot 3560. The daughters of 3560 that sold in 2018 commanded \$55K, \$50K, \$30K, \$19K, \$16K and \$15K, with the high seller being a full sib to the embryos selling. In 2019, a full sister to the pregnancy selling commanded \$55,000 for 1/2 interest and was selected as the Calf Champion Horned Heifer at the NWSS for Denver McKay.
- Progeny of 3560 include a long list of major champions. Just to name a few, they include the Champion Horned Hereford at the 2017 Tulsa State Fair, Champion Horned Hereford Heifer at the 2017 Junior Show in Reno, Reserve Polled Hereford Heifer at the 2017 Oklahoma Youth Expo, Champion Polled Hereford at the 2016 Badger Kick-Off Classic and Reserve Grand Polled Hereford Bull at the 2017 Fort Worth Stock Show.
- The Lot B Embryos are sired by CH High Roller 756 ET, the 2019 FWSS Reserve Grand Champion Polled Hereford Bull, who recently sold in December 2019 for a \$135,000 valuation.
- 3560 herself was the 2015 National Champion Horned Female at the National Western Stock Show. What a great opportunity for any Hereford producing program! EOS is proud to have such power in our purebred lineup.
- **NOTE:** Recip tag number 131, housed at McKay Cattle Co. in Orlando, OK. Contact Bryan McKay for more details.

# Pregnancy & 3 Embryos

Donor: **Rose Marie 1Y79 ET**

NJW FHF 9710 Tank 45P × BR KLD Rose Marie D79 ET • Reg. Hereford 43214660  
**DONOR DAM OF CHAMPIONS & HIGH SELLERS**

**Dam of embryos selling** Rose Marie 1Y79 ET

**Full sib to pregnancy selling**

2018 NWSS Reserve Division Champion

**Sire of embryos selling**

CH High Roller 756 ET

2019 FWSS Reserve Grand Champion Polled Hereford Bull

- **LOT 89A: 1 Package of 3 Embryos sired by CH High Roller 756 ET sexed female**
- **LOT 89B: 1 Pregnancy sired by TFR KU Roll The Dice 1326 unsexed, due 1/25/2020**

- The embryos selling are sibs to seven females by three different sires that have sold for an average of \$21,750. These genetics come from the prolific Rose cow family, tracing to the Barber Ranch and Kirbie Day-Sims programs in Texas. There is no denying the impact that this female's lineage has had on the Hereford breed.
- The embryos selling in Lot A are sired by the 2019 FWSS Reserve Grand Champion Polled Hereford Bull, CH High Roller 756 ET. High Roller is the \$135,000 valuation AI sire that was one of the most popular young Hereford prospects to be promoted and campaigned during 2019. The High Roller x Rose Marie 1Y79 mating is highly anticipated in the spring of 2020 at Perry Show Cattle.
- The Lot B pregnancy is a full sib to H BL Marie 727 ET, selected Reserve Junior Heifer Calf Champion at the 2018 NWSS and shown by Vada Vickland. H BL Marie 727 ET sold for \$36,000. Roll The Dice was the popular 2015 American Royal Grand Champion Bull. He has sired several sale toppers in the last two fall and spring sale seasons along with several National Champion sons and daughters between Fort Worth, Reno, and Louisville.
- Another daughter of 1Y79 is 718, purchased by the Larsen family of Valentine, NE, for \$36,000 and a popular Reserve Division Champion at the 2018 JNHE. In addition to her roster of champions, Rose Marie 1Y79 is a full sister to the multiple-time National Champion Bull WORR Owen Tankeray Y79D. There are a good deal of potent and proven genetics behind these matings. 1Y79 is an exclusive EOS donor dam that we are glad to once again include in this stout set of Hereford genetics.
- **NOTE:** Recip tag number 1569, housed at Runner Farms, Blandinsville, IL. Calf will be available for pick up after 7/15/2020. All costs associated with the weaned calf program will be paid by the seller. Purchaser is only buying the pregnancy, not the recip cow. Contact Austin Perry for more details.

Offered by: **Perry Show Cattle; Austin Perry 405-338-5870**

2016 NAILE Reserve Grand Champion Hereford Heifer

**Daughter of dam of IVF cycle selling**  
2018 NWSS Reserve Grand Champion Junior Horned Hereford Heifer

## ► LOT 90: 1 Reverse Sort Female IVF Cycle

- The next genetic opportunity comes straight from the heart of the esteemed Lowderman Cattle Co. program that has produced countless National Champions. LCC Patton Kiwi 116 ET is backed by generations of power cows. She was the 2012 American Royal Reserve National Champion Heifer and has proven to be one of the prolific producing females in the program.
- 116 is the dam of LCC SHF Miss Lemon Lime 502 ET, one of the most decorated females of the 2016–2017 show season. Her accolades include being a division winner at the 2016 JNHE, 2016 American Royal Grand Champion Heifer, 2016 NAILE Grand Champion Hereford Heifer in the Junior Show, 2016 NAILE Reserve Grand Champion Hereford Heifer in Open Show, and 2017 NWSS Reserve Grand Champion in the Junior Show. Her dominant career was nothing short of impressive!
- LCC 480 Sweet Kiwi Lime, another daughter of 116, was the 2018 NWSS Reserve Grand Champion Horned Heifer in the Junior Show as a calf for Morgan Lowderman. The Lowderman family is deeply entrenched in the Hereford business, and here is the opportunity to invest in an IVF cycle from one of their most qualified donors.
- **Terms of IVF Cycle:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies. On all embryos produced above 10, buyer receives odd-numbered embryos, seller receives even-numbered embryos. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees, with all costs over 10 embryos being split odd/even between the buyer and seller.

Offered by: **Lowderman Cattle Co., Monte Lowderman 309-255-0110, Jae Van Horn 317-412-3298;**  
**Michelini Cattle Co., Steve Michelini 815-228-4507**

# 9 Embryos Selling

Donor: **R Sweet Red Wine 039**

MSU TCF Revolution 4R × R Miss Wrangler 207 • Reg. Hereford P43011682

**ONE OF THE HEREFORD BREED'S ALL TIME GREATEST DAMS**

**Donor dam of embryos selling**  
R Sweet Red Wine 039

**Full/maternal sib to embryos selling**  
2014 NWSS Reserve Grand Champion Polled Heifer — sired by Wyarno

**Full/maternal sib to embryos selling**  
2014 JNHE Grand Champion Horned Heifer — sired by Wyarno

**Full/maternal sib to embryos selling**

H/TSR/CHEZ/Full Throttle ET — Highly successful Hereford AI sire — sired by Wyarno

- **LOT 91A: 1 Package of 3 Embryos sired by CHOICE of CRR About Time 743 or H WCC/WB 668 Wyarno 9500 all sexed female**
- **LOT 91B: 1 Package of 3 Embryos sired by H DeBerard 7454 ET sexed female**
- **LOT 91C: 1 Package of 3 Embryos sired by CHOICE of DM BR Sooner or BR Belle Air 6011 unsexed**

- Within the Hereford breed, there are elite females of significant importance that can be identified as household names. One female that consistently makes the "short list" as one of the breed's great producers is without a doubt R Sweet Red Wine 039.
- National Champion females like Chardonnay, the 2014 JNHE Grand Champion Horned Heifer for Cassidy Hanson of Iowa, and the 2013 JNHE Reserve Grand Champion Polled Heifer for Trent Ray have made role model donor dams for their new owners' programs; progeny from these females have sold, shown, and continue to write the next chapter for the Sweet Red Wine cow family. Strawberry Wine endured a successful career for Trent Ray, not only capturing the Reserve Grand Champion Polled Female title in Kansas City at the 2013 Junior National, but she went on to also be Supreme Champion Female at the 2013 Illinois State Fair and Reserve National Champion Female at the NWSS in Denver in 2014.
- Sons and daughters of Sweet Red Wine are producing elite progeny as well. Her widely used son Full Throttle has sired multiple \$50K-plus progeny, including a \$100,000 high seller, and Strawberry Wine has produced \$200K, \$100K and \$70K progeny. Sweet Red Wine herself has generated in excess of \$2,000,000 in actual progeny sales. Her genetics do not come up for sale often!

**\$71,000 DUFF CATTLE CO. HIGH SELLING HEIFER**

**Dam of IVF cycle selling** Duff Red Fox 1997

## ► LOT 93: 1 IVF Cycle

- A truly unique genetic opportunity to advance any program into the future of the Red Angus breed! Duff Red Fox 1997 was one of the premier Red Angus females to sell anywhere in North America during the fall of 2019. Red Fox is sired by the worldly popular Mann Red Box 55C and from the full sister to Bingo, the \$60,000 past sale highlight at Duff Cattle Co.
- Red Fox was the highest selling Red Angus female in 2019, commanding an astonishing \$71,000 hammer price in December to C-4 Cattle Co. of Oklahoma and U2Q Seedstock of Alberta, Canada. Few females of any breed are able to combine the mass, dimension, and sheer quality of build that Red Fox exemplifies.
- Red Fox will be an important Red Angus figure for years to come because of the impact she will make based on her structural integrity, unparalleled body mass, and captivating presence. Her lineage indicates consistency and generating power. The opportunity to purchase an IVF cycle on a female of her caliber this early in her career is rare. Do not miss out on this leading genetic opportunity. Frozen genetics may never be offered from this female EVER again, so set your sights on the future of the Red Angus breed with the great Red Fox!
- **Terms of IVF Cycle:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies. On all embryos produced above 10, buyer receives odd-numbered embryos, seller receives even-numbered embryos. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees, with all costs over 10 embryos being split odd/even between the buyer and seller. Contact Mike Marlow or Cole Unger for more details.

### Sire of embryos selling

MLK Big Foot

## ► LOT 94: 1 Package of 2 Embryos sired by MLK Big Foot sexed female

- This set of embryos will be the FIRST and LAST time to ever sell! Red Brylor Princess 5Y is one of the most dominant show heifer producing females in the Red Angus breed. Not only has she raised two Junior National Grand Champion heifers, but in the fall of 2019, she produced the \$70,000 MLK Big Foot heifer calf that sold in the historical Top Line Farm Dispersal.
- Top Line Red Princess 9060 created a stir not only among Red Angus breeders but among top cattlemen from different segments and other breeds prior to selling. She was shown in December at the highly competitive Oklahoma AGR Winter Bonanza in Stillwater and was selected as the Grand Champion Overall in Ring A and Third Overall in Ring B for Hadley Hartman. Her basic build, unparalleled look, and distinguished quality make this young Red Angus female a force.
- Red Brylor Princess 5Y is no longer in production, so these embryos will NEVER be offered for sale again. Embryos of this caliber and rarity do not come available very often. Take advantage of this opportunity to raise a full sib to one of the highest selling Red Angus heifer calves in recent history!

- **LOT 95B: 1 Package of 3 Embryos sired by Damar Mimi E381 choice of sexed or unsexed**

- Damar Oh Power Baby C150 was the \$40,000 high selling donor in the historical Cloud 9 Cattle Co. Dispersal. She is the dam of the embryos selling and is a direct daughter of Damar Oh Baby W168, one of the most influential females in the breed.
- Damar Trump C512 is a full brother to C150 and was the 2016 NAILE Grand Champion Red Angus Bull and then repeated his victory in Denver as the 2017 NWSS Grand Champion Red Angus Bull. Trump progeny have become some of the most sought-after cattle due to their quality, structural advantages, and added dimension.
- The Lot A embryos are sired by arguably the hottest Red Angus bull in recent years, Mann Red Box 55C. Red Box has taken the breed by storm and continues to produce progeny of the elite caliber necessary to demand substantial premiums. Red Box semen sells for \$300 or more per unit!
- The Lot B embryos are sired by Damar Mimi E381, the 2018 NAILE and 2019 NWSS Grand Champion Bull. E381 is an own son of the legendary Mimi W085. His first calf crop has been extremely well received, with high sellers bringing \$10,000 to \$30,000.
- This is the first time that embryos from this new member of the EOS Red Angus roster will be offered for sale. These embryo matings will put a program on the fast track to success!

- **LOT 96B: 1 Package of 4\* Embryos sired by Andras Fusion R236 unsexed \*Guarantee 2 pregnancies**

- The embryos selling are full or maternal sibs to the 2018 NAILE Champion Bull, 2018 American Royal Champion Heifer, 2019 NWSS Grand Champion Heifer and Bull, and the 2019 FWSS Grand Champion Heifer. Other champions produced by W085 include the 2018 NWSS Bull Calf Champion, 2018 Iowa State Fair Champion Bull, 2018 Minnesota State Fair Champion Bull and the 2018 Oklahoma Youth Expo Champion Red Angus Heifer.
- Damar Barcelona E067 is a full sister to the Lot B embryos and is the most decorated Red Angus female of her time. She commanded \$34,000 for 50% interest in the Cloud 9 Dispersion. E381 is a full brother to the Lot B embryos, a multiple-time National Champion that is an up-and-coming AI sire within the breed.
- Damar Mimi W085 has been one of the most productive Red Angus females in the country and comes from the progressive Polzin program in Minnesota. She sold as a featured live lot in the 2018 Embryos on Snow for an impressive \$45,000 for 50% interest. In 2017, W085 produced the 2017 Champion Female at both the Minnesota and Iowa state fairs. Her list of champions and high sellers continues to rack up. Her production of leading sires will ensure her presence in the pedigree of many leading Red Angus genetics for years to come.
- Other accomplishments of W085 include Damar Man Power, a son that was a \$17,500 high selling bull and is becoming a sought-after young sire. Another daughter was a \$15,000 feature in the 2015 Mile High Classic. Two daughters led off the 2017 C-Bar sale, averaging over \$10,000. Another son, Damar Lexus, was a 2017 National division winner and is now a promoted AI sire for Thomas Ranch.
- Damar Mimi W085 is one of the most noted Red Angus females in history. The work is done here. Invest in the best!

- The embryos selling are out of one of the most important cows of all time in the Red Angus breed. This will be the LAST opportunity to EVER purchase embryos from this iconic breed matron. Cita's matings across breeds have been just as successful.
- The embryos selling are maternal sibs to PZC TMAS Firestorm and to countless Red Angus champions and composite champions as well. Many sibs to the embryos selling have topped sales across the country for the past several years. Cita is a breed leader. A year ago, Cita commanded \$40,000 for 50% interest!
- Champions out of Cita include the 2016 NAILE Champion Red Angus and Calf Champion Red Angus females. In addition to her countless successful daughters, Cita is the dam of Firestorm, whose semen now sells for more than \$300 per unit. Firestorm is the sire of champions and high sellers consistently! He has sired the Grand Champion Heifer at the National Western Stock Show, Fort Worth Stock Show, San Antonio Stock Show, NAILE, and Junior National, to name a few of his major accolades.
- This embryo mating to the 2019 NWSS Grand Champion Bull, Damar Mimi E381, combines GT Cita and Damar Mimi W085—two power cows that have left an impact on the breed!

➤ **LOT 98B: 1 Package of 3 Embryos sired by Mann Red Box 55C sexed female**

- MNS Pearle 3121 is the dam of the most dominant and decorated Red Angus female in 2019! EDG Finley 3121 has been successfully campaigned by Hadley Hartman to countless victories. She was the 2019 NAJRAE Grand Champion Owned Heifer and the 2019 NAILE Grand Champion Red Angus Heifer in both the Open and Junior shows.
- Phenotypically, Finley 3121 is a superior individual, regardless of breed, color, or composition. She is flawless in her basic build, athletic in her movement, and robust in her rib design. Her proud presence and balanced look have allowed her to claim so many prestigious titles. The embryos selling are full sibs to this many time champion Red Angus.
- The chance will be yours Friday, the 17th of January in Denver to invest in the future of your Red Angus program or to diversify your interests as the Red Angus breed continues to gain popularity.

### Full/maternal sib to embryos selling

2019 NAJRAE Reserve Grand Champion  
Red Angus Heifer and Grand Champion  
Futurity Heifer — sired by Damar Trump C512

- **LOT 99A: 1 Package of 3 Embryos sired by Damar Trump C512 sexed female**
- **LOT 99B: 1 Package of 3 Embryos sired by Mann Red Box 55C sexed female**

- The Damar Star B043 female has quickly become one of the most prominent and successful donors in the breed due to the unwavering consistency and quality that this female is capable of generating. B043 is a daughter of the popular and proven Red SSS Soldier 365W sire that is responsible for countless top producing females across North America. Her dam is the prolific Red Lazy MC Star 185M, a member of the potent "Star" cow family in the Lazy MC program.
- In her short time in production, B043 has already produced a NAJRAE Reserve Grand Champion Owned Female and NAJRAE Grand Champion Futurity Female for the Goecke family of Iowa. That same heifer is pictured above as the 2019 NAILE Reserve Grand Champion Red Angus Heifer. B043 is the dam of a flush of ET calves sired by the 2017 NAILE Reserve Grand Champion Red Angus Bull and 2019 NWSS Grand Champion Red Angus Bull, Damar Mimi E381. B043 has produced daughters that have sold for \$32,000, \$25,000, \$11,000, \$10,500, \$9,500, and \$8,500 within the last two years.
- This is the first time EVER that genetics from this powerful cow will be offered for sale. Raise your own champion or five-figure Red Angus female!

Offered by: **Greg Brooks 940-781-2932; Brad Liggett 940-337-9204**

### Dam of embryos selling

Bar-E-L Kassie 117X

### ► LOT 100: 1 Package of 3 Embryos sired by Damar Next D852 "Lexus" sexed female

- The embryos selling are maternal sibs to the 2016 National Western Grand Champion Red Angus Female, Bar E-L Kassie 129B, a leading donor in the Blairs.Ag program, and a \$30,000 heifer calf, Bar E-L Too Too 218C, sold at Las Rojas in 2016 that is now a leading donor for Rust Mountain View. These two successful females were both natural calves, born in 2014 and 2015. Bar-E-L Kassie 129B produced the 2017 NWSS Calf Champion Female that sold for \$17,000 to Bud Thomas.
- A son of 117X, TR Rojas Chivas 17109, is a featured sire for Thomas Ranch and Las Rojas and was the high selling Red Angus at the 2018 Thomas Ranch Bull Sale. In the Western Heritage Sale, 50% semen interest in Chivas commanded \$60,000. Four daughters of 117X sold in the 2018 Las Rojas Sale and sold from \$8,000 to \$13,500 and will be featured in up-and-coming Texas programs. After another summer running on cows, Chivas looks exceptional and will make the trip to the Hill in Denver—be sure to look him up!
- Kassie 117X commanded \$70,000 for full interest when she sold to Maple Lane and Thomas Ranch. The Kassie family at Bar-E-L has generated many Canadian champions, high sellers and a Canadian National Champion Female. She was bred in the Longshore Bar-E-L program in central Alberta that is known for some of the best Angus cattle north of the border, both red and black.
- Few Red Angus females have this kind of power and substance. Great Red Angus genetics with this quality and power are hard to come by. These will be the only embryos to sell this year out of Kassie 117X, as she is an EOS exclusive donor dam!

Offered by: **Maple Lane Farms, Keith Lambright 260-336-6008; Thomas Ranch, Troy Thomas 605-222-1258**

## 4 Embryos Selling

Donor: **Rojas Helena 6050**

PZC TMAS Firestorm 1800 ET × Six Mile Lakota 112Y • Reg. Red Angus 3525232  
2018 FWSS GRAND CHAMPION RED ANGUS HEIFER

**Full sib to dam of embryos selling**  
Rioja Rojas  
Red Angus promotional AI sire

**Maternal granddam of embryos selling**  
Six Mile Lakota 112Y

**Dam of embryos selling**  
2016 Fall Classic Reserve Grand Champion British Heifer

**Dam of embryos selling** Rojas Helena 6050  
2018 Fort Worth Stock Show Grand Champion Red Angus Heifer

► **LOT 101: 1 Package of 4\* Embryos sired by Mann Red Box 55C sexed female**  
**\*Guarantee 2 pregnancies**

- The embryos selling are from the 2018 Fort Worth Stock Show Red Angus Female that was successfully campaigned by Madison Fischer. Rojas Helena 6050 is a direct daughter of the legendary Six Mile Lakota 112Y. 112Y has become one of the most important Red Angus females in the breed due to her contributions. 112Y was the 2019 National Show Produce of Dam winner in Fort Worth. She has produced countless high sellers and national winners. 6050 is a full sister to the highly popular AI sire Rojas Rioja 6052. Rioja was responsible for the 2019 Reserve National Champion Red Angus Female at the Fort Worth Stock Show and other 2019 winners.
- Helena 6050 had a successful career for the Fischer family, named Calf Champion at the 2017 Fort Worth Stock Show and Champion Red Angus and Fifth Overall at the 2018 Fall Classic. She was also Reserve Champion Red Angus at the San Antonio Stock Show, the same year. Her distinguished show career also included countless other breed victories throughout the state of Texas.
- The production of the Firestorm x 112Y daughters have already produced high sellers and winners. 6050 is one of the most decorated females of that mating.
- The embryos by Red Box out of Rojas 6050 will not be consigned to any other auctions or sold this year. Red Box just sired a \$71,000 heifer calf in the Duff Cattle Co. sale and is fast becoming one of the most popular sires in the breed. This mating is surefire due to the consistency in the 112Y cow family. Great Red Angus genetics like these are hard to find.

2018 American Royal Grand Champion  
Junior Red Angus Heifer

- **LOT 102A: 1 Package of 3 Embryos sired by Mann Red Box 55C sexed female**
- **LOT 102B: 1 Package of 3 Embryos sired by KJHT Power Take Off sexed female**

- The embryos selling are maternal sibs to the late TLC Alaynah 329, a staple donor in the TLC Livestock and Lind Family Farms program. A dominant force as a show heifer, Alaynah was the 2015 NWSS Reserve Grand Champion Red Angus Open and Junior heifer, 2014 Minnesota Beef Expo Supreme Champion Heifer, 2014 Canadian Western Agribition Grand Champion Red Angus and Reserve Overall First Lady Classic, and 2014 Canadian Western Agribition Grand Champion Red Angus Heifer Open Show. Alaynah transitioned from a dominant show heifer into an elite producer. In the spring of 2018, a daughter commanded \$65,000 from Tree Lane Farms and went on to be Third Overall at the NAJRAE Junior National as well as the 2018 American Royal Grand Champion Red Angus Junior Heifer.
- The sire of the Lot A embryos is the hottest sire in the breed, Mann Red Box 55C. His daughters commanded five-figure sale prices in 2019, including the \$50,000 daughter sold by Pembroke in the Texas Limited Edition Sale.
- The Lot B embryos are sired by the back-to-back NWSS Reserve Grand Champion Red Angus Bull and 2019 National Grand Champion in Fort Worth, "PTO."
- The resulting matings will provide the buyer with the opportunity to produce their next high seller, donor, or herd sire prospect. These embryos are valuable property to own. Bid with confidence!

- **LOT 103A: 1 Package of 3 Embryos sired by JBSF Berwick 41F sexed female**
- **LOT 103B: 1 Package of 3 Embryos sired by W/C Relentless 32C sexed female**

- Mari 785E is the reigning 2018–2019 Triple Crown winning Purebred Simmental Female for Jack Dameron. This powerful, massive bodied, tremendous young female is a truly unique breeding piece that had a major impact in the show ring. Not only did Mari 785E win the Triple Crown in the open division, she too was the Grand Champion Purebred Simmental in the junior show at all three major stock shows. Mari 785E is sired by the \$400,000 Profit and backed by the Angel 1B donor that works in the Hoblyn program of Nebraska.
- The first lot of embryos to sell are sired by the Lot A Live Lot in this sale, JBSF Berwick 41F, truly one of the most unique purebred Simmental bulls we have ever laid eyes on. His flawless build, bold rib cage, stoutness, athletic build, and shear quality make him a truly elite breeding bull and AI promotional sire. This mating is highly anticipated in the spring of 2020.
- The Lot B embryos are sired by the “king of the ring,” the undisputed sire of champions, W/C Relentless 32C. Not only has Relentless sired champions at every level of competition, but his list of high sellers continues to grow. At the 2019 AJSA Summer Classic, he sired the Grand Champion, Reserve Grand Champion, and Fifth Overall Purebred heifers along with countless class winners, division champions, and reserve division champions for the progressive breeders and exhibitors that utilized his service.
- This is a unique opportunity to invest in the future by tying to new genetics that we truly believe will have a substantial impact on the future of the business. Regardless of which mating you prefer, rest assured that Mari 785E will be a force in the donor pen, just as she was at the end of the leather lead!

➤ **LOT 104B: 1 Package of 3 Embryos sired by CHOICE of Profit or WLE Copacetic all sexed female**

- In this industry, there are great cows, and then there are legends. Miss Werning KP 8543U is a LEGENDARY Simmental donor. Generating nearly \$8 million in actual progeny sales, 8543U is the highest valued Simmental donor in the business and continues to make a substantial impact on every segment of the industry. 8543U has produced as many promotional AI sires of impact as any female in the breed. Sons of major influence include W/C Relentless 32C, W/C Bankroll 811D, W/C Bullseye 3046A, W/C Executive Order 8543B, W/C Executive 187D, and W/C Night Watch 84E. Top daughters are working in some of the most established cow herds in North America.
- The Lot A embryos are from the most proven matings, including unsexed embryos by Loaded Up, making them full sibs to the \$205,000 W/C Bankroll 811D, sire of the \$164,000 NAILE Supreme Champion Female that was raised by RJ and campaigned by Sara Sullivan. Another full sib to the embryos selling is W/C RJ Miss 8543 6102D, who sells in this sale. The other choice would be full sibs to the highly decorated 2014 National Champion Female, W/C Miss Angel 2780Z, a female that produced the 2019 AJSA Summer Classic Third Overall Heifer as well as countless other high sellers.
- The Lot B embryos are two new matings to 8543U that have NEVER been offered—this is a new creation! This is the opportunity to get in on the ground floor of potentially the next greatest mating from the iconic 8543U. The first option would be sired by Profit, the \$400,000 sire of National Champions, high sellers, donors, and AI promotional sires. The second option is sired by the 2018 American Royal, 2018 NAILE, and 2019 FWSS Grand Champion Percentage Simmental stud, WLE Copacetic E02. The resulting progeny will be purebreds from all of the matings listed above.
- We are ecstatic to have 8543U back in the donor lineup in 2020. A special thank you to Josh Rust and his family for allowing 8543U genetics to be open to the public, exclusively in Embryos on Snow!

Offered by: **Rust Mountain View Ranch, Josh Rust 701-391-9769**

- **LOT 105B: 1 Package of 3 Embryos sired by CHOICE of W/C Relentless 32C or Mr HOC Broker all sexed female**
- **LOT 105C: 1 Package of 3 Embryos sired by CHOICE of W/C Bankroll 811D sexed female or W/C Fort Knox 609F (unsexed or sexed female)**

- W/C Miss Angel 2870Z was the 2014 National Champion Simmental Heifer for Werning and Harrell. Prior to securing this title at the Fort Worth Stock Show, 2870Z had put together an impressive list of wins, including 2013 NWSS Reserve Calf Champion, 2013 Illinois State Fair Grand Champion Simmental and Fourth Overall Heifer, 2013 AJSA Summer Classic Seventh Overall Heifer, 2013 South Dakota State Fair Grand Champion Simmental Heifer, 2013 American Royal Reserve Grand Champion Simmental Heifer, and 2014 NWSS Reserve Grand Champion Simmental Heifer.
- The only list more impressive would be her accumulated high seller stats. Miss Angel 2870Z is following in the footsteps of her dominant donor dam, 8543U, a cow nearing the \$8 million mark in progeny sales! The list of 2870Z's high sellers include \$40,000, \$35,000 half interest, \$31,000, \$30,000 half interest, \$30,000, \$20,000, and \$15,000. More impressively, these high sellers are representatives of five different sires. Every mating that has been made to Angel 2870Z has resulted in progeny that have sold for \$13,500 or higher—there is no substitute for results!
- Most recently, W/C Miss Angel 2870Z produced the 2019 AJSA Summer Classic Third Overall Purebred Heifer that was campaigned by Sara Sullivan. She was sired by W/C Relentless 32C, making her a full sib to the Lot B embryos selling. The other matings would include popular sire choices, including the \$180,000 Fort Knox stud, the \$205,000 Bankroll, and the proven and popular sire of champions and high sellers Mr HOC Broker.
- The opportunity of the night may just be the IVF cycle selling from this proven powerhouse donor dam. Jared has discovered that Angel has successfully worked to EVERY single sire that she has been mated to, and here is YOUR chance to mate her to the bull of your choice!
- **Terms of Lot A IVF Cycle:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies. On all embryos produced above 10, buyer receives odd-numbered embryos, seller receives even-numbered embryos. Buyer pays IVF charges, semen cost and all freezing and/or transfer fees, with all costs over 10 embryos being split odd/even between the buyer and seller. Contact Jared Werning for more details.

➤ **LOT 106B: 1 Package of 3 Embryos sired by TJSC Hammer Time 35D sexed female**

- Without a doubt, KLS Diamond W516 is one of the most important Simmental donors in the history of the breed. Her impact has become monumental, and there is no denying that she was before her time. Diamond was the 2011 NWSS Grand Champion Purebred Simmental Heifer for Jake Bloomberg and has evolved into a dominant producer of high sellers, champions, AI promotional sires, and donor cows for countless programs in North America. Diamond most recently produced the \$97,000 high selling heifer in the Divas & Donors Elite Female Sale, along with another daughter at \$10,000.
- Diamond has worked to every bull she has ever been flushed to with tremendous success, and both embryo matings are highly anticipated at Campbell Land & Cattle as well as Jones Show Cattle. At the 2019 NAILE, a son of Diamond, TJSC King of Diamonds, was selected Grand Champion Purebred Simmental Bull. One of the most well-known daughters of Diamond is TJSC Diamond Destiny 134C, a Broker daughter that has continued the tradition of the Diamond cow family. 134C produced the Lot 1 and \$60,000 high selling lot in the Jones Show Cattle High Standards Female Sale. A full sister to the Lot A embryos brought \$16,750 and another \$7,500. The Lot B embryo mating is highly anticipated.
- Diamond has produced countless National Champions, most recently the 2018 AJSA Reserve Grand Champion Purebred Heifer for Maddy Udell. Additionally, "Meant to Be" is the Broker son and promotional AI sire for Paulsen, Campbell, and Rodgers that has created a major stir across the industry. Other high sellers include progeny with recorded figures of \$120,000, \$50,000, and \$42,000. Diamond continues to be one of the leading Simmental donors in the industry for dollars generated for direct progeny sales, and this list continues to grow.
- Genetics this valuable are tough to let go of, and even tougher to acquire! We greatly appreciate Jamie and Jackie Campbell for allowing their legendary Simmental donor, KLS Diamond W516, to play a part in the 2020 EOS Sale.

➤ **LOT 107B: 1 Package of 3 Embryos sired by JSUL Something About Mary 8421 sexed female**

- The embryos selling in Lot A are maternal sibs to CMFM Time To Shine 99D, Supreme Champion Female at the 2017 Simmental Breeders Sweepstakes. 99D was also Champion in the Junior Show and Reserve in the Open Show at 2017 North American International Livestock Exposition. CMFM Time To Shine 99D has proven her value in production, producing the 2019 NAILE Calf Champion Simmental Heifer that is pictured above. The Lot A embryos are also maternal sibs to the 2019 American Royal Calf Champion Heifer. That female topped the Ladies of the Lonestar Sale in October 2019, commanding \$30,000. Another daughter of Y251 is CMFM Time To Shine 400C, Supreme Champion at the Tulsa State Fair and Champion in the Junior and Open Shows at the American Royal.
- JBSF Berwick 41F is the sire of the Lot A embryos and is the featured Live Lot A in this 2020 EOS Sale. This embryo package will allow you access to one of the hottest new Simmental bulls in the business.
- The Lot B embryos are sired by the six-figure valued son of the legendary Simmental donor JBSF Proud Mary, a many-time National Champion and dam of National Champions for the Sullivan Farms program. JSUL Something About Mary 8421 is the newest member of the illustrious herd sire battery at Griswold Cattle and will be a new promotional AI sire for 2020.
- Y251 topped the Circle M dispersal at \$140,000 to Buck Creek Ranch. This donor dam has a track record at EOS, as we have featured this cow family prior with great success. The guesswork has been taken out here. Few females have a history in the breed like this line of Simmental genetics does.

Harkers/JS Domination X JS Flatout Flirty 46T • Reg. PB Simmental 2590071  
**DAM OF THE TRIPLE CROWN WINNING "BOOTS"**

**Full/maternal sib to embryos selling "Boots"**

2016 NWSS Grand Champion Simmental Heifer &  
2016 \$100,000-valued highlight of Embryos On Snow

**Dam of embryos selling JS Flirt A-way 59Y**

- **LOT 108A: 1 Package of 3 Embryos sired by Mr HOC Broker sexed female**
- **LOT 108B: 1 Package of 3 Embryos sired by W/C Relentless 32C sexed female**

- The embryos selling are full sibs to "Boots," the only female in Simmental history to win the Junior National and the Triple Crown! That's quite a story! She won the Junior National and all three majors, including Denver, Louisville and Kansas City. EOS sold half interest in "Boots" in 2016 for \$50,000 as a half interest featured live lot to Campbell Land and Cattle.
- In the fall of 2019, a Relentless daughter out of 59Y sold for \$100,000 and a Broker daughter sold for \$75,000 for half interest. These were the result of an embryo purchase. These females are full sibs to both lots of embryos selling.
- In the spring of 2018, a full sister to Boots sold for \$25,000 and was the Fall Division Champion Heifer at Kansas City. Boots is the dam of a \$77,000 half interest heifer calf sold in the 2018 Classic Female Sale at Griswold Cattle. Another Boots daughter, GCC BTYL Jimmy Choo 208G, led off the Simmental division in 2019 in Stillwater, selling for \$50,000.
- Another full sib to the embryos selling was sold by Boss Cattle for \$40,000—another an embryo purchase. A 2016 fall-born full sister to Boots won her division at the 2018 Junior National, the 2018 American Royal Junior Show and also the 2018 NAILE Open Show.
- Not sure how much more of a story we can tell you than these full sisters, but if you want top-of-the-line Simmental genetics, you better not look past this lot. It's been proven time after time that embryo purchases make you money!

Offered by: **JS Simmental, Jay Steenhoek 515-238-5938, Ken Steenhoek 515-979-9713**

## Simmental embryos by Broker & Relentless

## 9 Embryos Selling

### Donor: **JS Black Satin 9B "Boots"**

Mr HOC Broker x JS Flirt A-way 59Y • Reg. PB Simmental 2865421

**PAST TRIPLE CROWN WINNER & DAM OF HIGH SELLERS**

#### Dam of embryos selling

JS Black Satin 9B "Boots"

2016 NWSS Grand Champion Simmental Heifer

#### Full/maternal sib to embryos selling

\$50,000 featured lot of the 2019 Griswold Cattle Classic

#### Full/maternal sib to embryos selling

2019 AJSA Summer Classic Seventh Overall Purebred Simmental Heifer

#### Maternal sib to embryos selling

2019 KILE Grand Champion Simmental Heifer

#### Maternal sib to embryos selling

2019 KILE Reserve Grand Champion Simmental Heifer

#### Maternal sib to embryos selling

2019 Badger Kick-Off Reserve Supreme Champion Heifer

- **LOT 109A: 1 Package of 3 Embryos sired by W/C Loaded Up sexed female**
- **LOT 109B: 1 Package of 3 Embryos sired by W/C Relentless 32C sexed female**
- **LOT 109C: 1 Package of 3 Embryos sired by HPF Quantum Leap Z952 sexed female**

- "Boots" is arguably one of the most dominant show heifers the Simmental breed has ever seen. Her list of accomplishments goes far beyond the show ring as she continues to add to the list with each calf crop produced. At the 2019 KILE, Tyson Woodard campaigned the Grand Champion Simmental in the Open and Junior shows with his Pays To Believe x Boots. A flushmate sister was the 2019 KILE Reserve Grand Champion Simmental in the Open Show for Addison Fidler. Another full sister was sold by Jeff Paulsen to Tyler Drach and has been selected Reserve Supreme Female Over All Breeds at three jackpot shows this winter, including the 2019 Badger Kick-Off Classic.
- The embryos selling in Lot A are full sibs to a \$77,000 half interest heifer sold in the fall of 2018 at the Griswold Cattle Classic, sired by Loaded Up. GCC Rios of Mercedes 8243F was the 2019 AJSA Summer Classic Seventh Overall Purebred Heifer for the Baty family of Colorado. She had a tremendous show career with countless division wins throughout the year. In December 2019, a full sister sold at the Griswold Cattle Classic for \$50,000. Additionally, another Loaded Up Heifer that was retained by Campbell was the 2018 KILE Reserve Grand Champion as a calf! That is a lot of success in one calf crop. Boots is one of the most recognized and successful donor dams in the breed.
- Boots was a featured live lot in the 2016 EOS Sale, selected by Campbell Cattle for \$50,000 for half interest. Boots is the ONLY female in Simmental breed history to win the Junior National and the Triple Crown. It is great to see the success of a past EOS purchase, and this cow has already proven to be a solid investment for the Campbells after her first year of embryo production.
- The Campbell outfit has some of the best and most successful Simmental genetics in the country, and we are pleased to represent the continued success of JS Black Satin 9B "Boots."

Offered by: **Campbell Land & Cattle, James & Jackie Campbell 724-263-0955; Griswold Cattle**

\$435,000 promotional AI sire

**Dam of embryos selling** J6RA Bada Bing 1602B "Bobbi"  
2015 NAILE Grand Champion Percentage Simmental Heifer

## ► LOT 110: 1 Reverse Sort Female IVF Cycle

- J6RA Bada Bing 1602B, affectionately known as "Bobbi," is without a doubt one of the most unique individuals that has ever been led onto the green chips of Freedom Hall in Louisville. Successfully campaigned by Chesney Effling, Bobbi was selected Grand Champion Percentage Simmental Female at the American Royal and the NAILE. Her presence is further complemented by her overwhelming body mass and shear density. She offers an unparalleled look of balance that is supported by a three-dimensional body type.
- Bobbi is sired by the Triple Crown winning Mr HOC Broker and backed by a sensational Angus female that has continued to be incorporated into the program, GF Evening Tinge 1X, one of the most impressive Saugahatchee 3000C daughters in existence. The Evening Tinge 1X cow family continues to have an impact on the program.
- Sisters to Bobbi have been campaigned to titles such as Grand Champion Percentage Simmental Female at the American Royal by Sara Sullivan, Supreme Champion Female at the 2018 Illinois State Fair by the Moore family, and Supreme Champion Female at the 2019 Minnesota State Fair by the Jackson family. Maternal sisters to Bobbi topped the 2019 Pasture Bid-Off at \$81,000 and \$20,000 for half interest.
- Bobbi has worked well to a series of different sires, with progeny by Profit, High Regard, Hammer, Bottomline, and Ledger working in different programs across the country. A Bottomline daughter brought \$12,000 in the Divas & Donors sale this past December. Rest assured, no matter what direction you decide to flush this powerful SimAngus female, the resulting progeny will be profitable, plain and simple!
- **SPECIAL NOTE:** For the flush, Brad and Meg Freking of Freking Cattle Co. will grant the winning bidder access to two of their herd sires that are closed to the public, including the \$435,000 Ruby's Currency 7134F and the \$200,000 EC Rebel 156F. This option will only be available to the buyer of this IVF cycle. Semen is only to be used on J6RA Bada Bing.
- **Terms of IVF Cycle:** Buyer will receive a minimum of six transferable embryos and two 60-day pregnancies with no cap. Buyer pays IVF charges and all freezing and/or transfer fees. Semen cost will be the buyer's responsibility if it is decided to not utilize Rebel or Currency.

Offered by: **Freking Cattle, Brad & Meg Freking 507-841-0402; Daniel Fawcett 605-870-6172**

2018 AJSA Classic Grand Champion Heifer &  
\$195,000 high selling heifer in the 2017 Hartman sale

- **LOT 111A: 1 Package of 3 Embryos sired by Profit sexed female**
- **LOT 111B: 1 Package of 4\* Embryos sired by CHOICE of HPF Quantum Leap Z952 or TJ High Calibre 556B sexed female \*Guarantee 2 pregnancies**

- Bailey's Ms Dreamy 946W is an exclusive Embryos on Snow donor from Bailey Livestock. The embryos selling are full and maternal sibs to many, many champions and high sellers. 946W's most recent high selling female was the \$35,500 red baldy purebred Simmental heifer by Profit that was the high selling purebred in the Boyert-Core online heifer sale.
- In 2018, this donor dam produced the National Junior Simmental Grand Champion Female, shown by Sara Sullivan. Another leading daughter was Reserve Division Champion at the American Royal for the Effling Family. It was an impressive set of 946W daughters that sold in 2017. They gathered prices of \$195,000, \$135,000 and \$45,000. In 2018, several daughters sold for \$5,000 to \$25,000 right off the farm. Her other high sellers include a \$40,000 Chopper daughter in the 2013 Diva to Donors Sale and a son that sold for \$50,000 in the 2017 Hartman Bull Sale.
- The Lot A mating is sired by Profit for full sibs to some of the highest valued purebred heifer calves to be sold in the last decade. The second lot is sired by HPF Quantum Leap Z952, a new mating that is highly anticipated in the spring of 2020 at Bailey Livestock.
- 946W has exceeded a million dollars in progeny sales and is one of the most important and most noted donor dams in the Simmental breed. The matings offered here are sure to be a quick return on investment!

- **LOT 112B: 1 Package of 3 Embryos sired by TMAS Can't Touch This 8531F sexed female**

- KNRF Barbara D16 is one of the rising stars in the dominant Schaeffer Show Cattle donor pen. "Barbie" is the popular One Eyed Jack daughter that was the 2017 AJSA Summer Classic Grand Champion Purebred Simmental Heifer. Her success in the show ring included a Fourth Overall finish at the 2017 Purdue AGR as well as countless other victories. This powerful Simmental donor is a new edition to Embryos on Snow.
- During her rookie ET calf crop, Barbie set the bar high to say the least. With an average of right at \$20,000 on progeny marketed, this young donor has become a household name within the breed. Her Broker sired heifer calf pictured above commanded a final bid price of \$35,000 in the fall of 2019. The Lot A embryos are full sibs to this exciting Simmental heifer calf.
- The Lot B embryos are sired by the new and exciting herd bull for Thomas Ranch, Tim Schaeffer, and Josh Elder that is known as TMAS Can't Touch This 8531F. Can't Touch This is the Hammer son out of J6RA 606B, who recently commanded \$24,500 in the CK Cattle Co. Proven Female Sale.
- A new and exciting Simmental donor from Schaeffer Show Cattle—this is your chance to get in on the ground floor of a big-time opportunity. Enjoy the ride!

Offered by: **Schaeffer Show Cattle, Tim & Emily Schaeffer 765-541-0738**

- **LOT 113B: 1 Package of 3 Embryos sired by CDI Innovator 325C sexed female**

- We are proud to offer embryos from the one of the most popular winning heifers in 2017! Summer 365C is a daughter of the prolific WHF Andie 365A, the leading donor at Wayward Hill Farms. Here's a line of Simmental genetics that is hard to beat!
- The 2017 championships of Summer 365C include this long, impressive list: Division Champion NWSS, Reserve Supreme Iowa Beef Expo, Champion Simmental Female Iowa State Fair Open Show, Supreme Female American Royal Livestock Show and Champion Simmental Female NAILE Open Show, not to mention several other wins.
- In 2019, an impressive daughter of 365C hit the scene for Chesney Steenhoek and found great success, to say the least! CCS/WHF Summer 50F was the 2019 NWSS Division II Champion, 2019 AJSA Summer Classic Reserve Grand Champion Bred-and-Owned Heifer, and the 2019 NAILE Division IV Reserve Champion. The Lot B embryos are full sibs to this champion.
- Maternal sisters to Summer 365C include the 2019 NAILE Division III Champion and Reserve Champion from Andie 365A.
- Purebred genetics like these are valuable property to own. These embryos represent two of the most exciting and heavily used sires in the Simmental breed. Proven cow families line the pedigree here. Expect big results to come from this genetic lot!

Offered by: **Chesney Steenhoek, Jay Steenhoek 515-238-5938; Wayward Hill Farms, Chris Allen 859-351-4486**

2019 NAILE Grand Champion Simmental  
Cow/Calf Pair

**Dam of embryos selling**  
2019 AJSA Summer Classic Grand Champion  
Cow/Calf Pair

- **LOT 114A: 1 Package of 3 Embryos sired by CHOICE of Profit unsexed or W/C Double Down 5014E sexed female**
- **LOT 114B: 1 Package of 3 Embryos sired by PVF Blacklist 7077 sexed female**

- HPF Victoria B396E is a new member of the EOS donor roster. She is a member of the talented and diverse donor battery at Hicks Cattle Co. Victoria was the high selling open heifer calf in the historical Hudson Pines dispersal and has become the leading donor at the Diamond H. During her limited time on the show road, she was most notably selected as the Grand Champion Simmental Heifer at the 2018 Simmental Breeders Sweepstakes. She returned to Louisville this past summer for a repeat performance, with her heifer calf at side, to be named the 2019 AJSA Summer Classic Grand Champion Simmental Cow/Calf Pair and repeated that feat in November at the NAILE.
- Victoria is sired by W/C Relentless 32C, without question the most dominant Simmental AI sire today when it comes to siring show heifers that have the capabilities to win at every level of competition. Daughters of Relentless have won at nearly every state fair, national show, and major jackpot show in North America over the last few years. The first mating offers choice between the \$400,000 Profit, a bull that needs no introduction as a proven sire of champions and high sellers, or the \$105,000 W/C Double Down 5014E stud that was one of the top selling bulls in the Werning Cattle Co. bull sale a few years back.
- Lot B is sired by one of the absolute hottest young Angus bulls in the business, PVF Blacklist 7077. The list of high sellers on Blacklist is just getting started but is one that will see rapid growth due to his use in some of the top programs in the country.
- Victoria's first ET calf crop averaged \$10,375 on four head during the fall of 2019 at Hicks Cattle Co. A daughter by PVF Blacklist 7077 sold for a total valuation of \$25,000. Keep in mind, this is the first time ever that Steve has offered frozen genetics on this young donor, and it may be your only shot ever!

- BOE Epic is the hottest sire in the Maine-Anjou registry. The first calf crop sired by BOE Epic yielded 13 heifer calves that sold in Jirl Buck's fall sale with an average just over \$27,000 per head, including individuals commanding \$115,000 and \$100,000. In 2019, Epic repeated his performance with 15 purebred heifers averaging over \$25,000. Epic's list of high sellers from 2019 includes individuals at \$120,000, \$60,000, \$50,000, and \$42,500.
- Epic sired the 2019 NWSS Grand Champion Maine Bull and Grand Champion Maine Heifer; 2019 FWSS Grand Champion Bull and Grand Champion Junior Heifer; 2019 Junior National Reserve Grand Champion and Third Overall Maine heifers; 2019 Indiana State Fair Grand Champion Maine and Reserve Overall; 2019 American Royal Grand Champion Maine; and 2019 NAILE Reserve Grand Champion Maine. Epic himself was the 2018 Grand Champion Maine Bull at the NWSS and was thought by many to be one of the best bulls of any breed.
- This will be the initial and largest offering of Epic semen in 2020. Moving forward, Epic semen will ONLY be offered in special marketing events. Opportunity is knocking!

Offered by: **Buck Cattle Co., Jirl Buck 580-795-4865**

## The 2020 Semen Offering

### RESPONSIBILITIES OF BUYER & SELLER OF SEMEN LOTS:

- Shipping of semen is the responsibility of the buyer.
- All semen, once paid in full, will be released to the new owner at the said location of the semen. No payments will be made to the seller from EOS until complete transfer of the semen is made to the new owner. The buyer must contact the seller and arrange shipping instructions.
- **IMPORTANT NOTE:** The buyer of each semen lot pays all shipping and insurance. No exceptions!

<b>LOT 151-D:</b> 10 UNITS	<b>LOT 151-H:</b> 10 UNITS	

- TR Mr Rhinestone 4658B "Rhinestone Cowboy" is an up-and-coming breed-leading Charolais sire. He is a new member of the Polzin Cattle, McKay Cattle, and Caprock Charolais herd sire batteries. With limited use in the Bryan McKay program, "Rhinestone Cowboy" produced several daughters that have sold for \$20,000+ in recent marketing events.
- Rhinestone Cowboy is an exceptional individual that offers superior look, structural integrity, and extension. His combination of front one-third length, forerib shape, and strength behind his shoulder are what make him such an intriguing breeding piece. The performance, shape, and three-dimensional build that this stud offers make him the perfect mating on Outsider and Turton daughters.
- The look, quality, and design from Rhinestone Cowboy is transmitted to his daughters. His dam, TR CC Ms Aubrey 3761A ET, was a past \$55,000 featured female from Thomas Ranch. She was Grand Champion at the San Antonio Junior Heifer Show. Maternal sibs to his dam, 3761A, have been to the backdrop at Louisville, Kansas City and Denver and at the Iowa, Minnesota, and South Dakota state fairs. Sibs to 3761A have sold for \$38,000 and \$34,000 from Coudron Charolais. Another sister to 3761A sold for \$50,000 from the Boyert-Core online female sale a few years back to the Skiles family of Texas. She went on to be Calf Champion at the NAILE and was Fifth Overall at the Heart of It All Jackpot in Ohio.
- This will be the first and only opportunity to purchase Rhinestone Cowboy semen in 2020. An exciting and cutting-edge opportunity from Polzin Cattle, McKay Cattle, and Caprock Charolais...don't get left behind!

Offered by: **Polzin Cattle, Chris Polzin 612-916-0105; McKay Cattle Co., Bryan McKay 405-747-8627; Caprock Charolais**

- Conley Express 7211 has emerged as one of the premier young show sires in the Angus breed. He was a standout in The Yards at the National Western Stock Show in 2018. His legendary dam is DPL Sandy 3040, a National Champion for the Dal Porto family in 2014. His granddam, KNC Cabin Creek Sandy 804, needs no introduction as one of the most dominant producing females in the Angus breed.
- Conley Express' first calf crop took the business by storm in their debut across the auction block during the 2019 sale season, with a \$29,500 average on 34 head sold at public auction. The list of high sellers from Express Ranches, Conley Cattle, and Udell Cattle Co. includes sons and daughters at \$170,000, \$160,000, \$150,000, \$100,000, \$80,000 and countless between \$10,000 and \$30,000. Most recently, a daughter of Conley Express 7211 was crowned Supreme Grand Champion Heifer at the 2019 Hoosier Beef Congress!
- This is the FINAL offering of sexed female Conley Express 7211 semen in existence. No sexed female semen will ever be made or offered again at public auction. The mating flexibility that Express offers goes far beyond the Angus breed. He has proven to work exceptionally well on Maine-Anjou, Chianina, and cross type cows to create elite, high dollar, champion caliber composite show heifers. Express is on his way to becoming one of the most talked-about Angus sires in history!

Offered by: **C-4 Cattle Co., Dusty Collum; Mike Marlow 405-880-0108; Conley Cattle, Kyle Conley 580-618-4533**

- THE ONLY SEXED SEMEN TO SELL in 2020! You read it correctly—no other sexed semen on Relentless will sell this year! This fall, the Relentless sired heifer calves have topped sales across the country. Relentless continues to dominate the show ring. At the 2019 AJSA Junior National, Relentless sired the Grand Champion, Reserve Grand Champion, and Fifth Overall Purebred Heifers, not to mention countless other class winners and division champions and reserves. He has sired champions at every state fair and major jackpot show in the country. Relentless will be a mainstay in the Simmental business for years to come.
- This semen was collected at Nichols CryoGenetics and sorted at Trans Ova. This is the one and only time this year to purchase sexed female semen on Relentless!

Offered by: **Hicks Cattle Co., Steve Hicks 217-799-1105; Werning Cattle, RJ Cattle Co.**

<b>LOT 154-E:</b>	2 UNITS	<b>LOT 154-J:</b>	2 UNITS

- RARE SEMEN!!!
- Due to an unexpected injury, W/C Bankroll 811D semen has been indefinitely CLOSED! During his rookie season calf crop, Bankroll produced the \$164,000 half-blood for RJ Cattle Co. that was the most dominant female of the 2019 show season. She was Grand Champion Percentage Heifer at the Junior National, Grand Champion and Supreme at the Simmental Breeders Sweepstakes, Supreme Champion at the Iowa State Fair, Grand Champion Percentage Simmental at the American Royal, and capped off 2019 as the NAILE Supreme Champion Heifer. Bankroll is also the sire of the \$180,000 W/C Fort Knox 609F stud that topped the Werning Cattle Co. bull sale. Countless high sellers and champions came from the initial calf crop of Bankroll, and big things are still to come! Do not let an extremely limited remaining inventory keep your program from reaching the next step.

## KCC1 Exclusive 116E
