Dear Family and Friends,

As we have done for the past few years, once again, we ask that you come together and participate in **GREEN FOR IAN-2022**.

On Feb 13, 2022, Ian's birthday, in what has become an annual tribute to Ian's life we are asking you to wear and/or display the color **GREEN** and send us your pictures. This February, Ian would have been 26 years old but he will forever be 19 in our hearts and minds.

Please visit <https://www.forian.org/archive> to view the tributes in pictures from previous years.

These beautiful tributes accompanied by generous charitable contributions from so many of you, and your employers who matched your contributions, allow us to sponsor meaningful scientific research towards SDHB deficient cancers. Thank you.

This year we are sending you **GREEN FOR IAN 2022 Awareness Ribbons and Refrigerator Magnets**. Please look for these in your mail. We urge you to send us your pictures displaying these Ribbons, Magnets and/or other green apparel that you may like.

The precious pictures you send are certainly enough of a tribute to a remarkable young man who left this earth way before his time. Please send the pictures regardless of a donation. If you are so inclined, please also consider making a tax-deductible donation (*Tax ID: 82-3062903*) to "For Ian Foundation" which will go towards pediatric cancer research. <https://www.forian.org/contribute/>

Please email your pictures to: for.ian.foundation@gmail.com

Please visit <https://www.forian.org> to read all about "FOR IAN FOUNDATION", a 501(c)(3) non-profit. Read Ian's story, read about the projects and researchers who are hard at work, and watch the video where Ian's father, Franko Rahimi, recounts the story of losing his son to cancer.
