SYNOPSIS OF PROPOSED ORDINANCE

Notice is hereby given pursuant to Article IX, § 3(2) of the Constitution of the Mashpee Wampanoag Tribe and 2009-ORD-003, Regulating Adoption, Amendment or Repeal of Ordinances and Resolutions, that the Mashpee Wampanoag Tribal Council (the “Council”) is proposing to adopt an ordinance titled “2018-ORD-000, Mashpee Wampanoag Tribal Prevailing Wage Ordinance” (the “Proposed Ordinance”).

The purpose of the Proposed Ordinance is to provide for prevailing wages to be determined and paid pursuant to Agreements performed on the Reservation. The Prevailing Wages established by the Tribe under this Ordinance are intended to supersede all federal wage determinations to the greatest extent allowed under Federal Law and to the fullest legal authority of Tribal law.

Any Agreement pursuant to any Federal Law with the Tribe or the Housing Department for construction, installation, alteration, repair, or maintenance of buildings or works or for provision of labor, services, or materials to be performed within the area of operation of the Tribe or the Housing Department shall contain a provision requiring not less than prevailing wages as set pursuant to this Ordinance. This Ordinance also provides for the process in determining the Tribal Prevailing Wage, which shall be adopted by the Tribal Council through a resolution.
