Steaks

Slowly but surely the beef is getting better and better in Germany.
We will stay on top of it and always purchase the best meat available. At
the moment the absolute best beef on the market here comes from the
good ole U.S. of A. It is corn and grain-fed Black Angus beef and exported by
Creekstone Farms. The meat has been dry aged for a period of thirty days
making the beef more tender and concentrating the flavor.

Flank

Flank Steak is cut from the belly muscle. Roughly 1.5 - 2 cm thick. This
steak is slightly fatty, juicy and tender until medium.

After medium this steak becomes tougher than a coffin nail.

9,00€ per 100g / min cut 250g / perfect cut 350g

Ribeye

Cut from the back under the rib. By far the steak with the most flavor.

Tender and juicy due to the serious marbling and fat content. The cook's
favorite. Can at times be VERY FATTY.

12,00€ per 100g / min cut 400g / perfect cut 500g

New York Strip

New York Strip a.k.a. the big side of the t-bone. Fattier than a filet, leaner
than a rib. Meaty and juicy like a high-priced southern hooker.

12,50€ per 100g / min cut 400g / perfect cut 500g

Filet

The American filet has a nice amount of marbling giving it flavor that
other filets do not have. Very tender if eaten medium rare, very juicy.

This steak will not be cooked more than medium.

18,00 € per 100g / min cut 250g / perfect cut 350g

Steaks come with fries and sautéed spinach.

If you don't want the spinach you can alternatively
have a small Caesar salad.

????? How should i get it cooked ??????

Rare means RARE. A very red center that is still raw. Only the outside is cooked.

Medium Rare means JUICY. A pinkish red center that has begun to cook. (highly recommended)

Medium is still PINK. The center is cooking. (recommended)

Medium Well The center has just lost all it's pinkness and the juices are drying up.

Well Done Its burnt offering. You have destroyed a piece of nature and the Chef hates you.

Last but not least !!!

PLEASE - At least try eating the damn burger with your hands.
All you uptight people with forks and knives are driving us
crazy. And for God's sake don't order your meat well done.
