RESTORING LOST FAMILY SERVICES TO ALUM ROCK SCHOOL DISTRICT

Hubbard Family Service Center has the “No Wrong Door Policy”

Who:  Grand Opening of Alum Rock Hubbard Family Resource Center

What:  The Hubbard Family Resource Center (FRC) is a collaborative effort to provide seamless services to families from all providers to ensure families are supported and have access to resources they need to succeed from cradle to career. In order to do this, we have the “No Wrong Door Policy” as we care for families regardless of their point of access. When a family comes to our FRC’s we will not turn them away without making referrals to districts with like services and it will be a warm hand off with a follow up on satisfaction of the services they are receiving. We will provide Quality Early Learning Opportunities and also be able to provide families with referrals to our internal programs such as immigration, housing, education, financial literacy, ESL and much more. We are making a commitment to our communities to provide meaningful engagement and services. This FRC is one of two that will be opening this year bringing communities access to resources which has been missing the last several years. Catholic Charities of Santa Clara County will be the operator of Hubbard and the second FRC center coming soon to Alum Rock School District.

When:  Monday, February 10, 2020, 10:00am

Where:  O.S. Hubbard Elementary at 1680 Foley Avenue, San Jose 95122
