Do you have a room to rent? House Sharing can help! Follow the steps below to participate in the free house sharing service and find your perfect housemate.

1. **INITIAL INTEREST**
   Interested House Sharing Providers will contact the program House Sharing Program (HSP) by phone, email or inquiry form via the Catholic Charities of SCC website. Applicants are then pre-screened & placed on our interest list.

2. **APPLICATION & INTAKE**
   Applicants will then be contacted by phone/email to discuss their interest in the program, determine eligibility, complete initial application questions, and schedule background check. All signed forms will be conducted virtually, but an in person appointment can be made if needed.

3. **ONLINE ACCESS - ROOMILY ACCOUNT**
   HSP staff will send the participant a link to sign up for the Roomily platform to easily create a profile and set up a room rental listing. Once completed, participants can directly connect with vetted potential renters who are interested in their rental.

4. **IT'S A MATCH! RENTAL AGREEMENT**
   Once a renter and home provider agree to house share, they will sign the HSP Rental Agreement.

5. **MONTHLY CONTACT & FOLLOW UP**
   HSP staff will check-in monthly for the first 90 days, then on occasion for the remainder of the agreement.

6. **PROVIDER INCENTIVE**
   At 90 days, the match is considered successful, and the Provider receives a $200 incentive.
