Public Comments on Non-Agenda Items:
Sue Howard expressed concern over fewer staff and additional student load in Elementary. She expressed concern over new wording in Supplemental contracts stating coaches are expected to drive athletes to events as assigned. She asked that the Board consider extra compensation for driving. Buck stated that a high school event had to be cancelled last year due to a coach refusing to drive a van to an event.

Community Center board member Jessica Coleman read a statement regarding protocols relating to communicating with the DCC board, saying any questions or concerns the District has about the Community Center should directed to the DCC board. They would like to form an ad hoc committee consisting of school board reps, DCC board reps, and school district reps to help facilitate communication between the DCC board and the school board.
