Board Comments:
Dave asked how many Board members would be attending the Strategic Planning meeting on Saturday. 3 of 4 members will attend. He asked members to put the Board Activity Calendar on their refrigerators so they’d know what was coming up. He asked members to take the paper with the Board-approved goals and asked McKenzie to put them on the District’s website. He said the Board agreed the wording revision on Procedure 4220 was acceptable with the addition of concerns with the Superintendent wording. He said the Board would be having a conversation with Dr. Marsh regarding his two goals.
He asked McKenzie what steps need to be taken to fill the vacancy on the Board. McKenzie said they needed to set a date for interviews in a public meeting, discuss candidates in an executive session, then appoint the new member. October 30 at 6:30 PM was agreed for the interview meeting.

Marree said the kids did a great job getting ready for the Mystery Dinner Theater taking place this Saturday at 6:00 PM in the Community Center dining hall. Tickets can be purchased from Steven Colson or on Round Table.
