MAIN THING

YOU WERE GOD'S DREAM!

“Thank you for the wonderful way that you have made me. Everything you do is wonderful, I know it’s true. While you caused me to grow in a secret place, none of my body was hidden from you. You made me.”

Psalms 139: 14-1

CONVO STARTER

What is one thing about you that makes you unique (or different) from others in the group? (Physically, how are you unique? What talents do you have?)

What do you think God likes about you?

WORDS TO REMEMBER

God brought you into the world for a purpose. And He made you uniquely you. God likes you just the way you are. He has given you special talents and abilities so you can use them to bring His love to others.

Psalm 139:14-18 (NCV)

WORDS TO PRAY

Hello God.

What is your dream for my
life? What do you dream of
when you think of me?

Wait quietly for a minute to listen.

CHALLENGE

Use one of your talents or skills to show someone God's love in a practical way – for example write a letter to tell someone why you think they are special, use your voice to defend someone who is being bullied, help a friend who isn't as good at some skill (like sports) as you are by practicing together.
