Support Improvements in Quality of Food Provided through Child Nutrition Programs

- Strengthen the ability of school districts to provide nutritious food to students
  - Maintain standards of the Healthy Hunger-Free Kids Act
  - Increase the capacity of school kitchens to cook high-quality meals from whole ingredients by providing necessary tools

Expand school districts’ ability to procure local products
- Expand cash in lieu of USDA Foods to other districts and states
- Support Farm to School Act of 2019

Increase meal reimbursement rates for all Child Nutrition Programs to more adequately cover actual costs

CREATE MORE YEAR-ROUND, CONSISTENT ACCESS TO MEALS
- Expand and make permanent the summer EBT program
- Improve access and capacity of summer meal programs including non-congregate feeding
- Ensure Community Eligibility Provision stays at 40% or lower of identified student percentage

Expand Reach of WIC

- Extend eligibility and certification periods for infants, children and mothers
  - Extend eligibility for children to age six
  - Extend WIC certifications for infants to two years
  - Extend eligibility for breastfeeding and postpartum mothers to two years.

- Expand access to healthy foods for WIC families
  - Increase fruit and vegetable benefits in WIC food packages
  - Pilot online and delivery grocery shopping programs
  - Allow eWIC at central point of sale at farmer markets

- Protect WIC funding
  - Expand funds for Breastfeeding Peer Counseling Program
  - Allow use of WIC food funds for EBT costs
  - Protect the Full Use of Federal Funds provision
  - Expand funds, including admin, for Farmers Market Nutrition Program and allow other direct market operations to utilize this program (e.g., CSAs)
