Paul Oh: DT is his big issue. Wants a revolution.
Alexandra: US Senate is in it for the $$, wants to focus on income inequality.
Elka: No need for recruitment. Stick to what we’ve been doing. Protest, Strong banners, signs, create a history of resistance.
Jim: Sense that we’ve lost, need self-care to keep going. Voter suppression.
Mary: Wants us to attend Common Cause rallies to make them more splashy and interesting. Also wants strong messaging, good flyers for every issue. Reach out to those who won’t go out in the streets.
Wrolf: Focus on climate. Do visually interesting actions.
Julie: A few people can make a big visual difference with the right props (DISBARR). Amplify what’s happening in DC. Flyers with Calls to Action. What is the hook for GOP complicity?
Cherie: Take it on the road: go on an Action Field Trip.
