- **Beds Not Bodybags.** Jennifer B and Mark H presented a new iteration of BnotB action pointing out inequities of health care access in NY. Used to do Queens where there are too few beds, now taking it to Manhattan where there's no shortage, specifically to Northwell Health which is trying to expand in Manhattan to market to upscale, global market. Want to replace the current Lenox Hill with 26 stories, 475 beds, luxury tower. Action would be to call out the haves/have nots discrepancy between proposed luxury new Manhattan building and the Northwell hospital in Queens which is overcrowded. Presidents Day Feb 15, noon. 77th St., somewhere near Lenox Hill Hospital. No vote because <$200
