Say Their Names - Next date
Jenny - Zoom meeting on Thursday, December 30, at 4PM to talk about de-escalation, safety, confrontations. If you are interested contact Jenny.
Next vigil is Friday, January 7th, at 4:30PM at 96th and Broadway.

Immigration Vigil: Jamie and Ray - Being in front of Saint Patricks worked better than the Atlas Statue. The main doors of the Church were open and a lot of people were going in and out, so good visibility. Also people coming out of the church did seem moved by our being there.

- Jenny and Stu spoke about Biden, ICE, and the situation for refugees “waiting in Mexico” and held in the US.

- Jamie - NYYRC - Good action, important that we were there and visible. NYYRC party goers were snide and smirky, but took lots of pictures of us to put up on their social media.

Livvie - Fox - Good turnout, lots of selfies but also lots of out of town tourists who love FOX. Also some Democrats from red states who were very very happy to see us. Lots of KUDOS to George and Julie for all of the work that goes into the flyers and the props.

Also everyone loves the FOX LIES hats in bright blue.
