Moment of silence for Tim
Announced that next week we will have a RaR memorial meeting for Tim. ActUp is thinking about something as well. We can coordinate or do two separate things. Looks like we will do both.

Good News!

Note: We are trying to prevent this from happening. Please call 212-226-6060, ask for Madeline the space booker. Tell her that dangerous homophobes shouldn’t be given a platform in NYC, in Chelsea, during Pride Month.
June 9 at noon—Healthcare Action—the 4 UN Missions of countries—about sharing tech and vaccines around the world. Trips waiver for COVID vaccines is the issue.

Report Backs
5/25–BlackRock Action
Really powerful. Coalition event. Xr, NY Communities of Change and others. Great signage. A Shareholder meeting was happening. Clergy members were there getting arrested. Lots of cops. Singing. Photographers. Oil spread on the doors and up against the wall. Great angry tone; Great music. Cops and security were on the group very quickly. Two-phased blocking and arresting event. Main message: Investing in new fossil fuel infrastructure is moral and economic madness.

5/26–GAG March and Rally
Medium-sized group but it was a strong action. Signage was great. Human beings were magnificent. Real cross-section of groups. Lots of speakers—state senators, congress people, activists. Was put together very quickly and did a great job.

5/27–Say Their Names—canceled due to rain

5/31–FOX News Action—gun violence focused, visually rich action. Tested 9 am event which worked out well. Summer weather may lead us back to 9 am but we need to discuss the pros and cons. Crowd is different from the noon crowd, they are rushing around. Lots of thumbs up and lots of flyers were handed out. Had panels with photos of the Buffalo and Uvalde victims. Had some new people not part of RAR. Note that flier is now an action sheet, not informational.

Non-RAR Announcements
6/11-March for Our Lives—against gun violence-Washington Square Park—Noon to 1 pm
6/12—Gays Against Guns—Little Island 3 to 5 pm—will need a lot of human beings.
