News from Albany
Clean Slate Bill passed both houses, waiting on Hochul's signature. Matching funds for small donors, with alterations that made it advantageous to big donors, passed by one vote, contrary to good govt/progressive campaign to defeat it because it's so defiled.
Bill to prevent radioactive waste being dumped in the Hudson passed unanimously in the Senate, waiting on the Assembly outcomes.

Re: Trump & messaging
Action at Trump Tower after the arraignment was announced was positive! Messaging was about Espionage Act.

Discussion of messaging: Espionage Act can be used way too broadly, has been used cruelly against Charity Winner, Chelsea Manner, Bad, easily misused law. Suggestion (Stu) that we move away from messaging centering on defence of national security to messaging about obstruction of justice. Pushback: get him on anything you can (Jamie). He really IS committing espionage (Paul). Opportunity to revive patriotism & bring back lost progressive voters. (Julie). Sedition doesn’t really speak to what he’s doing, which is law breaking (Alex). Jan 6 & overturning the election are more important (Rick).
