Hi **[Friend's Name]**,

I hope this email finds you well! I'm reaching out to share some exciting news and to ask for your support.

As you may know, I'm passionate about giving back to our community and making a difference in the lives of others. This year, I've committed to participating in the Pensacola Habitat for Humanity Women Build 2024 initiative.

Women Build is an incredible program that empowers women to come together and build homes for families in need. It's an opportunity for us to make a tangible impact and create positive change right here in our community.

I'm writing to ask for your support in reaching my fundraising goal. Every donation, no matter the size, brings us one step closer to providing safe and affordable housing for deserving families.

Would you consider making a donation to support my Women Build fundraising efforts? Your contribution will directly benefit families in Escambia and Santa Rosa Counties, providing them with the opportunity for a better future.

To donate, simply visit my Women Build fundraising page **[insert link here]**. Any amount you can give will make a meaningful difference and is greatly appreciated.

Thank you so much for considering supporting this important cause. Together, we can help build homes, transform lives, and create lasting change.

Thank you so much,
