Pensacola Habitat for Humanity's 11th Annual Women Build

I am thrilled to be part of the Women Build initiative by Pensacola Habitat for Humanity. This year marks our 11th Women Build event, bringing together women from all walks of life to support our local community. By fundraising and participating in the construction process, we are making a real difference in the local lives of families.

Last year, 160 women came together to support Women Build and helping a woman-led household reach the dream of homeownership. Your contributions directly impacted this family, and others like them, by providing them with safe and stable housing.

We've already begun fundraising for 2024, and last year we exceeded our goal by raising over \$150,000 collectively. This year, we aim to make an even greater impact. Whether you choose to sponsor, volunteer, or learn more about our initiative, your support is invaluable.

Join us as we celebrate over a decade of Women Build, empowering women and families in our community.

About Pensacola Habitat for Humanity

Established in 1981, Pensacola Habitat for Humanity is a non-profit organization dedicated to community improvement through sustainable partnerships. With over 1,500 homes built and renovated, Pensacola Habitat continues to innovate through projects like Home Buyer, HUD Certified Housing Counseling, and Community Development Programs. Providing unique financing options, Pensacola Habitat fosters affordable homeownership in Escambia and Santa Rosa Counties.

Pensacola Habitat for Humanity is a 501(c)(3) nonprofit organization. Contributions are tax deductible to the fullest extent of the law. EIN: 59-2186044
