Amway Business Intelligence has been helping with technology issues.

6. October 3 Process and Agenda

Tentative Agenda:
- Welcome
- Tom Haas
- Senator Peters
- Dashboard Presentation

- Returning Projects Update
- Projects Presentation
- Voting on Project Priorities
- Report Out

Voting will be on priority of project, not automatic funding for entire ask. After priorities are set at this meeting, the Steering Committee can reconvene to determine how much each will receive & if additional funds can be used from the next RPI grant.

Erin will put together a slide & handout regarding the progress of the 3 returning projects. Handouts will be available in the back of the room.

Erin has 125 voting clickers and Steve has 20. Both will bring theirs.

Information regarding each grant request project will not be forwarded to attendees prior to the meeting as many of the RSVPs came in without return email addresses.
