How Do We Communicate at UCA?

1. **Weekly Parent Newsletter**
   The weekly parent newsletter provides important updates, announcements, and logistics for the upcoming week and immediate future. This digital newsletter is emailed to all UCA parents and guardians every Monday morning of the academic year by 8:00 a.m.

2. **Phoenix Rising Newsletter**
   Phoenix Rising is a monthly e-newsletter that highlights the ways in which the mission of UCA was experienced in the previous month. Phoenix Rising is emailed the first week of each month to all UCA families, faculty, staff, donors, board of directors, and board of governors.

3. **Facebook, Instagram, and YouTube**
   Frequently throughout the week, we share the life of UCA on our Facebook & Instagram accounts. Chapel will be live streamed on Facebook and YouTube. "Like" us on Facebook at Unity Christian Academy, follow us on Instagram @weareuca, and subscribe to our YouTube channel: Unity Christian Academy - South Holland.

4. **"The Direct Four"**
   Direct communication between administration, parents, students, faculty, and staff is via email, phone call, letter, or text message. We encourage all UCA stakeholders to keep up-to-date with all four mediums as we regularly communicate critical information through them.
Otus

Otus is the hub of academics for UCA. Students and parents can view grades, assignments, Zoom class meeting links, resources, and more in Otus. Students and parents both have accounts for login.

Website

Our website, weareuca.org, is the go-to place for shared language around our mission, values, and approach to education. Upcoming events are regularly added under the 'events' tab. Current families can find helpful information under the 'current families' tab. Prospective families can find all the information needed to apply under the 'apply' tab.

UCA Quarterly

The UCA Quarterly is a print newsletter that features extended storytelling of UCA's mission, students, educators, and campus life. This print newsletter is mailed to UCA families, donors, and board members three times a year: October, January, and April.

Annual Impact Report

The Annual Impact Report is a digital newsletter that will offer critical data on the ways in which UCA was true to its mission within the fiscal year. This report will be emailed to UCA families, donors, faculty, staff, and board members every July.
