Whether you're commuting longer distances, winter training or entering summer sports, the Whyte road disc range offers Cyclo Cross levels of durability with pure road speed.

Our lightweight aluminium frame offers large tyre clearances, great geometry and reliable disc braking, making it a perfect companion for big rides out in the hills.

A strong alloy 6061 frame, with mudguard and rack eyelets, combined with wide width, offset rimmed RD-7 wheels and disc brakes will give years of reliable all-season performance.
