

## KURT B. WALDMAN

701 E Kirkwood Ave, Bloomington, IN 47405

EMAIL: [kbwaldma@iu.edu](mailto:kbwaldma@iu.edu)

WEB: [www.kurtwaldman.com](http://www.kurtwaldman.com)

TEL: 812-855-3986

### RESEARCH INTERESTS

---

My research applies behavioral economics and decision science to understand socio-environmental problems. Areas of interest include perceptions, judgment and decision making related to food systems, environmental change, and agricultural sustainability.

### ACADEMIC APPOINTMENTS

---

Assistant Professor, Department of Geography, Indiana University, Fall 2018- present.

Affiliated Faculty, Ostrom Workshop, Indiana University, Fall 2018- present.

Visitor, Kahneman-Treisman Center for Behavioral Science and Public Policy, Princeton University, Fall 2017- Spring 2018.

Postdoctoral Fellow, Ostrom Workshop, Indiana University, Fall 2015- Spring 2018.

### EDUCATION

---

Ph.D. Food and Agricultural Policy, Michigan State University, 2014

*Department:* Sustainability; *Dissertation:* Understanding how people evaluate tradeoffs related to food and the environment; *Chair:* John Kerr

M.S. Applied Economics and Management, Cornell University, 2009

*Thesis:* Ex-ante impact evaluation of livestock interventions in crop-livestock systems in Northern Afghanistan; *Chair:* Chris Barrett

B.A. History, Earlham College, 2000

### PUBLICATIONS

---

**Waldman, K.B.**, Attari, S.Z, Gower, D.B., Giroux, S.A., Caylor, K.K., and Evans, T.P. (2019). The salience of climate change in farmer decision making within smallholder semi-arid agroecosystems. *Climatic Change* (accepted). <https://link.springer.com/article/10.1007/s10584-019-02498-3>

## ARTICLES UNDER REVIEW

---

**Waldman, K.B.** Giroux, S.A, Blekking, J.P., Baylis, K., and Evans, T.P. Smallholder food storage dynamics and resilience. *Food Security* (accepted with minor revisions).

**Waldman, K.B.**, Todd, P.M., Omar, S., Blekking, J.P., Giroux, S., Evans, T.P., and Attari, S.Z. Decision making and climate variability among smallholder farmers (submitted).

Blekking, J.P.\*, **Waldman, K.B.**, and Evans, T.P. Certification of hybrid-maize seed for smallholders in Southern Africa. (submitted)

Blekking, J.P.\*, **Waldman, K.B.**, Tuholske, C., and Evans, T.P. The role of employment in urban food security in Sub-Saharan Africa (submitted).

Lopus, S., **Waldman, K.B.**, Guido, Z., Caylor, K., and Evans, T.P. Dual threats to African Farming (submitted).

Guido Z., Lopus, S., **Waldman, K.B.**, Hannah, C., Caylor, K., and Evans, T.P. Farmer Forecasts: Expectations of Seasonal Rainfall Inform Agricultural Decision-Making in Sub-Saharan Africa

## PAPERS IN PROGRESS

---

Evans, T.P., Caylor, K.K, Estes, L.D., Plale, B., Attari, S.Z., and **Waldman, K.B.** Rapid monitoring of drought impacts on small-scale farms in Africa through integration of farmer SMS data and environmental sensors.

Evans, T.P., McCord, P.M., Krell, N., **Waldman, K.B.**, Giroux, S.A., Caylor, K.K., Estes, L.D., and Sweeny S., Social-environmental data disconnects and gaps in coupled natural-human systems science.

## BOOK CHAPTERS AND CASE STUDIES

---

Richardson, R. B., Schmitt Olabisi, L.K., **Waldman, K. B.**, and Sakana, N. (2016). Using participatory system dynamics modeling of agricultural-environmental systems in a developing country context. In: *Innovations in Collaborative Modeling*, M. McNall, ed. In Press, Michigan State University Press.

**Waldman, K.B.**, (2016). Hybrid Maize Production and Climate Variability in Zambia, Case Study Collection, National Socio Environmental Synthesis Center. Annapolis, MD.

## GRANTS

---

Farmer, J., (PI) Knudsen, D., Todd, P., Brodizio, E., Osterhoudt, S., **Waldman, K.**, Giroux, S., Robinson, J., Bruce, A. Indiana University, Emerging Area of Research, “Sustainable Food System Science”, July 2018-June 2022 (\$2,838,000).

**Waldman, K.**, United States Department of Agriculture, National Institute of Food and Agriculture, Pre-doctoral Fellowship, 2012-4 (\$75,000)

**Waldman, K.** National Science Foundation, Decision Risk and Management Sciences, Doctoral Dissertation Improvement Grant, 2011-2 (\$7,000)

**Waldman, K.**, Kerr, J. Michigan Department of Agriculture, Social Science Research Grant, “Institutional Support for Artisanal Cheese Production in Michigan,” 2009-10 (\$50,000)

**Waldman, K.**, Mario Einaudi Center for International Studies, International Research Travel Grant, 2008 (\$2,000)

**Waldman, K.**, Cornell Institute for International Food and Agriculture Development, Research Grant, Cornell University, 2008 (\$8,000)

## AWARDS

---

Axinn International Development Scholarship, Michigan State University, 2013

Research Enhancement Award, Michigan State University, 2010

Barlowe Scholarship in Institutional Economics, Michigan State University, 2010

## TEACHING

---

GEOG 208 Environment and Society, Indiana University, Fall 2018, Spring 2019 (~60 students).

GEOG 478/578 Global Change, Food and Farming Systems, Indiana University, Fall 2018 (~36 students).

## ADVISING

---

Jordan Blekking (PhD Student), 2017 to present.

## **CONFERENCE PRESENTATIONS AND INVITED TALKS**

---

Waldman, K. Sustainable food consumption. 11<sup>th</sup> Triennial Invitational Choice Symposium. Cambridge, MD. June, 2019.

Food storage dynamics and resilience, American Association of Geographers Annual Meeting, New Orleans, April 2018.

Using behavioral experiments to understand tradeoffs related to food safety, University of Vermont, Department of Nutrition and Food Sciences, February 2018.

Perceptions and biases related to climate variability among smallholder farmers, The Ohio State University, School of Environment and Natural Resources, January 2018.

Perceptions of multi-level governance of small scale irrigation systems on the slopes of Mt. Kenya. Resilience Conference, Stockholm, Sweden, August 2017.

Matching perceptions of climate change with historical hydroclimate data in Zambia. Midwestern Conference on Cognitive Science, Oxford, OH., July 2017.

Matching perceptions of climate change with historical hydroclimate data in Zambia. Association for Environmental Studies and Sciences Annual Conference, Tucson, AZ., June 2017.

Perceptions of rainfall variability among smallholder farmers. American Association of Geographers Annual Meeting, Boston, MA., April 2017.

The impact of farmers' perceptions of rainfall uncertainty on hybrid maize seed choice, American Association of Geographers Annual Meeting, San Francisco, April 2016.

Farmers' perceptions of climate events on seed choice, Ostrom Workshop Research Series, Indiana University, April 2016.

Consumers' decisions about tradeoffs between food safety and sensory quality. Applied and Agricultural Economics Association Annual Meeting, Minneapolis, Minnesota, July 2014.

Using experimental auctions to understand how consumers and producers evaluate tradeoffs related to food and agriculture, Gund Institute for Ecological Economics, University of Vermont, Burlington, VT., April 2014.

Combining participatory crop trials and experimental auctions. Symposium on Economic Experiments in Developing Countries, Norwegian School of Economics, Bergen, Norway, December 2013.

Combining participatory agronomic trials and experimental auctions to estimate farmers' preferences

for improved beans in Rwanda.” Workshop in Sustainable Development, Columbia University, New York, NY., April 2012.

## **PROFESSIONAL SERVICE ACTIVITIES**

---

Ad hoc reviewer for *Ecological Economics*, *Food Policy*, *Food Security*, *International Food Policy Research Institute*, *International Journal of the Commons*, *Land Use Policy*.

Member of American Association of Geographers, 2015-present; Associate for Environmental Studies and Sciences, 2016-present; Applied and Agricultural Economics Association, 2009-2015.

## **OTHER RELEVANT SKILLS**

---

Language: Proficient in Ifugao (Philippines); basic conversation in Farsi, German.

Computer: Stata, NLOGIT, and SAS
