These bell tents are available from 1st April through to 30th September. Guests using these tents can access and use the main lodge at any time throughout their stay.

In total with the bell tents we can sleep 16 guests on site. For additional guests to stay on site, please see our bell tent village and camping options below.

Although we highly recommend Csons we do understand that couples want the flexibility to choose their own caterer.

In this instance if you'd like to choose your own catering team or food truck we ask that they come and visit us on site before you book them. Alternatively we have a list of external suppliers that we recommend that you can choose from.

We also have a recommended list of suppliers that will deliver to our door for other days you are staying with us. We have a wonderful local greengrocer, baker and butcher all who can deliver so that you can invite guests back for a bbq the day after your celebrations.

| Extras

For Extra Accommodation on site in addition to the main lodge and the 3 garden bell tents mentioned above we have the following two options;

- **An entire Bell Tent Village.** Prices range from £270 to £610 depending on your choice of furnishing and are for 3 nights. The bell tents are set up in the main field as you approach the lodge and look spectacular when lit up a night. Booking for these tents are done via our website so that guests can pick and choose the tent of their choice. There is a minimum of 10 tents required for these tents to be set up and they are in addition to booking the garden bell tents listed above. These bell tents are available from 1st May to 1st September. Booking the bell tent village requires a portable shower and toilet unit for these guests, which is an additional £650.

- **Camping.** For guests who want to bring their own tents, there is a £55 per pitch fee. Booking is done by guests directly through our website.

Please note for both the bell tent village and camping option there is also an additional charge for the hire of portable toilet and shower unit. This is something we arrange for you and ask you to then pay the company directly. We use a company called Nomadic Washrooms.

- **Local Accommodation.** Alternatively if you would like to book local accommodation nearby we can send you a link of those we recommend who are close by.

Every celebration, event and hire of the Wilde Lodge site is different and each is tailored to you, please ask our wedding coordinators for your bespoke quote.
