We are looking for talent to join our team as:

**American Sign Language (ASL) Specialist**

in a dynamic and collaborative workplace.

Temporary – (2) Part Time Position (80hrs per month) for 3 months subject to renew based on project scope and funds availability.

**Job Details:**
The American Sign Language (ASL) Specialist translate human verbal communication in real-time (interpretation) or written text (translation) from one language to another. This professional use hand movements to communicate with the deaf or hard-of-hearing. They provide support to those individuals at any community meeting in order to facilitate the communication between them and the FPR or the WCRP Program Staff.

- Identifies an individual's preferred methods of communication, supplementary methods of communication, and methods that have proven to be effective or ineffective.
- Educates and coordinate with the Community Outreach Coordinators on the individual's current and preferred communication needs.
- Helps establish environments that emphasize the use of visual cues and other appropriate communication barriers.
- Participates and assists in the development of plan to identify and provide his/her service to any individual that requires language interpretation assistance, as appropriate.

**Requirements:**
High school diploma or general education degree (GED); and one-year related experience or training. Intermediate or above fluency in American Sign Language is required for this position (English and Spanish).

**The candidate must have:**
- Experience with speech language pathology.
- Experience with sign linguistics.
- Experience with the education of the deaf.
- Experience working with individuals that have intellectual disabilities or autism.
- Gestural communication.
- Written communication skills in English and Spanish.
