
Watertown Square

Improvements Project

Join Us for an Open House

When: Tuesday, July 10, from 4:00 to 7:00 PM
Where: Watertown Free Public Library
Watertown Savings Bank Meeting Room
123 Main Street, Watertown

The Town of Watertown is redesigning Watertown Square to improve mobility and safety for all users (including pedestrians, bicyclists, transit riders, and vehicles). At this interactive Open House, staff will present the Complete Streets concept plan for Watertown Square and its transportation and environmental benefits. We will also share the results of traffic data collection and analysis completed since the October 30, 2017 Public Works Subcommittee meeting, and the concept plans and alternatives for Charles River Road. Staff will be available to answer your questions and listen to your feedback.

Please stop by anytime between 4:00 and 7:00 PM to learn more and provide comments.

Learn more about the project and download this flyer on our website:
