To get a Birth Certificate
If you were born in Cleveland, get your birth certificate at Cleveland City Hall, Bureau of Vital Statistics, for $25.00 by filling out a request form there. If you were born anywhere else in Ohio, request your birth certificate from the Bureau of Vital Statistics in Columbus, Ohio for $21.50. See the website by searching “ohio gateway order birth certificate” in a search engine.
If you were born in another state, you will need to request your BC from that state. You may also need to send a copy of your state photo ID in some cases. Look up the state’s website but avoid private companies (Vital Check, etc.) which can add up to $60.00

To get a State Photo ID
You must show your certified birth certificate, your Social Security Card or printout, and proof of residency at any of the Bureau of Motor Vehicle offices. If you have no proof of residency, you will need to ask for a “Proof of Residency-Certified Statement” form for a social service agency or church to fill out. Cost for an ID is $8.50. Financial assistance may be available. Call 211 for further instructions.
