Dear Guest,

We are happy to host “virtual” Camille’s Memory Café! This message is to let you know that there are some special guidelines about privacy for these events.

The virtual Camille’s Memory Care will be held over video conferencing. If you decide to participate, you are agreeing to the following:

- Your voice/or picture will be shared with the group during Camille’s Memory Café.
- We will record the activity that is facilitated by our guest presenter, and we will share this recording with Camille’s Memory Café guests. We may share this recording with other individuals who could enjoy it, and with community service providers also. We will not share any recordings that include the video images of our café guests unless we ask your permission first.
- We, the staff of A Gift of Time, will enable all available encryption and privacy modes when we are using teleconferencing.
- Please be aware that any people who are in the same room as a Camille’s Memory Café guest could either overhear the guest’s communications or have access to the technology that the guest is using. This may include family, friends, employers and co-workers and others.
- We ask you to do your best to maintain the group’s privacy.
- Please choose a quiet, private spot in your house where you will participate.

Please contact Josie Zamora at agiftoftimeadc@gmail.com or call 512-688-6497 if you have any questions or concerns.

Thank you!

Josie Zamora
