***Select Eye Care Acquired by  
Chesapeake Eye Care***

***Seventh practice to Join Mid-Atlantic Ophthalmology Group***

**Annapolis, Maryland, January 11, 2018** – Select Eye Care, a large ophthalmology practice with a surgery center and locations in Towson and Elkridge, Maryland was recently acquired by Chesapeake Eye Care, according to Michael Dunn, Chesapeake’s CEO. The acquisition further expands Chesapeake Eye Care’s growing network of ophthalmology practices in the Mid-Atlantic region.

“Chesapeake Eye Care is growing rapidly as we continue to identify high-quality, well-managed practices to add to our portfolio,” says Mr. Dunn. “Bringing Dr. Scott LaBorwit and his colleagues at Select Eye Care onboard allows us to expand our footprint into Howard and Baltimore Counties by adding a team to our network in which we have complete confidence.”

“This is an exciting time in ophthalmology,” says Dr. LaBorwit. “Chesapeake Eye Care’s partners and future plans are substantial and I am pleased to be connected with them. I look forward to sharing best practices, collaborating on clinical advances and being part of something bigger.”

The acquisition of Select Eye Care – its seventh in 18 months, demonstrates Chesapeake Eye Care’s continued commitment to recruiting top-performing doctors and expanding patient access to care across its growing network of practice locations and surgery centers in the Mid-Atlantic.
