10. **TERMINATION AND BREACH**
  - A UCCR and Licensee agree that these terms and conditions are material inducements to the execution of this Agreement, and that the breach of any one or more of said provisions shall be a material breach entitling UCCR to terminate this Agreement without notice. Waiver of one or more breaches shall not be construed as waiver of any subsequent or other breaches.
  - B UCCR may terminate this Agreement without any liability upon ten (10) days prior written notice to Licensee either 1) with cause or 2) upon a determination by UCCR, in its sole and exclusive judgment, that the requirements of the State Fire Marshal, the Department of Public Health and Safety, or any statute, rule or regulation of any federal state or local body, imposes undue requirements or hardship on UCCR. In such latter events, all amounts paid by Licensee to UCCR shall be fully refunded.
  - C If the Little Basin is destroyed by fire or other cause or is so damaged that it is untenable, this Agreement may, in the discretion of UCCR, be terminated and Licensee shall have no further obligation hereunder.
  - D In the event a legal action or other proceeding is brought to enforce the terms of this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party those of its fees and costs incurred in the proceeding which the Finder of Fact shall, in its sole discretion, apportion in its favor.
  - E. In the event of cancellation by Licensee, Licensee may be charged a cancellation fee. If Licensee terminates this Agreement within seven (7) days of arrival date without using the Little Basin as agreed and if UCCR cannot re-license the Little Basin, then Licensee agrees to pay to UCCR the fee for one night for site(s) reserved as a cancellation fee.
