Community Identity Program
My Legacy
A CITYarts mural project in Comp Sci High, South Bronx, NY

What:
CITYarts will produce and create a mural project at Comp Sci High in the South Bronx. The project will be centered on the theme of Legacy, where students will be able to collaborate with a professional artist and bring their own ideas about the importance of legacy in their lives and their community at large.

Where: Comp Sci High School
1300 Boynton Ave, The Bronx, NY 10472

Who:
- Students: Comp Sci High
- Linda Serrone Rolon, CITYarts Artist
- Interns, Staff, & Volunteers, CITYarts
- Ugochukwu Onyewuchi (Ugo), Primary Contact/Art Teacher
- Sponsors: Comp Sci High, Others to be announced

Why:
- “Through the school’s mission to impact the local Bronx community positively… we want the mural to reflect qualities [that] we would like to see travel from inside our school to the outside community.” -Ugo (Art Teacher)
- To create a school image for this second-year school
- Assist students in realizing their potential through visual arts
- Encourage and empower the students to create their own identity through the creation of a mural
- Improve team work, communications, and art skills

When: December 2019 - Fall 2020
