Limited Access Connections

Innovation in Action: First and last mile solutions with Pierce Transit and Lyft

Penny Grellier
Business Partnership Administrator
The purpose of this project and its funding is to determine if TNCs and transit can work together to improve availability of shared-use mobility options.
Limited Access Connections

• **Goal**: to provide first and last mile connections to transit hubs and bus stops in areas/times of limited service

• **Challenges**
  - negotiations, data sharing with TNC
  - equity in service provision (WAV, phone, unbanked)
  - getting the word out

• **Current status**: launched May 15, 2018; projected end Dec 31, 2019
