WHEN WILL YOU ARRIVE FOR THE WEDDING?

FITTING NOTES:

## *Tuxedo Delivery Timeline*

### THE WEEK OF THE WEDDING

STANDARD DELIVERY IS THE TUESDAY PRIOR TO YOUR WEDDING AT 2 P.M.

#### TUESDAY & WEDNESDAY

Expect a call or text message informing you that the tuxedos have arrived and are ready for a fitting. Schedule a time to try on.

#### TUE., WED., AND THU.

Everyone should try on their rental by 4 p.m. on Thursday. We are open from 12 noon to 8 p.m. on Tuesday and Wednesday to accommodate your party members. Alterations are typically necessary!

#### THURSDAY & FRIDAY

Pick up any replacements and alterations between 3:00 p.m. on Thursday and 6:00 p.m. on Friday.

#### FRIDAY & SATURDAY

Look dapper, say "I do", have an amazing day!

#### THE FOLLOWING TUESDAY

Please return all of your rental pieces in your garment bag to W.E. by 6 p.m. The next renter is depending on you! A \$20 late fee per day will be billed starting Thursday following the wedding/event.

I understand rentals may not fit perfectly on arrival and typically require alterations or replacements, which are provide at no additional cost. I am aware that picking up or trying on a rental after 4 p.m. on the Thurs. before the wedding significantly reduces the ability to alter or replace ill fitting garments. I've read, acknowledged, and understand the shop policies, information, and time line listed above.

### YOUR TUXES WON'T FIT (perfectly!)

We do measure the groomsmen and in most cases they try on shirts, pants, and coats. However this does not mean their rental will be 100% on arrival. No body is the same and so, like gowns, tuxedo often need to be altered to fit perfectly. Groomsmen will most likely need alterations (at no cost!) and exchanges (at no cost!). Replacements and alterations can take 24 - 48 hours to be delivered or completed.

### YOUR REHEARSAL DINNER

Tuxedo pick up and replacement delivery may conflict with your rehearsal dinner schedule. Please confirm the rehearsal schedule and be aware that replacements and alterations are not available to pick up until 2 p.m. on Thursday.

### NOPE, YOU CAN'T KEEP THE SUIT!

Your rental is part of very complicated, tight schedule. It's already promised to someone else, please return your rental ON TIME (the Tuesday following the wedding) so the next renter has a chance to look just as handsome!

### HOT STYLES

Rentals that include desirable colors, styles, or sizes may be delivered without back ordered pieces or later than TUESDAY before the wedding. We will do our best to work efficiently to ensure the rental will fit. While we will track a late rental, there is very little we can do to push through a popular style that is running late.
