

one thing

one
person

you miss:

you excel at:

you crave:

you'd like to get to know
better:

you make the best
of:

you giggle
about:

you can disagree with and still
adore:

you've
learned
from:

you hope for:

you can be
you with:

you share your secrets with:

one
place

you go for fun:

you go for some
peace and quiet:

you'd go back to in a
heartbeat:

you go for a
great meal:

you remember
fondly:

you go to see people
you love:

you've never been:

one thing
