## Endorsement of Mike Dunleavy

Mike Dunleavy has been a strong and consistent Conservative since his time in the Alaska State Senate. I was proud to endorse his first run for Governor, and I am proud to support his reelection, too. From his handling of the virus, support of the Constitution—including the Second and Tenth Amendments—taking advantage of all the opportunities Alaska has to offer, and his strong pushback against the Liberal Biden Administration's attempt to hurt our great Country. Alaska needs Mike Dunleavy as Governor now more than ever. He has my Complete and Total Endorsement but, this endorsement is subject to his non-endorsement of Senator Lisa Murkowski who has been very bad for Alaska, including losing ANWAR, perhaps the most important drilling site in the world, and much else. In other words, if Mike endorses her, which is his prerogative, my endorsement of him is null and void, and of no further force or effect!
