## HOLEMAN AND FINCH

Holeman and Finch Public House is the center of its community; a place to gather and enjoy a respite from the day. Here we connect and celebrate with each other. We love delicious food, well-made drinks, and great wine -- nothing too fancy, unless that's what you fancy. We focus on good drinks that create good conversation, whether that's a pichet of wine or a local craft beer, a complicated cocktail or a scotch neat.
