

FC MONMOUTH 1, ATLANTIC CITY FC 0

Wednesday, May 29, 2019 - Egg Harbor Township, NJ

Post-Match Notes

Making Chances Count

- FC Monmouth registered six shots in the contest, with three being on target. One of those three found the back of the net, a shot from midfielder Anthony Rovito in the 35th minute. The goal was the first on the year for Rovito, who was assisted by forward Regsan Watkins.

Suffocating Defense

- While Atlantic City FC shot the ball 14 times, only one of those shots was on target. In two of the three contests this season, FC Monmouth has held their opponent to one or fewer shots on target (0 SOT, 5/18 vs. New Jersey Copa FC). Atlantic City did not register a shot on target until the 56th minute.

Worth the Wait

- The match was paused due to weather in the 71st minute, which began a weather delay that lasted roughly three hours. FC Monmouth came out of the delay and maintained the shutout, which is the second on the season in three games. They did not allow a shot on target following the delay.
