Last Time Out + Game Preview

FC Monmouth fell 2-0 to FC Motown in the 2021 NPSL season opener on May 8. After a scoreless first half, FC Motown was able to score twice in the final 45 minutes to come away with its fourth victory all-time over FC Monmouth. FC Monmouth played their rivals from the north tough, keeping things close and creating chances throughout the evening.

Goalkeeper Matt Perrella recorded seven saves in the game, which is the most for a goalkeeper making their FC Monmouth debut, and the most by any FC Monmouth goalkeeper in a game since Scott Weigel had eight on July 7, 2018. Defender Zachary Pereira also moved into a tie with former midfielder Dylan Fogerty for the most games played in club history (20).

FC Monmouth will look to snap a four-game losing streak dating back to the 2019 season as they travel to face the Electric City Shock. Electric City opened up their 2021 season with a 4-0 victory over Hershey FC on May 15. Three of those goals came in the second half, and defender Cameron Weston recorded two goals on penalty kicks. Their four goals was the most for a single game since July 8, 2017, when they had five against Torch FC.

The last meeting between the two teams featured a three-goal performance from FC Monmouth. Bryant Knibbs scored a goal from outside the box and Regsan Watkins put two in the back of the net as FC Monmouth held on to win 3-2 despite a late push from Electric City. The two goals from Watkins gave him the all-time goals mark in club history, and the team registered 12 shots in the first half, which was the most for any half in the club's history.

Tonight's Opponent: Electric City Shock

They went 2-7-1 during the 2019 season, and have a combined record of 3-15-2 during the 2018 and 2019 seasons.

They are coached by Andrew Loughnane, and they play their home games at Marywood University in Scranton, Pennsylvania. They previously played at the University of Scranton during the 2019 season.

Things to Know

Looking to Bounce Back

FC Monmouth fell 2-0 to FC Motown in its season opener on May 8. The club has lost four consecutive games in NPSL competition dating back to the 2019 season, and will look to end that streak in Scranton on May 19.

Pereira on Verge of History

The next game that defender Zachary Pereira plays in will make him FC Monmouth's all-time leader in games played. He is currently tied with former midfielder Dylan Fogerty at 20. Midfielder Chase Covello also moved into sole possession of third all-time with his start on May 8.

Pennsylvania Success

FC Monmouth holds a 7-2-1 all-time record against teams from Pennsylvania, accounting for 64 percent of the club's total wins over its first two-plus seasons. May 19's clash against Electric City will mark the first of four against Pennsylvania opponents in 2021.

Perrella's Debut

Goalkeeper Matt Perrella made history in his debut on May 8, as he recorded the most saves by a FC Monmouth goalkeeper since July 7, 2018. His seven stops also marked the most ever by a goalkeeper making their FC Monmouth debut.

The Starters' Strong Debut

For the first time in club history, FC Monmouth played a game in which all 11 of its starters played the full 90 minutes. The fewest number of subs used for a single game in club history was two prior to May 8's game.

A New Partnership

In February of 2020, FC Monmouth and Jackson Lions FC announced a partnership in which Jackson Lions FC players would suit up for FC Monmouth during the NPSL season. Due to the COVID-19 pandemic, the 2021 season will mark the first season in which the partnership comes to fruition on the field. FC Monmouth's 2021 roster features more than 10 players from Jackson Lions FC.

Ending the Preseason in Style

FC Monmouth capped off its 2021 preseason with a 2-1 victory over USL League Two's Real Central New Jersey. Forward Josh Hesson scored two second half goals, and FC Monmouth goalkeepers collected four saves in the game.

Hitting the Road

The 2021 season features a record six games away from Red Bank, spanning three states. This season will mark the first time in team history that it will have multiple back-to-back road games in a single season. FC Monmouth plays two games on the road from May 19-26, and then three in a row from June 26 to July 8. That three game stretch is the longest in team history.

New Team, Who This?

The 2021 season will mark the first time FC Monmouth will face an opponent from the state of Delaware. First State FC, a club making its NPSL debut, will play FC Monmouth twice within the span of 11 days. Their first meeting will take place on May 26, with the return game in New Jersey set for June 5.

Staying Local

25 players on the 2021 FC Monmouth roster are natives of New Jersey. Throughout its entire history, FC Monmouth has had a commitment to having local talent on the team. In all three seasons, it has had at least 20 New Jersey natives on the roster, with this year setting a new record.

Brian Woods

Head Coach, 3rd Season

The 2021 season marks the third in which Brian Woods will be on the sidelines for FC Monmouth. As the only head coach in team history, he has helped establish the team within the Keystone Conference and the NPSL over its first two seasons.

In his first season at the helm, he guided the club to six wins and a playoff appearance in its first-ever year of existence. Under his guidance, FC Monmouth saw three players garner regional attention being named to the 2018 Keystone Conference IX, along with a player being named to the 2018 NPSL National IX.

His second season saw similar success, as FC Monmouth won five of its first seven games, and the club was in contention for a playoff berth the entire season, falling just short in the final week. 2019 marked the second-straight five-plus win season for Woods, and the team broke many of their statistic records from their first season.

Along with his duties as the Head Coach of FC Monmouth, Woods also serves as the Head Coach at William Paterson University. During his 29-year tenure, the Pioneers appeared in 12 postseasons, winning 239 games in the process.

His 2008 season was one of his most notable, as William Paterson made it to the NJAC Tournament semifinals, along with the ECAC Metro Tournament Championship, which was the Pioneers' first postseason title since 1975. The team was also ranked in the NSCAA Top 25 Poll for eight weeks. Woods was named the 2008 NJAC Coach of the Year for his efforts.

In 2010, Woods guided the Pioneers to their second-ever NCAA Tournament appearance, making it to the second round while matching a school record for wins with 14. The 2010 Pioneers also featured former FC Monmouth midfielder Julian Valerio, who was a member of the 2010 National Soccer Coaches Association of America All-1st Team.

Woods was a four-time All-NJAC selection while at Trenton State, where he graduated with a bachelor's degree in corporate fitness. He coached there until 1992, when he moved to William Paterson as the Head Coach.

Woods is also a USSF Academy staff coach for Match Fit Academy, where he has led the boys club to seven State Cup Titles, three U.S. Club Soccer National Finals appearances, and five appearances in the USSF Academy playoffs.
