The Lincoln County Office of Environmental Sanitation shall not, however, delay the issuance of any emergency orders.

Section 8. Rule-making authority

The Lincoln County Commission shall have the power as necessary in the interest of public health, safety, and general welfare, to adopt and promulgate rules and regulations and assign the Lincoln County Office of Environmental Sanitation to interpret and implement the provisions of adopted rules and regulations and to designate requirements applicable because of local climatic or other conditions.

Section 9. Organization

The Lincoln County Commission shall appoint such number of code officials, technical assistants, inspectors, and other employees as shall be necessary for the administration and implementation of adopted orders, ordinances, rules or regulations. The Lincoln County Commission is authorized to designate an employee as a code official who shall exercise all the powers of a code official during the temporary absence or disability of the code official.

Section 10. Restriction of employees

An official or employee connected in any way with the implementation or enforcement of adopted orders, ordinances, rules or regulations assigned to the Lincoln County Office of Environmental Sanitation by the Lincoln County Commission shall not be engaged in, or directly or indirectly connected with the furnishing of labor, materials, or appliances for the construction, alteration or maintenance of a building or premise unless that person is the owner of the premise or engage in any work that conflicts with official duties or with the interest of the Lincoln County Office of Environmental Sanitation.

An official record shall be kept of all business and activities of the Lincoln County Office of Environmental Sanitation and all such records shall be open to public inspection at all appropriate times and according to reasonable rules to maintain the integrity and security of such records.

Section 13. Emergency measures

13.1 Imminent danger: When, in the opinion of the code official, there is imminent danger or situation on a premise which endangers life or threatens the public health, the code official is hereby authorized and empowered to order and require the occupants to vacate the premises forthwith. Section 14. Violations.

Whenever the code official shall ascertain or have knowledge that a violation of an adopted order, ordinance, rule or regulation exists, the code official shall notify the person causing, maintaining or permitting the violation to abate or remove such violation. Such notice shall be required but such notice shall not be required as a prerequisite for determination by the code official of the existence of a violation. If the violation is on private property, proof that a person occupies the property or that a person has possession or the right of possession of the property shall constitute prima facie evidence for the purposes of this code that such person has caused, maintained, and/or permitted the violation; and such person shall be responsible for its abatement.

Such notification shall (1) Be in writing, (2) If applicable, include a description of the real estate sufficient for identification, (3) Include a statement of the reasons or reasons why the notice is being issued, and (4) Include a correction order allowing reasonable time for the repairs and improvements required to bring the premises into compliance with the provisions of the code being violated.

Such notification may be made by any one (1) of the following methods: (1) Delivery of the written notice of violation to the owner or the person occupying or having possession of the property, (2) Depositing in the United States mail, postage prepaid, the notice addressed to the owner or the person occupying or having possession of the right of possession of the property, (3) If such property is not occupied, the code official shall notify the owner(s) by posting a notice of the request to abate or remove such violation within a time to be specified in such notice upon such premises and shall send a copy of such notice by registered mail to the last-known address of the owners, (4) If such property is not occupied and the owner is unknown or cannot be located, the code official shall post a notice containing an order to abate the violation on
the property where such violation exists, (5) By delivery of a notice or by depositing in the United States mail, postage, prepaid, a notice to the person causing, maintaining, or permitting a violation.

Section 14. Penalty

Any person who shall violate a provision of any order, ordinance, rule or regulation promulgated by the Lincoln County Commission and assigned to the Lincoln County Office of Environmental Sanitation for implementation and enforcement shall upon conviction thereof, be subject to the penalty, if any, specified in the order, ordinance, rule or regulation that has been violated.

Section 15. Prosecution

In case of any unlawful act(s), the code official shall institute an appropriate action or proceeding at law to exact the penalty provided in the order, ordinance, rule or regulation that has been violated. The code official will take violations as necessary to the Prosecuting Attorney for prosecution at law or in equity against the person responsible for the violation for the purpose of ordering that person: (1) To restrain, correct, or remove the violation or refrain from any further actions that further the violation; (2) To prevent the occupancy of the premises that is not in compliance.

Section 16. Transfer of Ownership

It shall be unlawful for the owner of any dwelling unit or structure who has received a compliance order or upon whom a notice of violation has been served to sell, transfer, mortgage, lease or otherwise dispose of or to another the subject property until the provisions of the compliance order or notice of violation have been complied with, or until such owner shall first furnish the grantee, transferee, mortgagee or lessee a true copy of any compliance order or notice of violation issued by the code official and shall furnish to the code official a signed and notarized statement from the grantee, transferee, mortgagee or lessee, acknowledging the receipt of such compliance order or notice of violation and fully accepting the responsibility without condition for making the corrections or repairs required by such compliance order or notice of violation.

Section 17. Conflict With Other Laws.

The provisions of any law or regulation establishing standards affording greater protection of the public health and/or safety shall prevail within the respective jurisdictions over the provisions of this ordinance adopted hereunder.

The Lincoln County Commission may convene a hearing and enter into this ordinance any necessary revisions or amendments for the administration of this ordinance. Such revisions or amendments shall represent a separate, distinct and independent entity of the ordinance and may be accomplished by court order or any other method allowed by law.
