Lincoln County Health Department Notified of Public Exposure to COVID-19

Lincoln County, MO – The Lincoln County Health Department was notified of a public exposure to COVID-19 at Taormina's Sicilian Restaurant in Troy, MO.

Anyone who visited on the following date should monitor their health and watch for symptoms.

- Saturday 6/27/2020, 7:30 p.m. – 8:30 p.m.

According to the CDC, people with COVID-19 have reported a wide range of symptoms – ranging from mild symptoms to severe illness. The following symptoms may appear 2-14 days after exposure to the virus:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If you develop any of these symptoms, please contact your healthcare provider. Please know that most people have mild illness and are able to recover at home. People who visited the business but do not have symptoms do not need to self-quarantine unless they develop COVID-19 symptoms.

The health department will not be releasing any additional information about the individual to protect patient privacy.

For more information about COVID-19 please visit our website at www.lchdmo.org/covid-19 or the Centers for Disease Control and Prevention website at www.CDC.gov Residents can also call the Missouri COVID-19 hotline with general questions at (877) 435-8411.
