Kappa Psi Pharmaceutical Fraternity, Inc.
Guidelines for Posting to International Social Media

The following guidelines apply to all international social media accounts managed by Kappa Psi Pharmaceutical Fraternity unless otherwise specified. Information posted or shared that does not meet the following guidelines will be removed.

1. Open posting by members is provided as a benefit to members in forums where membership can be verified. Access will only be granted to these forums once membership has been confirmed.

2. Posted or shared information should be germane to Kappa Psi, the profession of pharmacy or health science education. Personal requests for information not related to these areas are best shared in local or regional groups or on personal accounts.

3. With the exception of Kappa Psi branded or licensed products and apparel, commercial postings for services or sales of products may only be shared if contracts approved by the International Executive Committee are in place. Kappa Psi products and apparel not meeting licensing guidelines set in place with Affinity Licensing may be removed.

4. Personal fundraising/sponsorship/contest requests for non-Kappa Psi sponsored events or in support of organizations not affiliated with Kappa Psi or its chapters are prohibited.

5. Posts or comments with vulgar language or that are offensive or demeaning to others will be removed by the administrators.

6. Documents, information, images or other material protected by copyright, trademark or patent laws may not be posted, shared or requested without the permission of the copyright owner.

7. Information that is illegal or in violation of Kappa Psi Pharmaceutical Fraternity policies will be removed.

8. Posted information by non-Brothers may be removed at the discretion of the administrators.

9. Open posting on Kappa Psi social media may be available on some sites. Kappa Psi is not responsible for the opinions and information posted by others. Kappa Psi does not endorse or support the content of third-party links and is not responsible for their content. Members should be cautious of security and content of links when sharing information on Kappa Psi social media.

10. Kappa Psi reserves the right to terminate access to any user who does not abide by these guidelines.
