REPORT OF THE GRAND REGISTRAR AND EDITOR FOR THE PERIOD  
Beginning January 1, 1925 and ending August  
 15th, 1928.

To the Members of Kappa Psi Pharmaceutical Fraternity,  
 GREETING:

Your Grand Registrar and Editor submits the following report for the period beginning January 1, 1925 and ending August 15th, 1928, practically four years. He has had the report compiled by A Certified Public Accountant who has also audited the books of this office. The report is presented in two parts, since analysis shows two very interesting financial phases in the period of time covered by the report. The Grand Registrar and Editor has been very much elated over the financial support rendered by the chapters during the past session (1927-28), and he is confident that the future holds nothing but success, including financial success, in greatest measure for our beloved Fraternity. He desires to express his personal thanks to the officers and members of the various chapters who have given him their hearty support and aided him in the conduct of the business of the Central Office.
