

KAPPA PSI PHARMACEUTICAL FRATERNITY

December 30, 1966

Dr. Glen J. Sperandio, Grand Regent
Kappa Psi Pharmaceutical Fraternity
1306 Northwestern Avenue
West Lafayette, Indiana 47906

Dear Grand Regent:

I am returning the signed copy of the contract which you extended to me on December 28, 1966 appointing me full-time Executive Secretary of the Fraternity. I am pleased to accept the appointment and look forward to the opportunity of not only expanding the operations of the Central Office, but also increasing its efficiency and its activities.

As per our previous discussion, my responsibilities at the St. Louis College of Pharmacy are limited to not more than six (6) hours of lecture per week. I will be provided with a student assistant who will be responsible for grading of papers and preparation of the course materials. Therefore, my time will be restricted to not more than six (6) clock hours per week for the academic year September, 1967 to May, 1968.

Again I wish to express my deepest appreciation for this opportunity to work for Kappa Psi and express to you and the members of the Executive Committee my deepest gratitude for providing me the privilege of serving Kappa Psi.

With warmest personal regards for the New Year, I am,

Fraternally,

Gerald C. Henney
