Memo from the Grand Regent

Dear Kappa Psi Brothers and Friends,

Welcome to the beautiful jewel city of San Diego, CA, for the 51st Grand Council Convention of Kappa Psi Pharmaceutical Fraternity, Inc.! Brother Palmieri and the Convention Committee have worked hard to assure you will have an excellent experience while we learn more about brotherhood and friendship, and enjoy the sun and sea!

"Building a Better Brotherhood" is not only the motto for this year's GCC, but also something that we should all work toward every day in our personal and professional lives. As you attend the special continuing education presentations; the workshops; and listen to the words from our keynote speaker, Dr. Dewey Garner about how professionalism and Kappa Psi go together let us mature in our knowledge of brotherhood! As we participate in the legislative and electoral processes; compete in the second GCC "Pharmacy Pheud"; and enjoy the social gatherings, banquets, and awards luncheon; let us practice "Building a Better Brotherhood" in all our actions and interactions!

The 51st GCC is also special in that we will be initiating a new chapter and chartering the Delta Phi Chapter at the University of California, San Diego, College of Pharmacy during the second day of this convention. What a great opportunity for you and for the new brothers of Delta Phi! I am extremely proud of you and hope that this GCC will be your best experience yet with Kappa Psi and that the friendships you will be making during the next five days will last a lifetime
